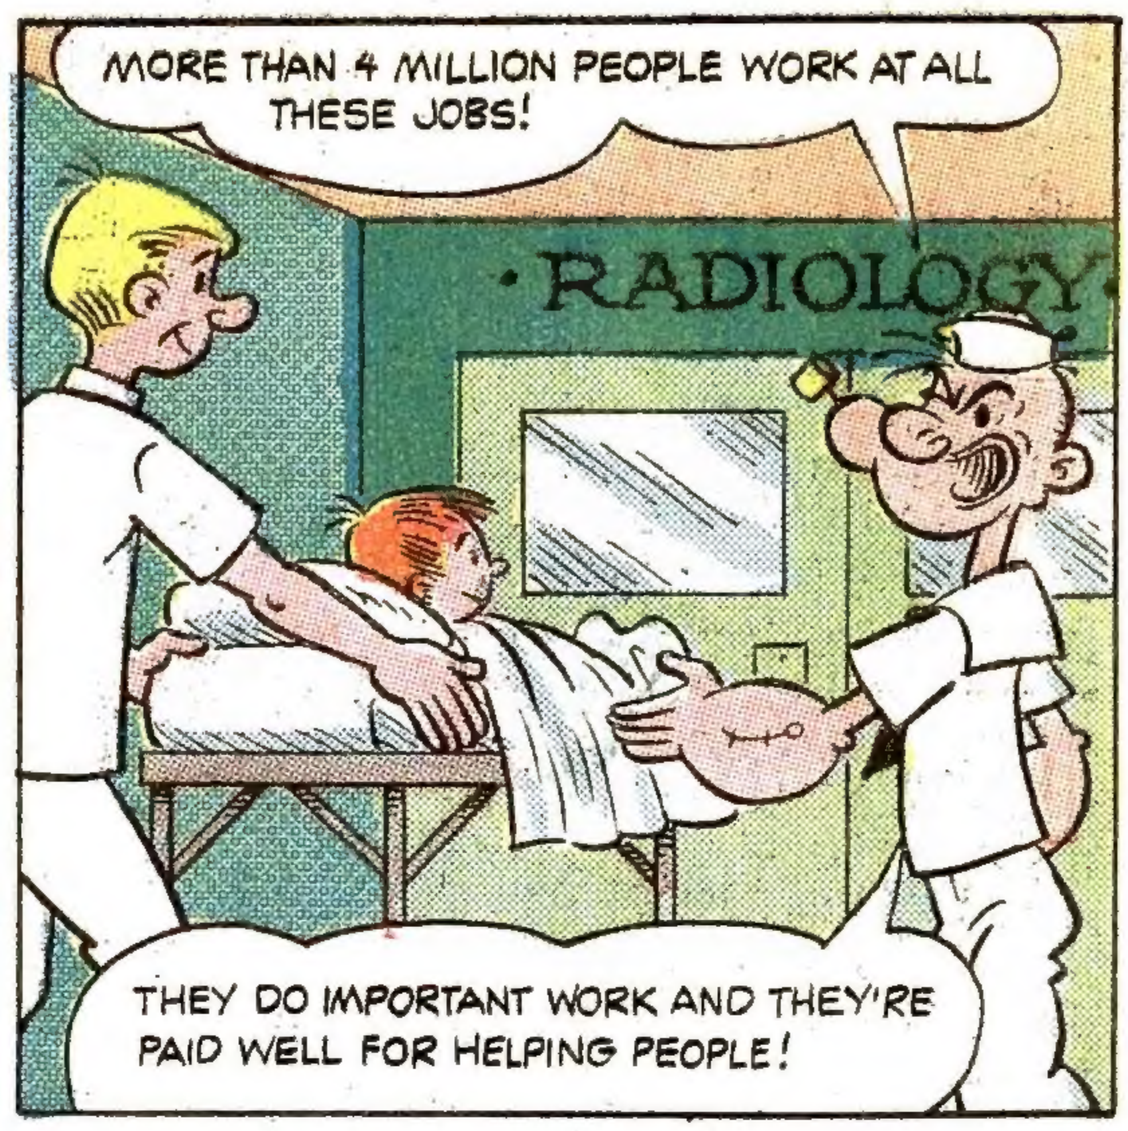
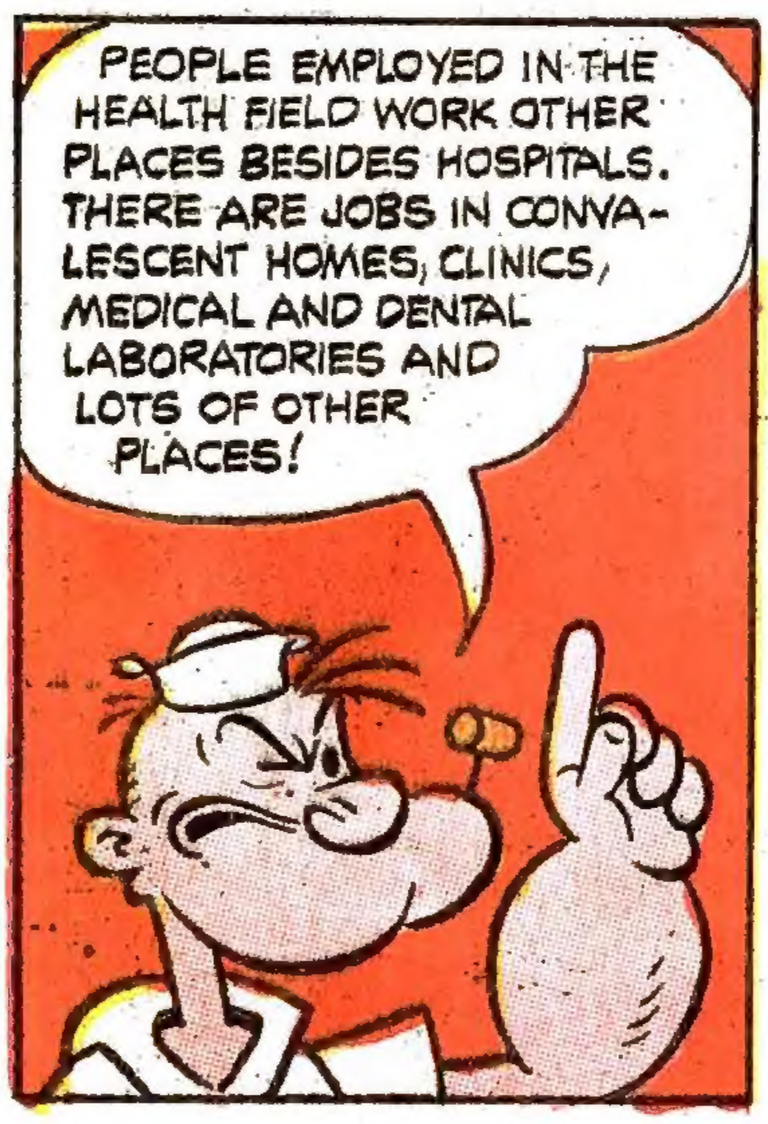
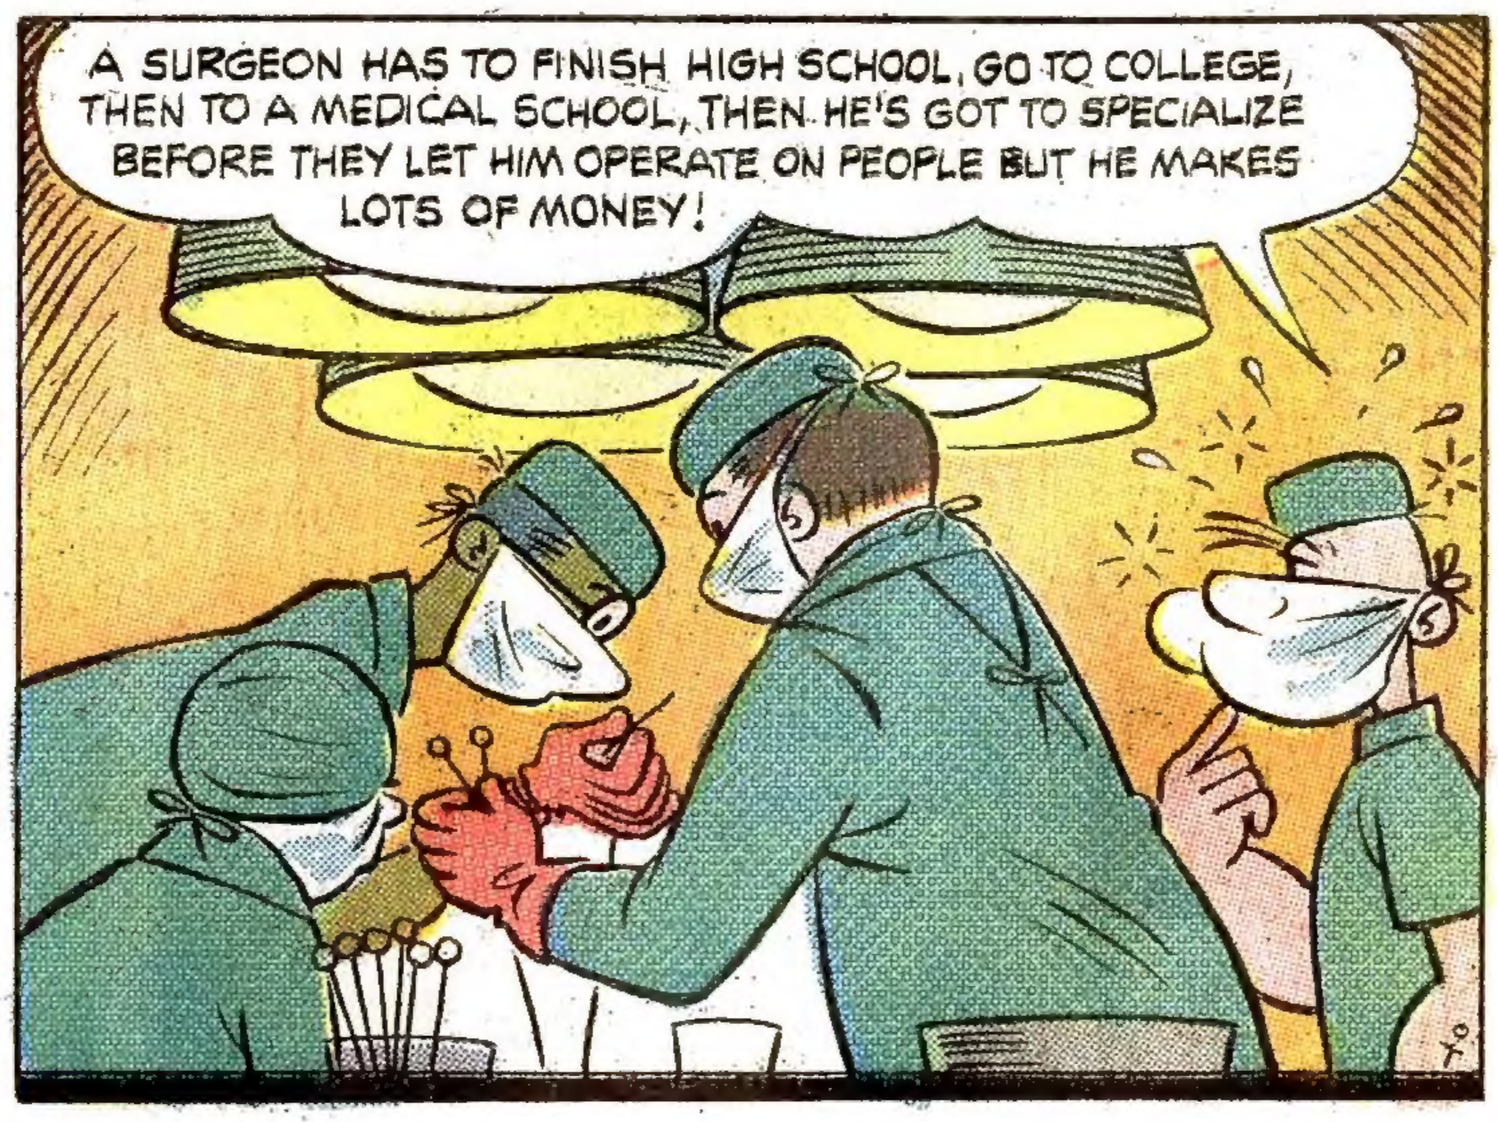
BESIDES DOCTORS AND NURSES THERE ARE PEOPLE DOING MORE THAN 200 OTHER KINDS OF JOBS.



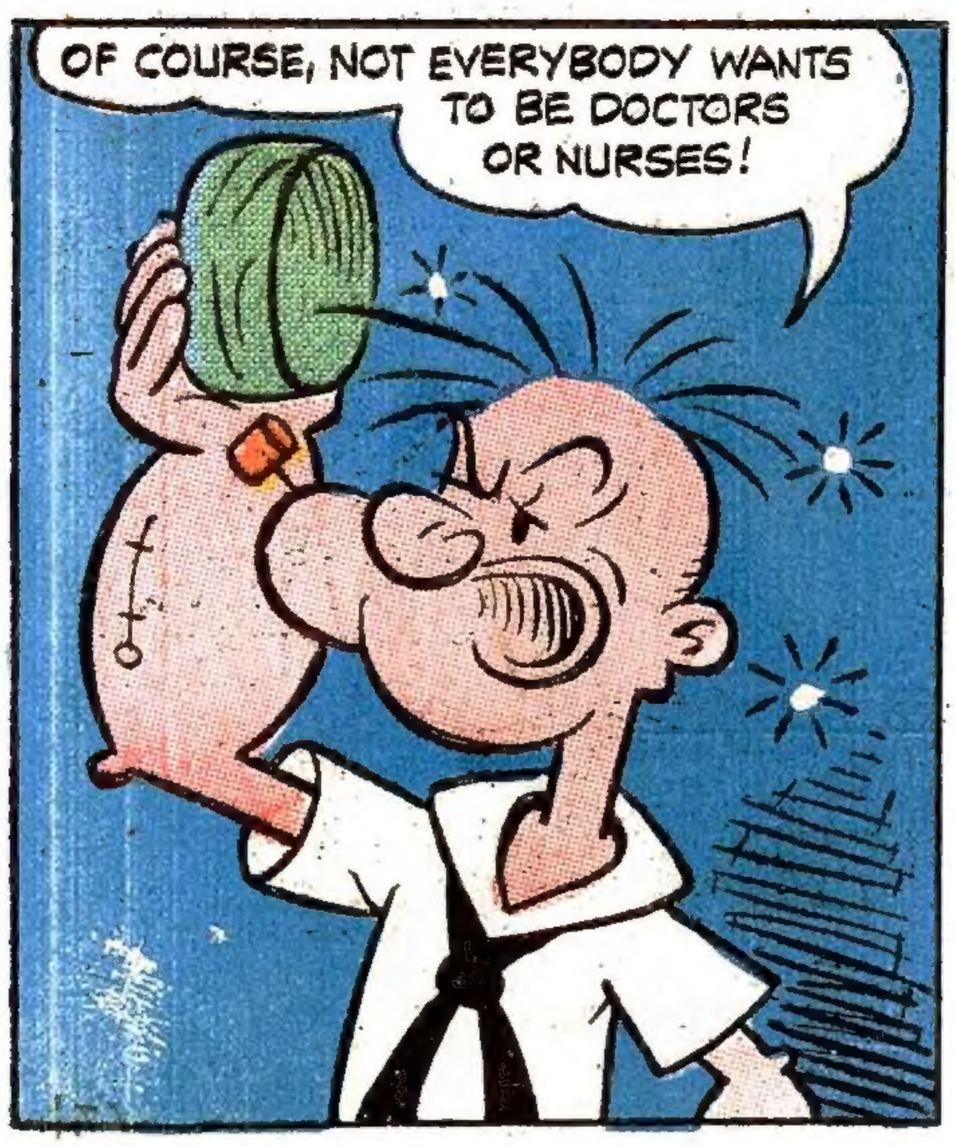
MORE THAN 4 MILLION PEOPLE WORK AT ALL THESE JOBS!
• RADIOLOGY •
THEY DO IMPORTANT WORK AND THEY'RE PAID WELL FOR HELPING PEOPLE!



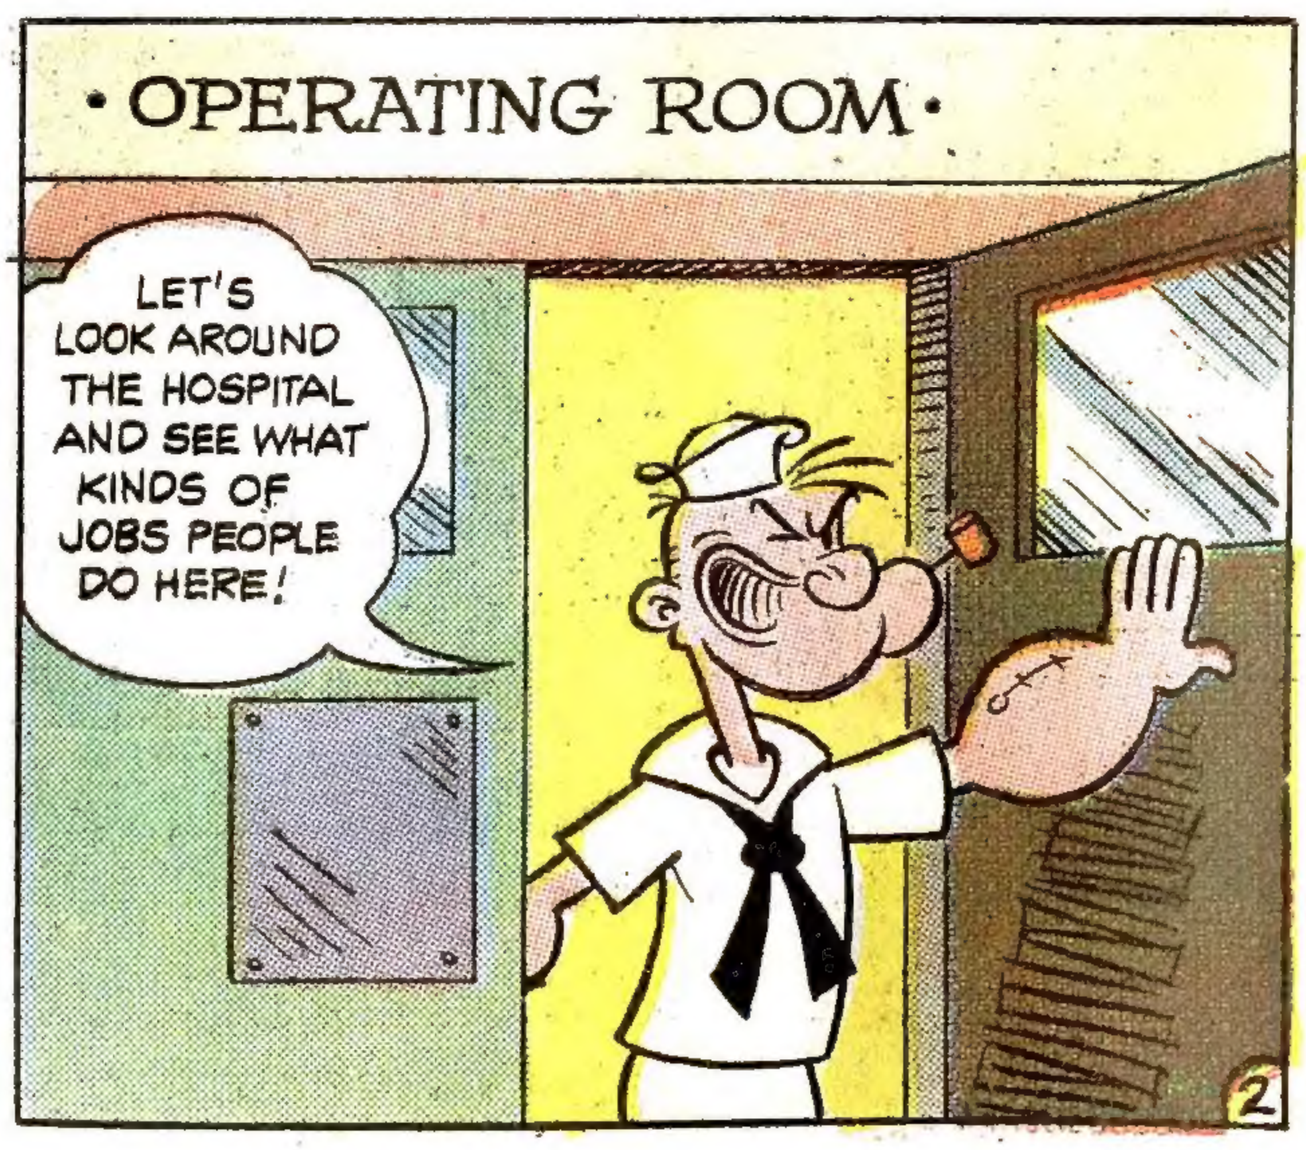
PEOPLE EMPLOYED IN THE HEALTH FIELD WORK OTHER PLACES BESIDES HOSPITALS. THERE ARE JOBS IN CONVALESCENT HOMES, CLINICS, MEDICAL AND DENTAL LABORATORIES AND LOTS OF OTHER PLACES!



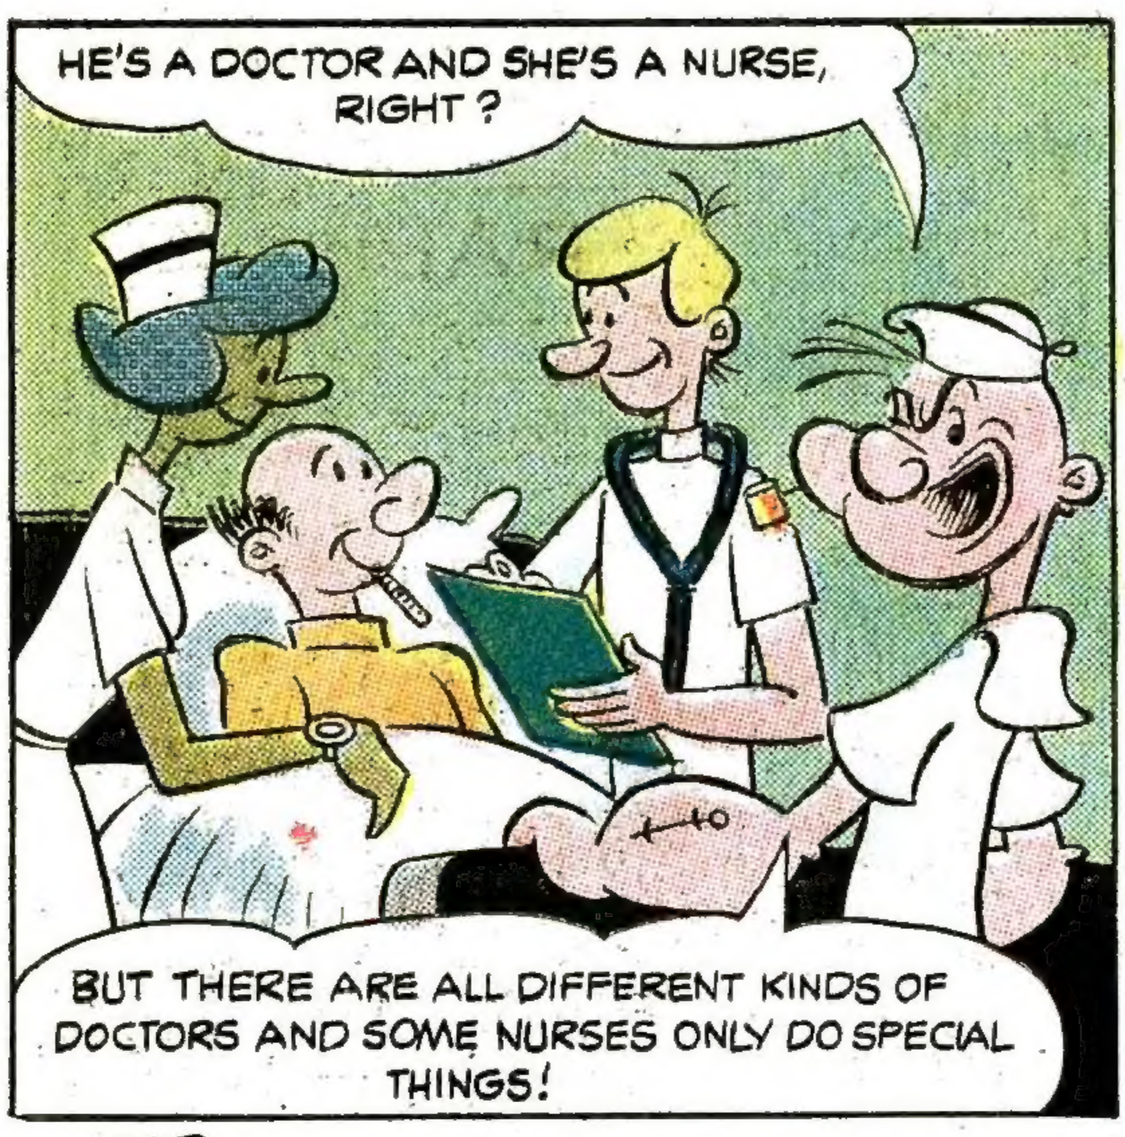
A SURGEON HAS TO FINISH HIGH SCHOOL, GO TO COLLEGE, THEN TO A MEDICAL SCHOOL, THEN HE'S GOT TO SPECIALIZE BEFORE THEY LET HIM OPERATE ON PEOPLE BUT HE MAKES LOTS OF MONEY!



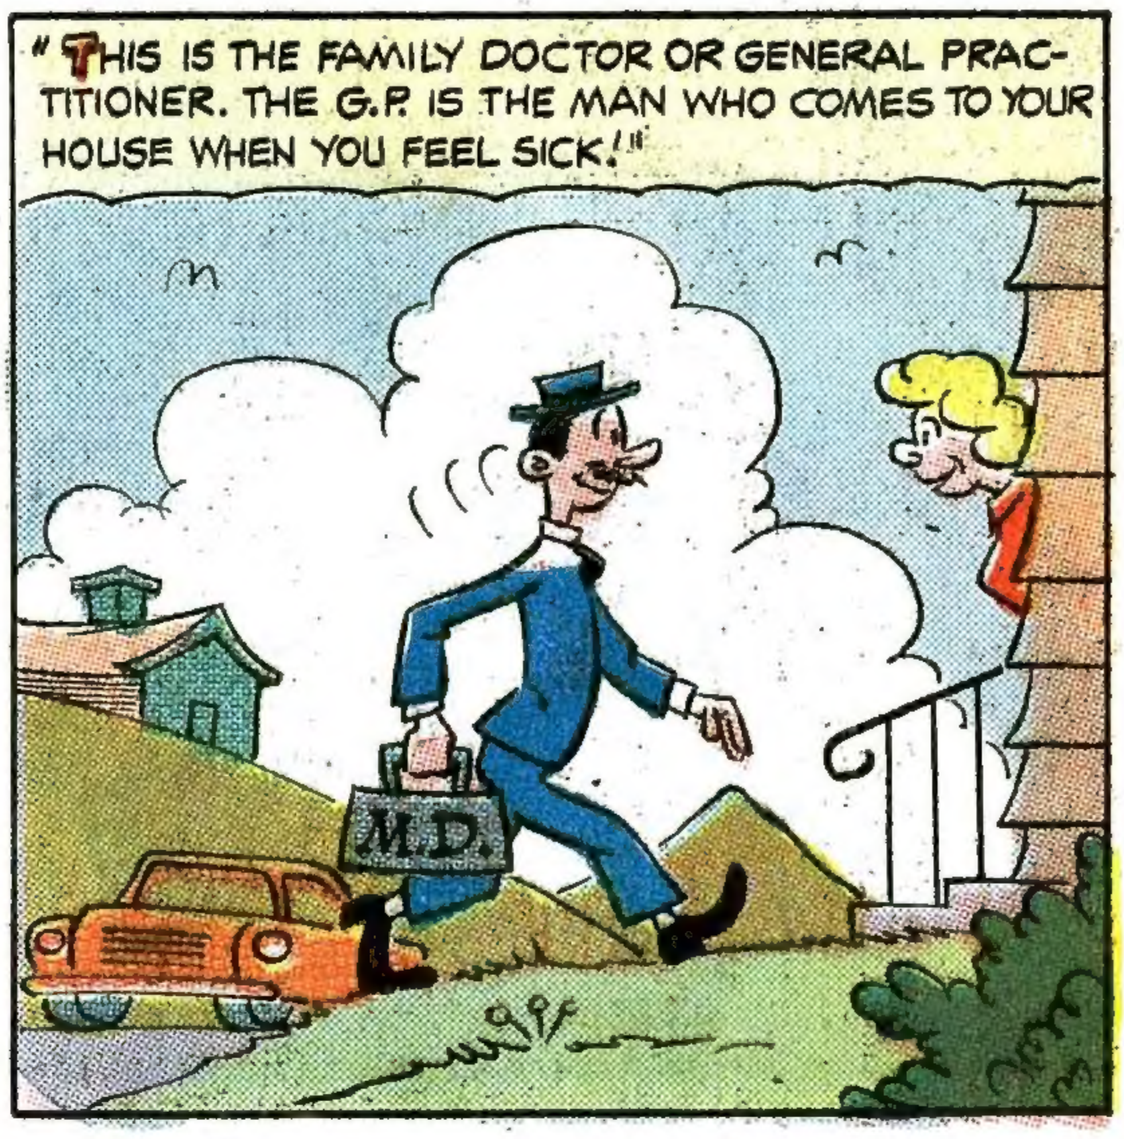
OF COURSE, NOT EVERYBODY WANTS TO BE DOCTORS OR NURSES!



• OPERATING ROOM •
LET'S LOOK AROUND THE HOSPITAL AND SEE WHAT KINDS OF JOBS PEOPLE DO HERE!

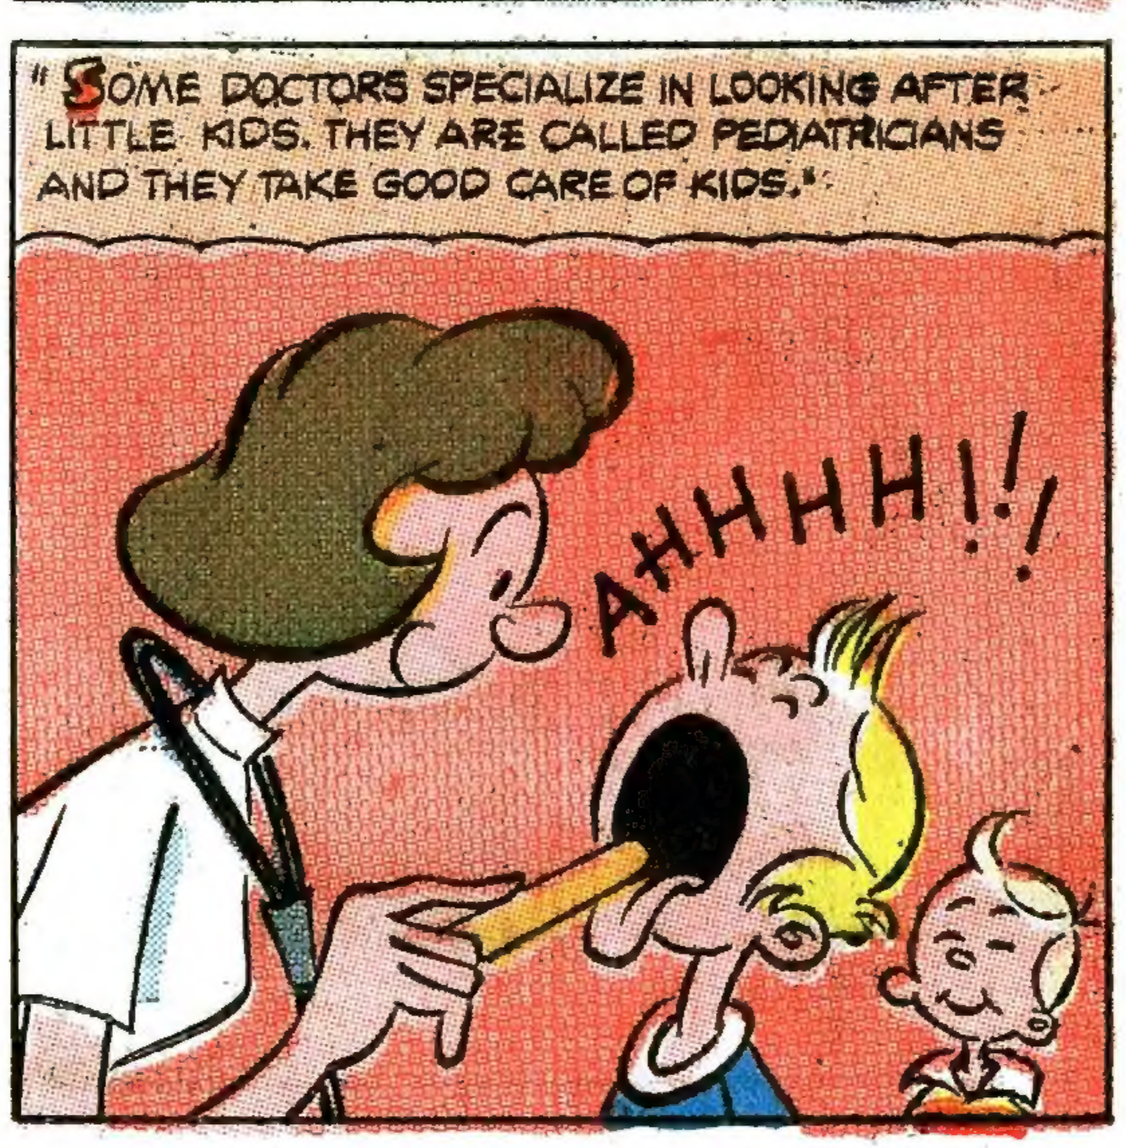


HE'S A DOCTOR AND SHE'S A NURSE, RIGHT?
BUT THERE ARE ALL DIFFERENT KINDS OF DOCTORS AND SOME NURSES ONLY DO SPECIAL THINGS!



"THIS IS THE FAMILY DOCTOR OR GENERAL PRACTITIONER. THE G.P. IS THE MAN WHO COMES TO YOUR HOUSE WHEN YOU FEEL SICK!"
M.D.

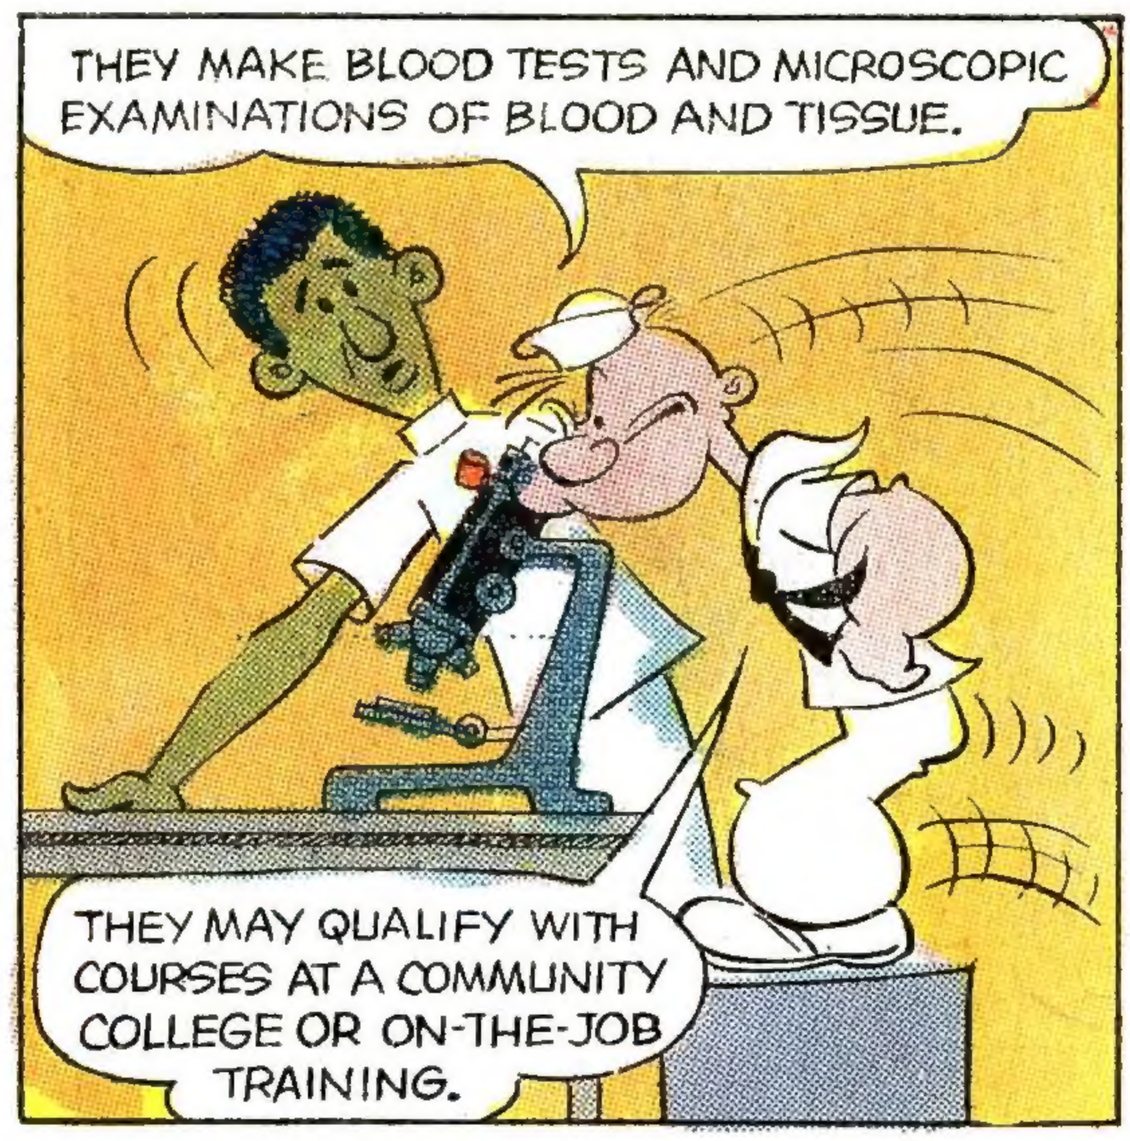
"THE SURGEON OPERATES ON KIDS FOR APPENDICITIS, TAKES OUT TONSILS, AND OTHER STUFF THAT GIVES KIDS A PAIN IN THE STOMACH."
?



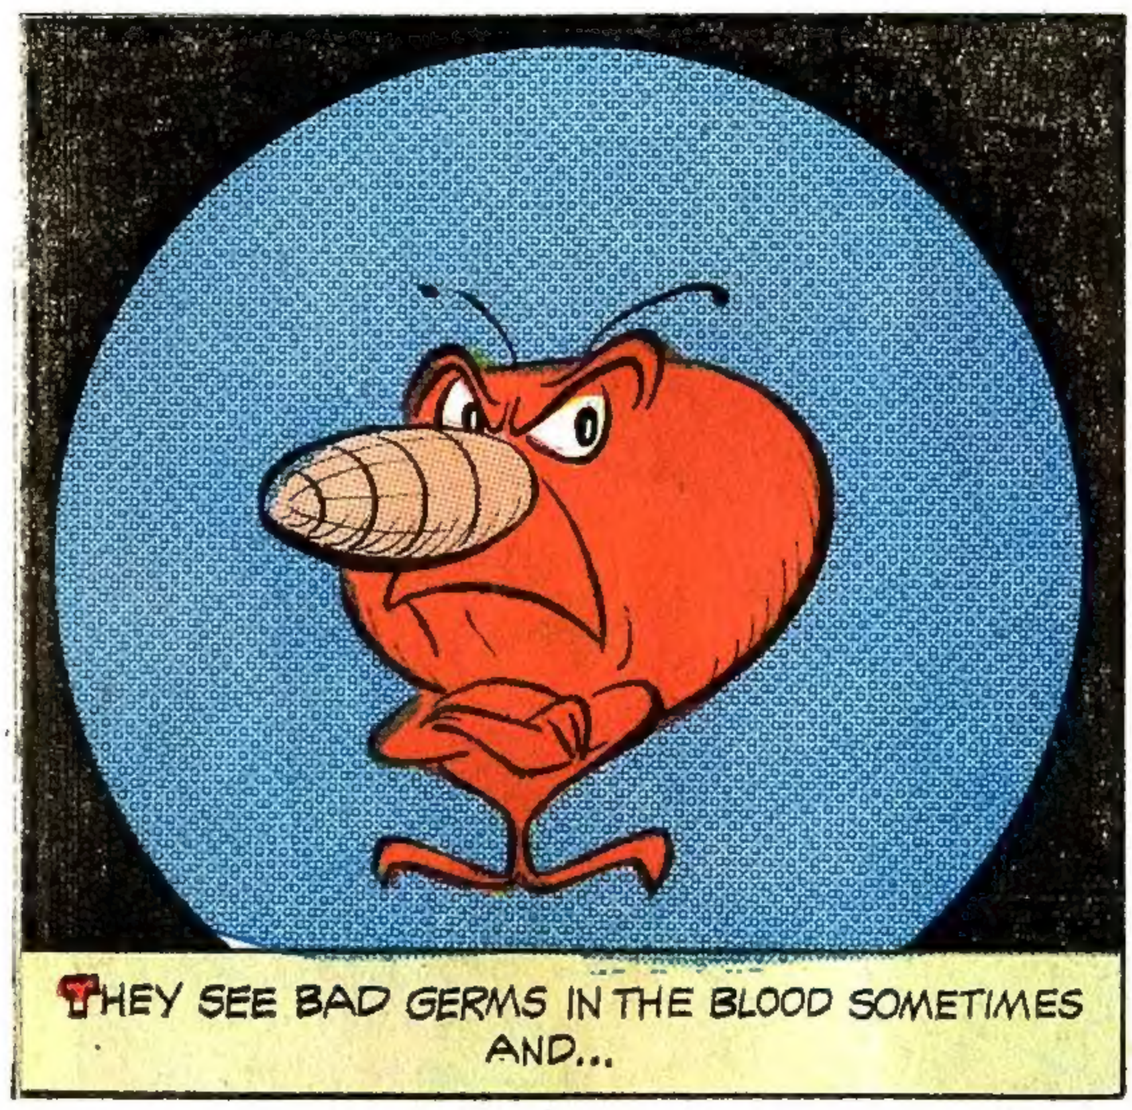
"SOME DOCTORS SPECIALIZE IN LOOKING AFTER LITTLE KIDS. THEY ARE CALLED PEDIATRICIANS AND THEY TAKE GOOD CARE OF KIDS."
AHHHH!!!

THERE ARE EVEN DOCTORS WHO ONLY WORK ON FEET!

LABORATORY TECHNICIANS DO A LOT OF THINGS TO HELP THE DOCTOR!

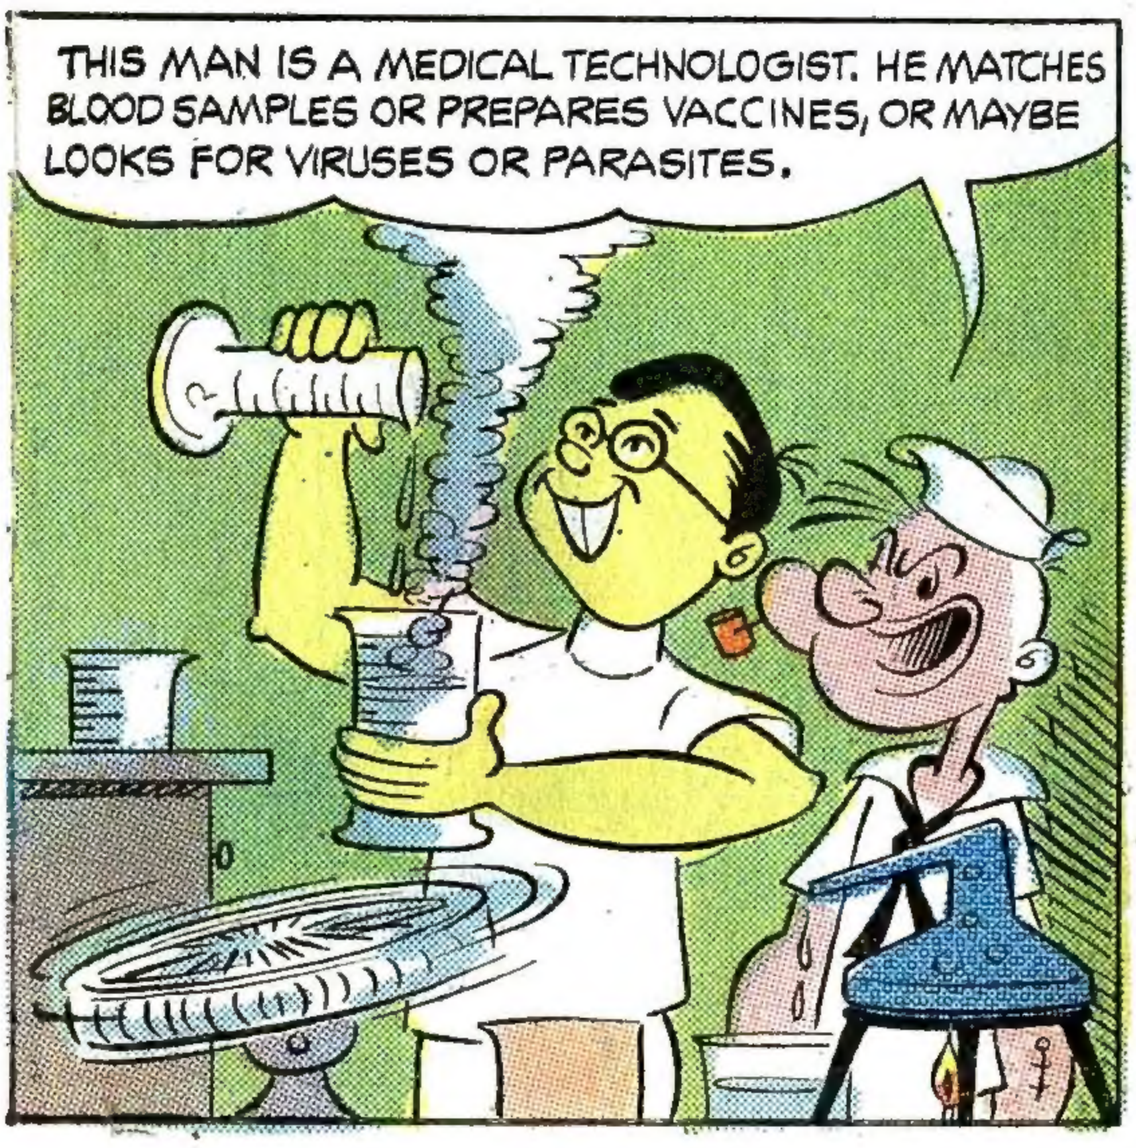


THEY MAKE BLOOD TESTS AND MICROSCOPIC EXAMINATIONS OF BLOOD AND TISSUE.
THEY MAY QUALIFY WITH COURSES AT A COMMUNITY COLLEGE OR ON-THE-JOB TRAINING.

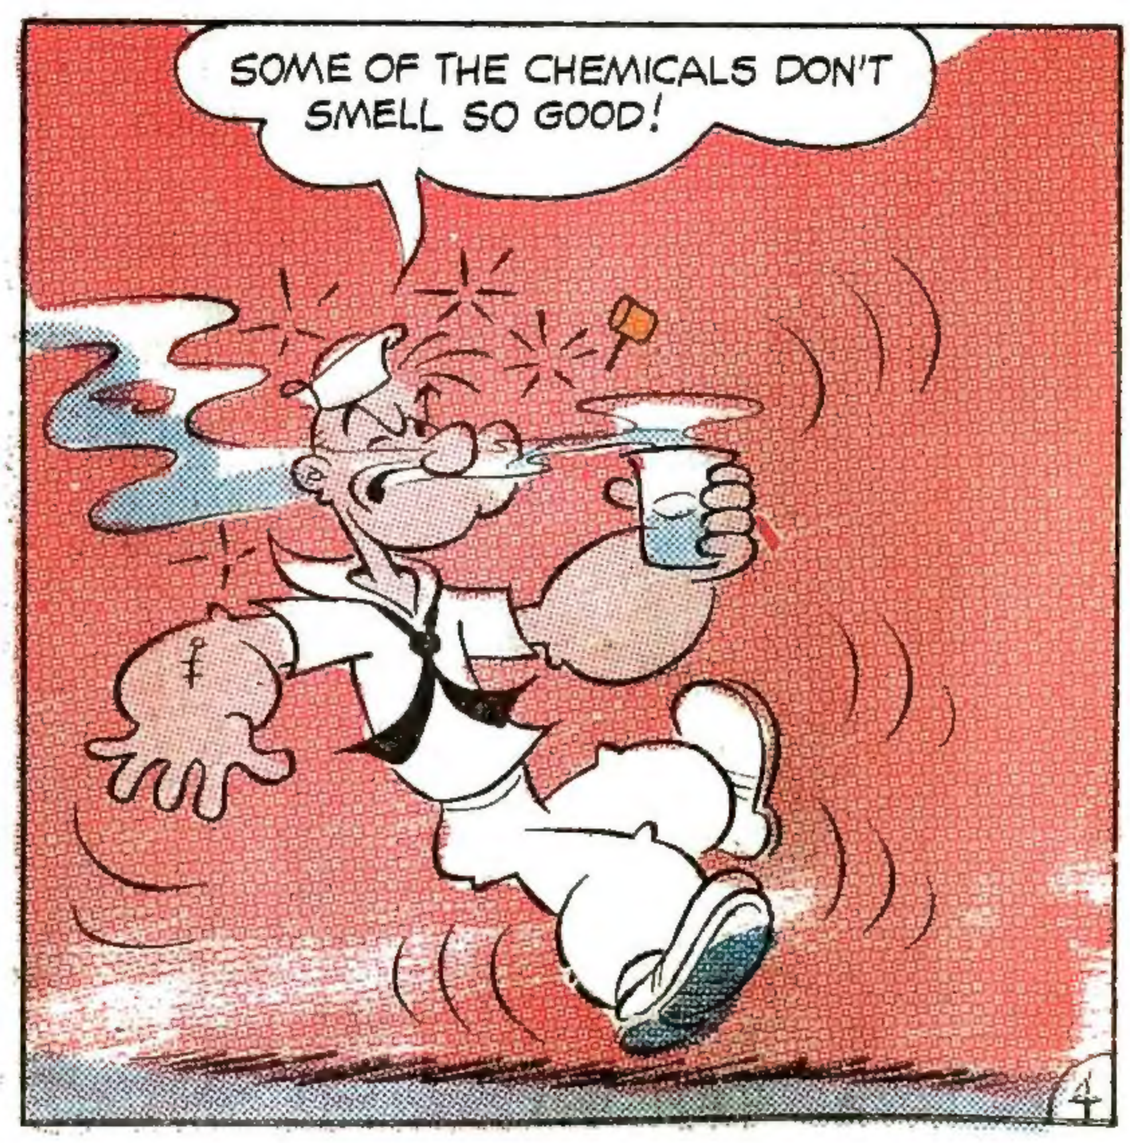


THEY SEE BAD GERMS IN THE BLOOD SOMETIMES AND...

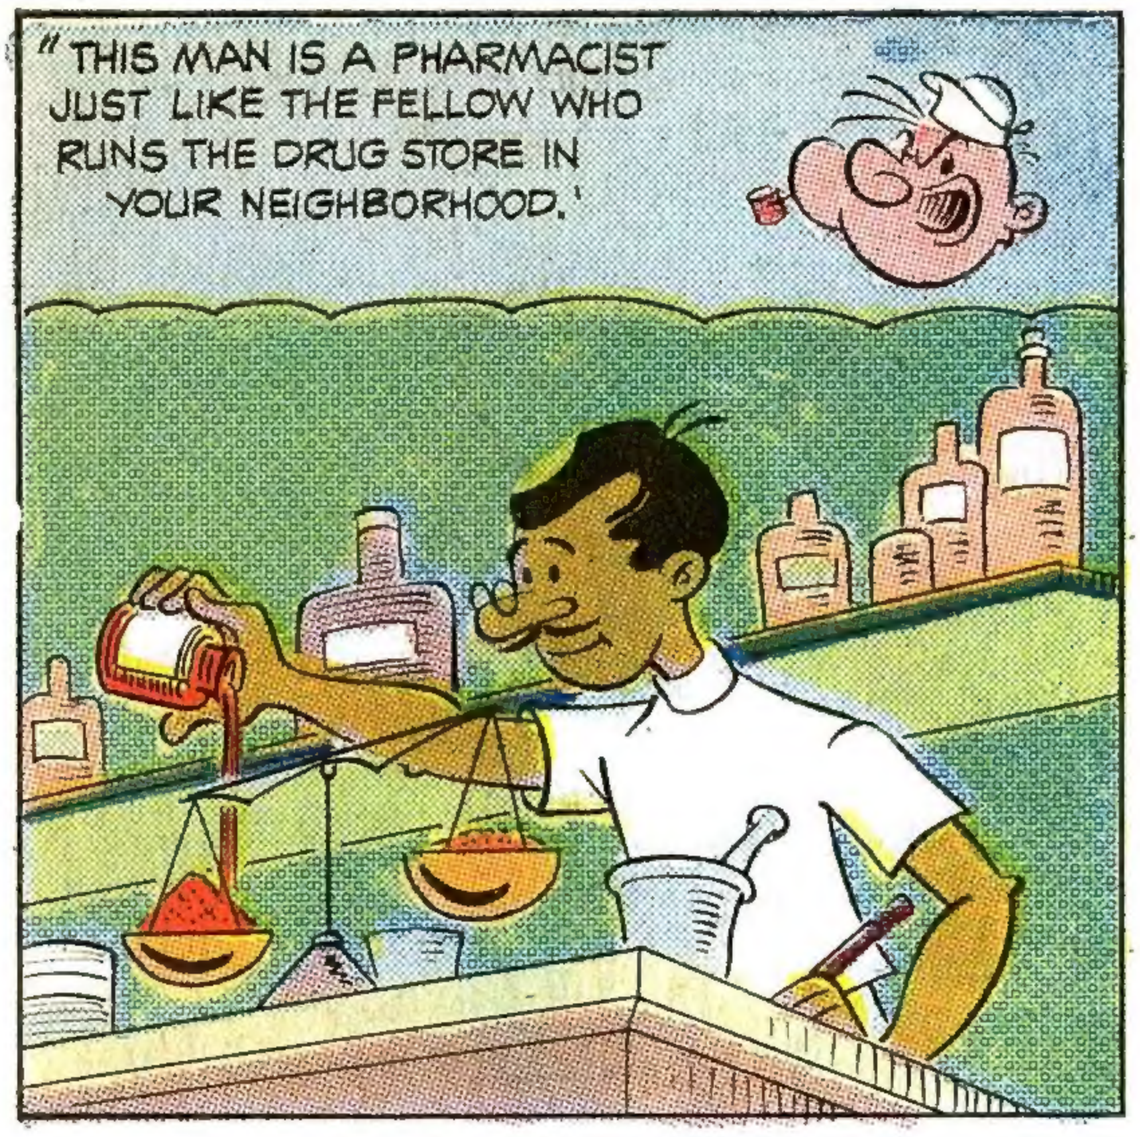
....THE DOCTORS KNOW WHAT KIND OF MEDICINE TO USE TO KNOCK OUT THE GERMS CAUSING THE DISEASE!



THIS MAN IS A MEDICAL TECHNOLOGIST. HE MATCHES BLOOD SAMPLES OR PREPARES VACCINES, OR MAYBE LOOKS FOR VIRUSES OR PARASITES.

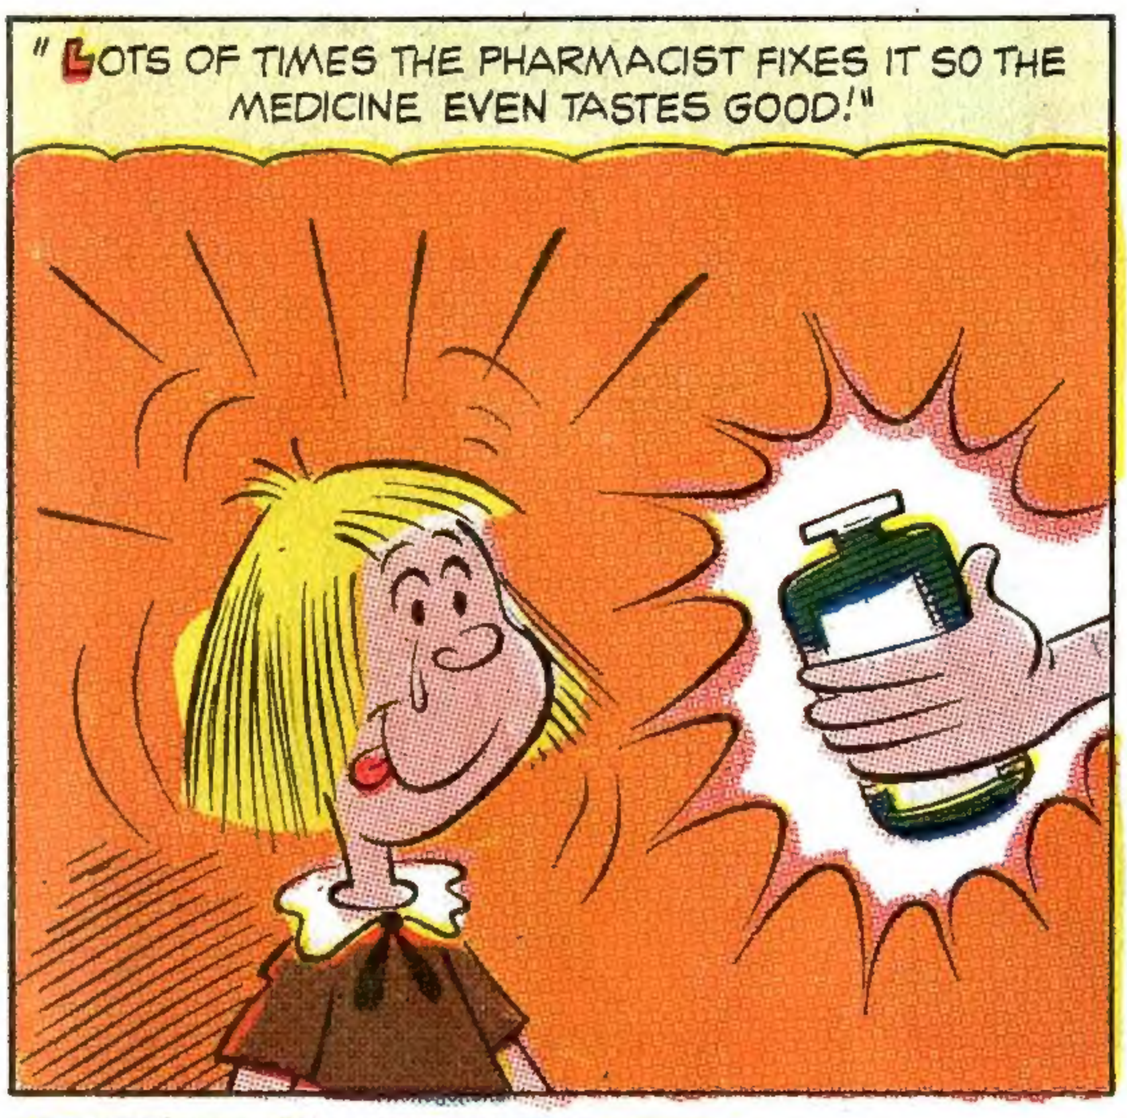


SOME OF THE CHEMICALS DON'T SMELL SO GOOD!

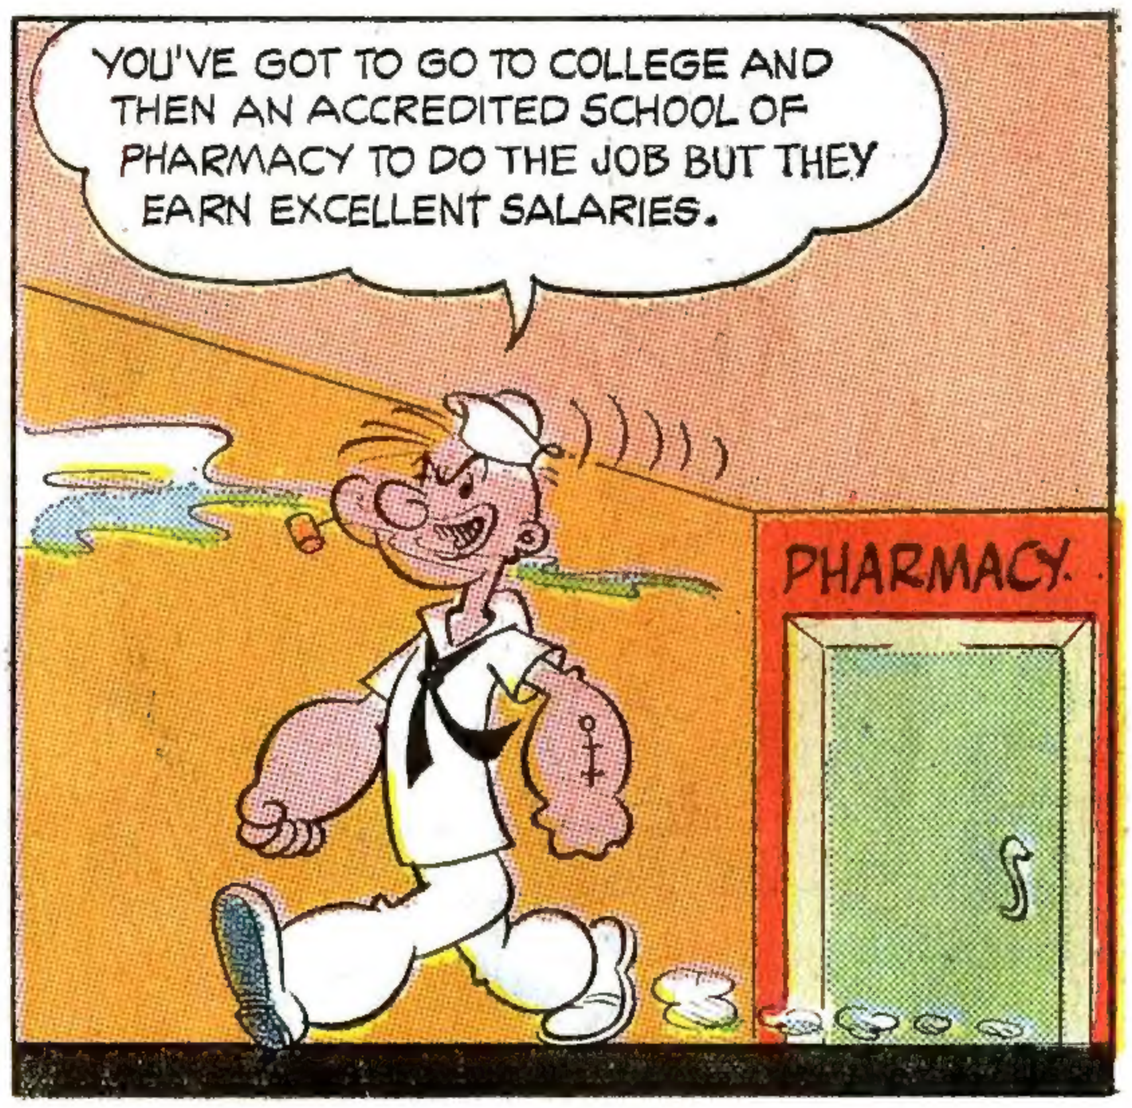


"THIS MAN IS A PHARMACIST JUST LIKE THE FELLOW WHO RUNS THE DRUG STORE IN YOUR NEIGHBORHOOD.'

WHEN YOUR DOCTOR WRITES A PRESCRIPTION, THE PHARMACIST READS IT AND PREPARES THE MEDICINE YOU GET WHEN YOU'RE SICK.

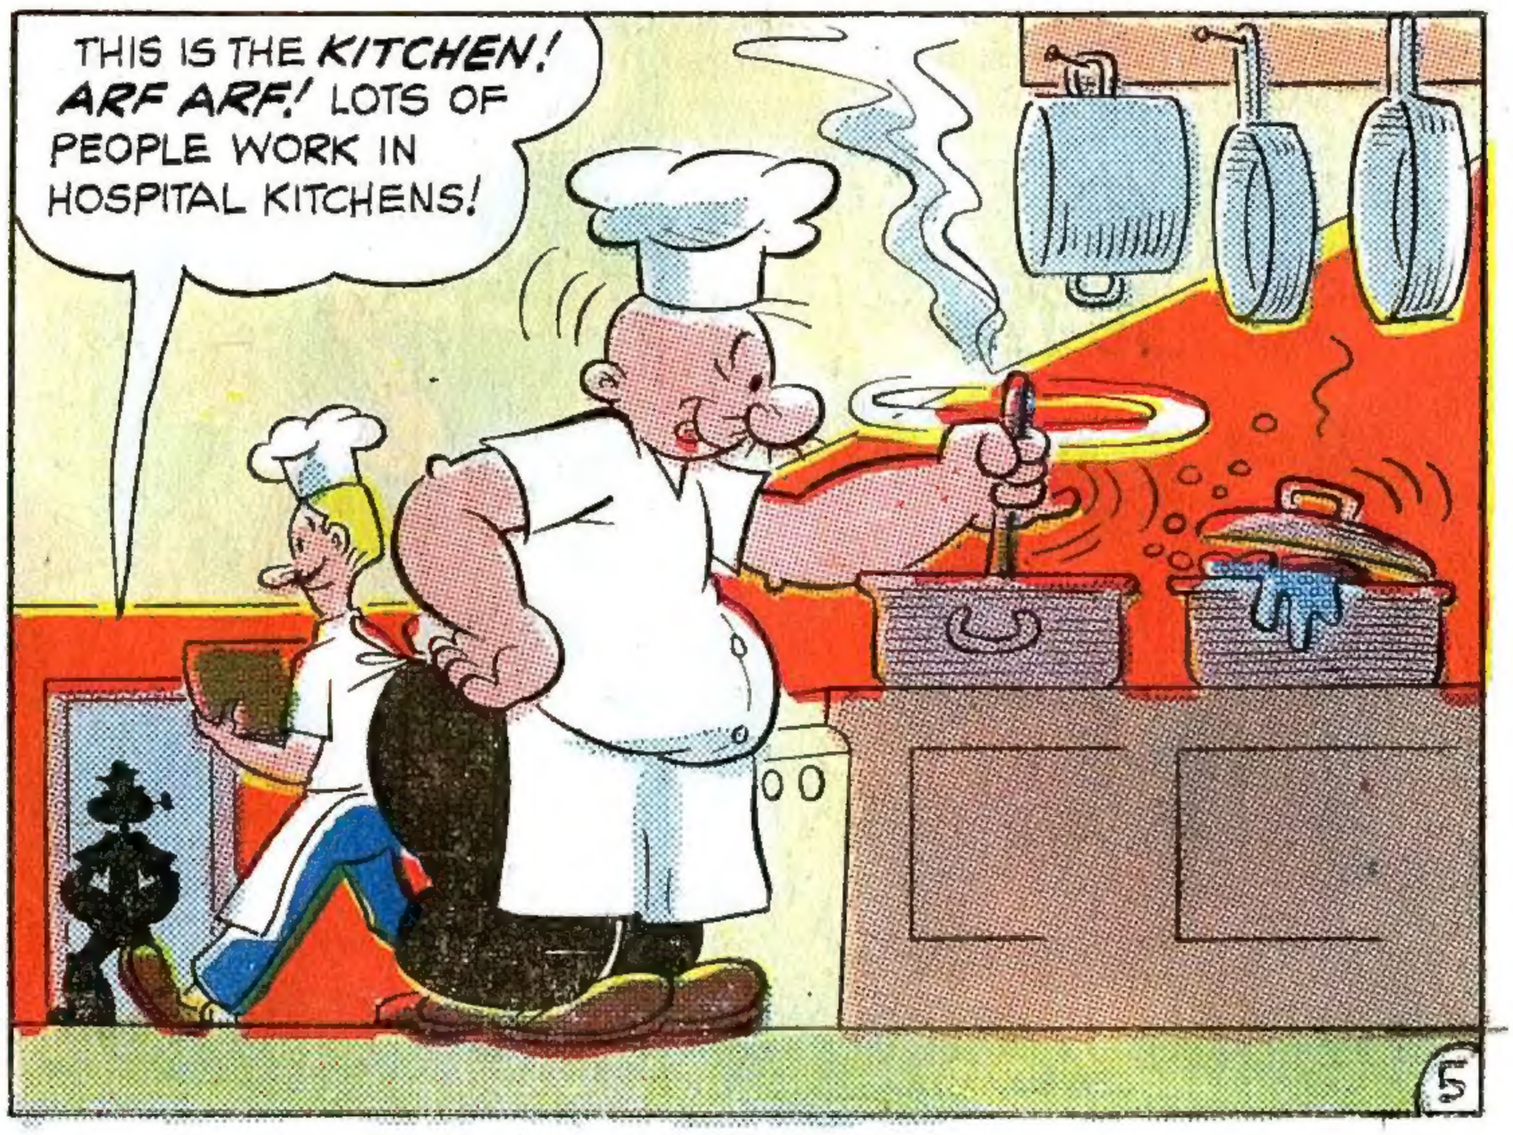


"LOTS OF TIMES THE PHARMACIST FIXES IT SO THE MEDICINE EVEN TASTES GOOD!"



YOU'VE GOT TO GO TO COLLEGE AND THEN AN ACCREDITED SCHOOL OF PHARMACY TO DO THE JOB BUT THEY EARN EXCELLENT SALARIES.
PHARMACY.

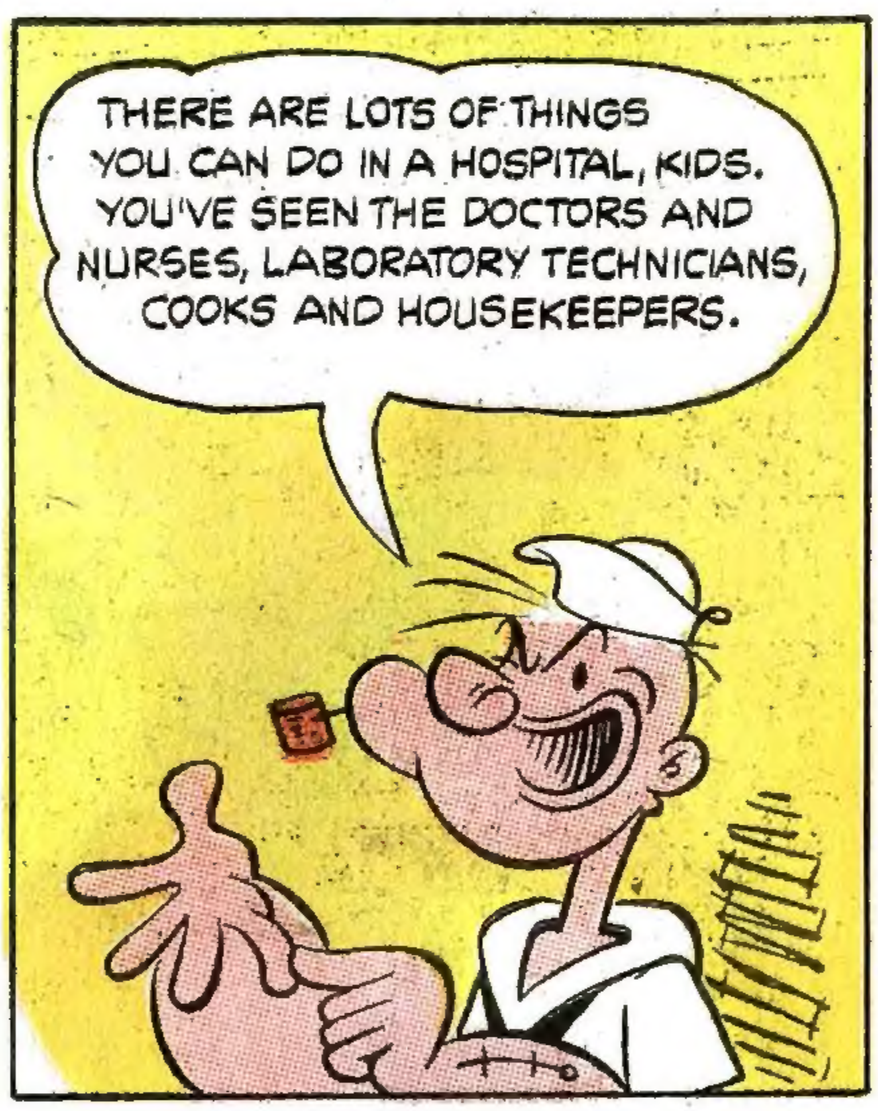
HMMM. SOMEONE MUST BE DOING SOMETHING TERRIFIC DOWN THIS CORRIDOR.



THIS IS THE KITCHEN! ARF ARF! LOTS OF PEOPLE WORK IN HOSPITAL KITCHENS!

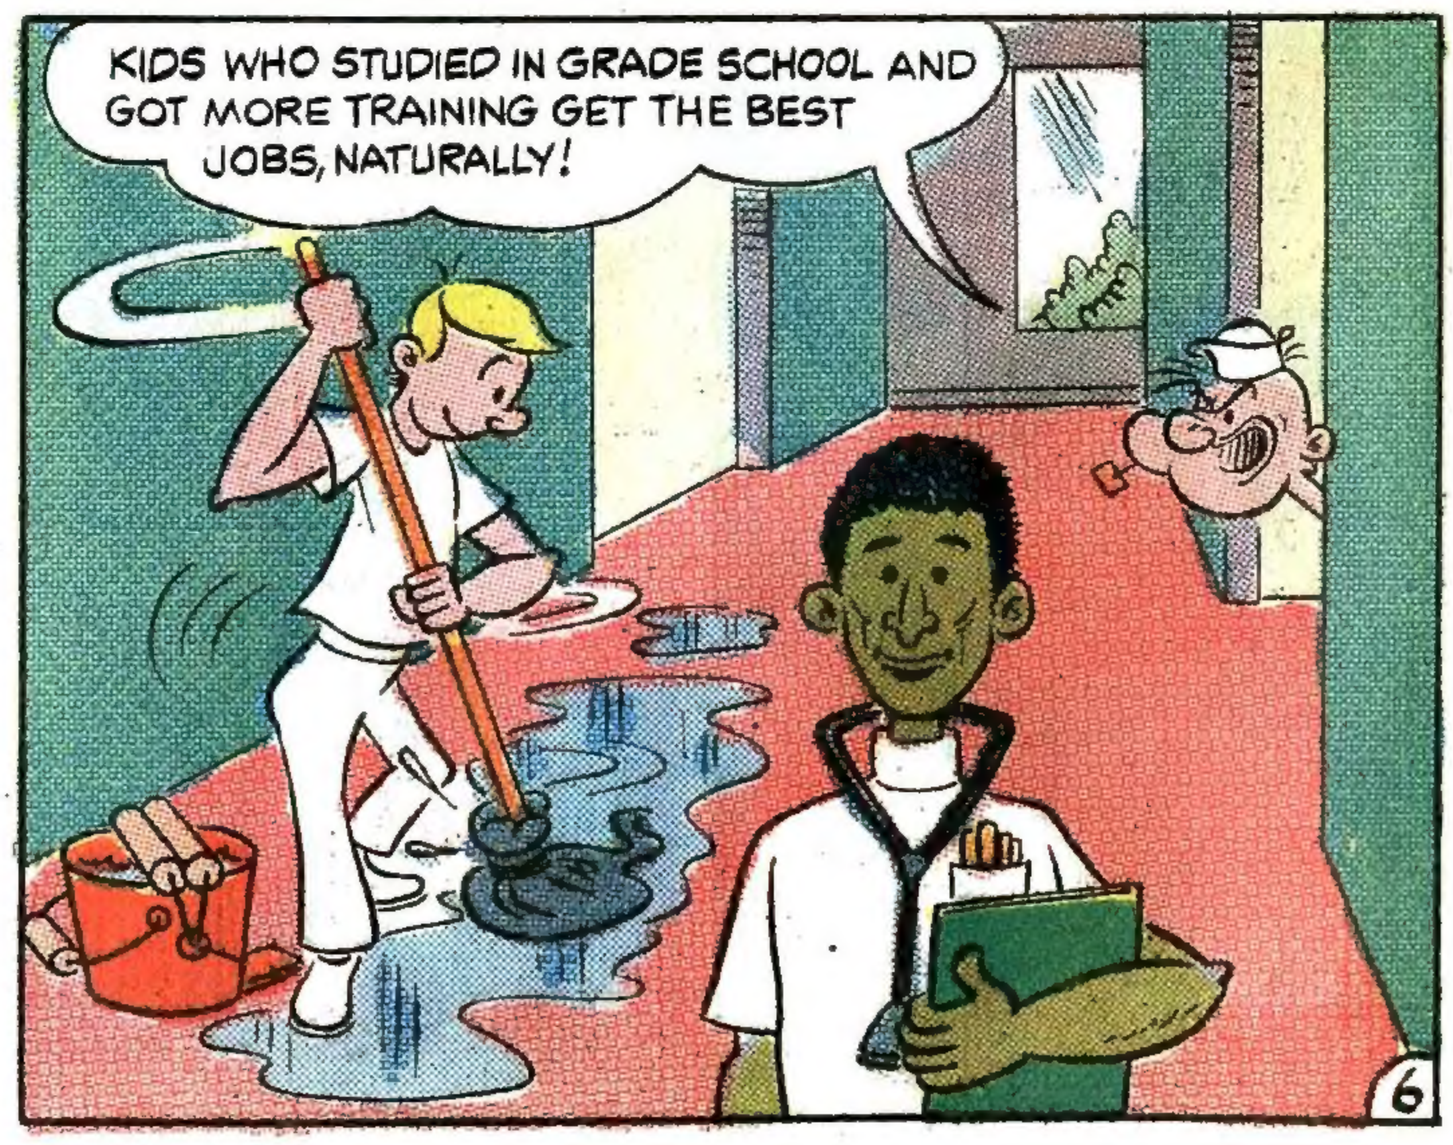
THEY'VE GOT SCHOOLS FOR COOKS, KIDS! PREPARING FOOD IN A HOSPITAL ISN'T THE SAME AS FIXING A HAM SANDWICH AT HOME!

HOUSEKEEPERS AND MAIDS KEEP THE PLACE CLEAN!

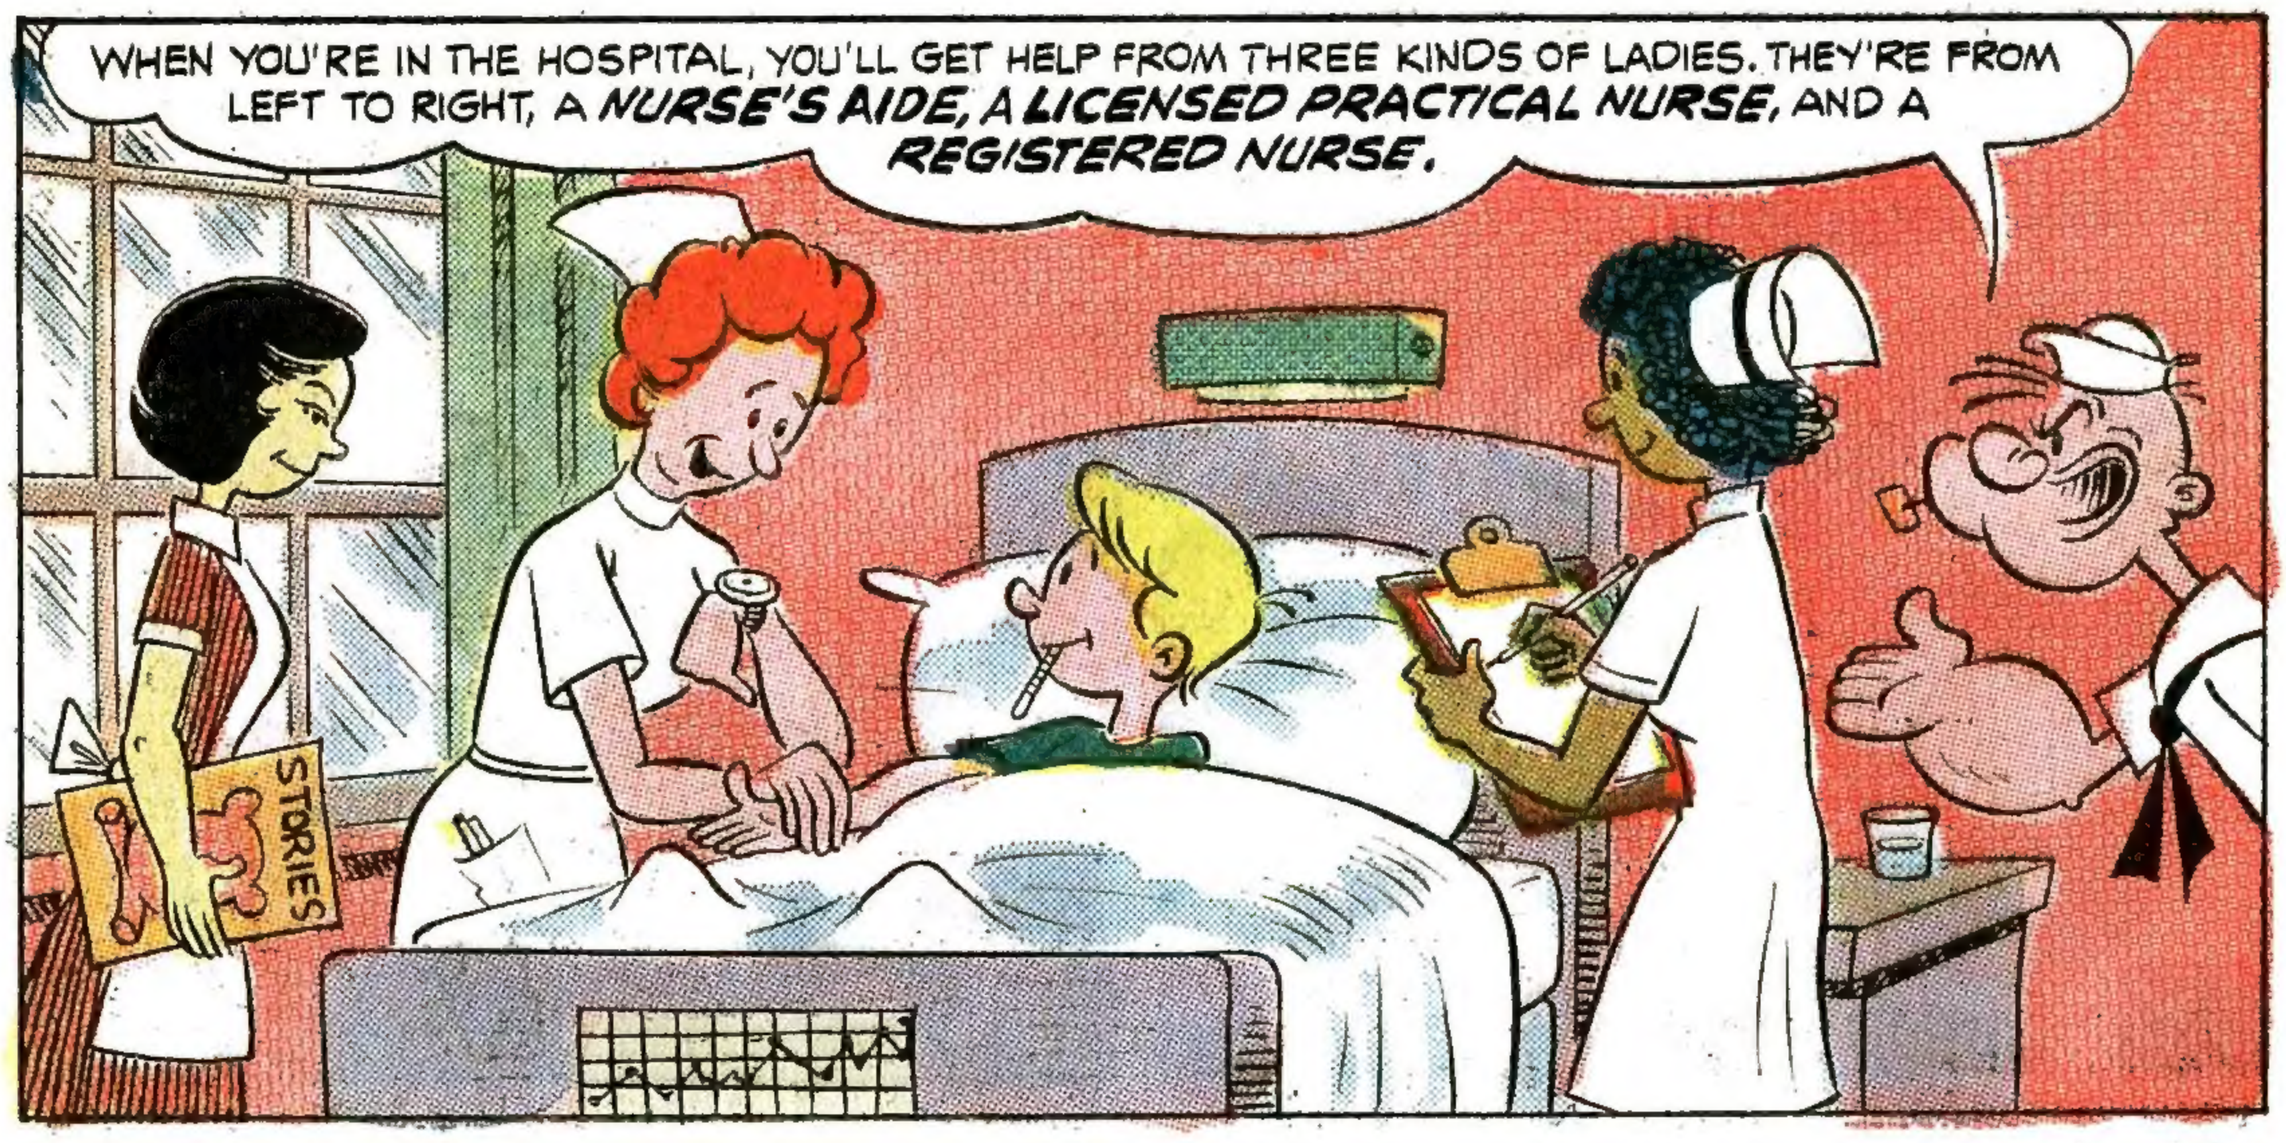


THERE ARE LOTS OF THINGS YOU CAN DO IN A HOSPITAL, KIDS. YOU'VE SEEN THE DOCTORS AND NURSES, LABORATORY TECHNICIANS, COOKS AND HOUSEKEEPERS.

ALL KINDS OF PEOPLE WORK IN A HOSPITAL! YOUNG LADIES AND YOUNG MEN, OLDER PEOPLE, PEOPLE WHO WENT TO COLLEGE AND EVEN, SOMETIMES, THEY HAVE JOBS FOR KIDS WHO DIDN'T FINISH HIGH SCHOOL!

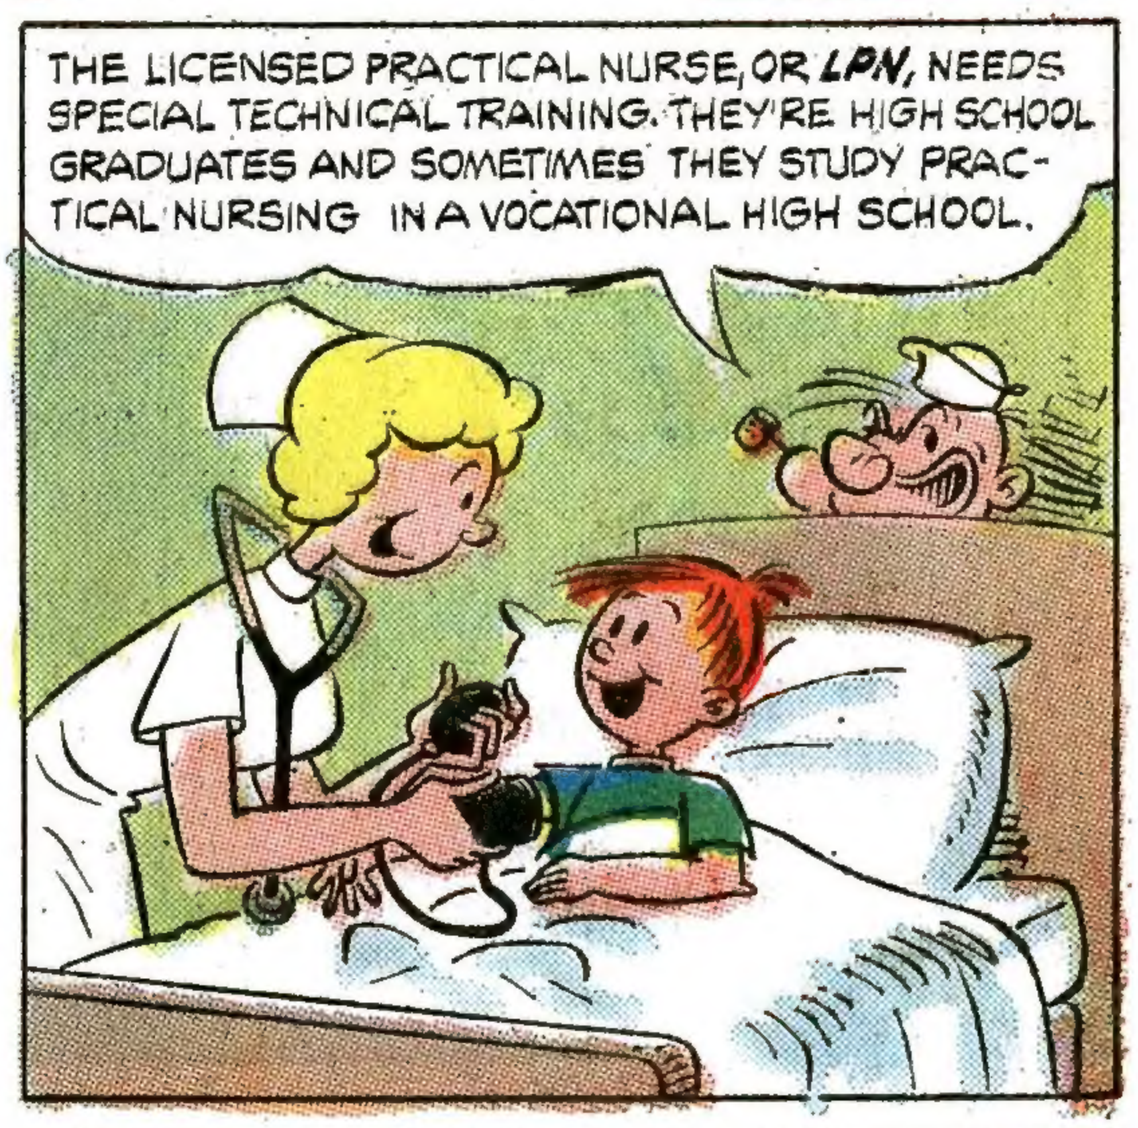


KIDS WHO STUDIED IN GRADE SCHOOL AND GOT MORE TRAINING GET THE BEST JOBS, NATURALLY!



WHEN YOU'RE IN THE HOSPITAL, YOU'LL GET HELP FROM THREE KINDS OF LADIES. THEY'RE FROM LEFT TO RIGHT, A *NURSE'S AIDE*, A *LICENSED PRACTICAL NURSE*, AND A *REGISTERED NURSE*.
STORIES

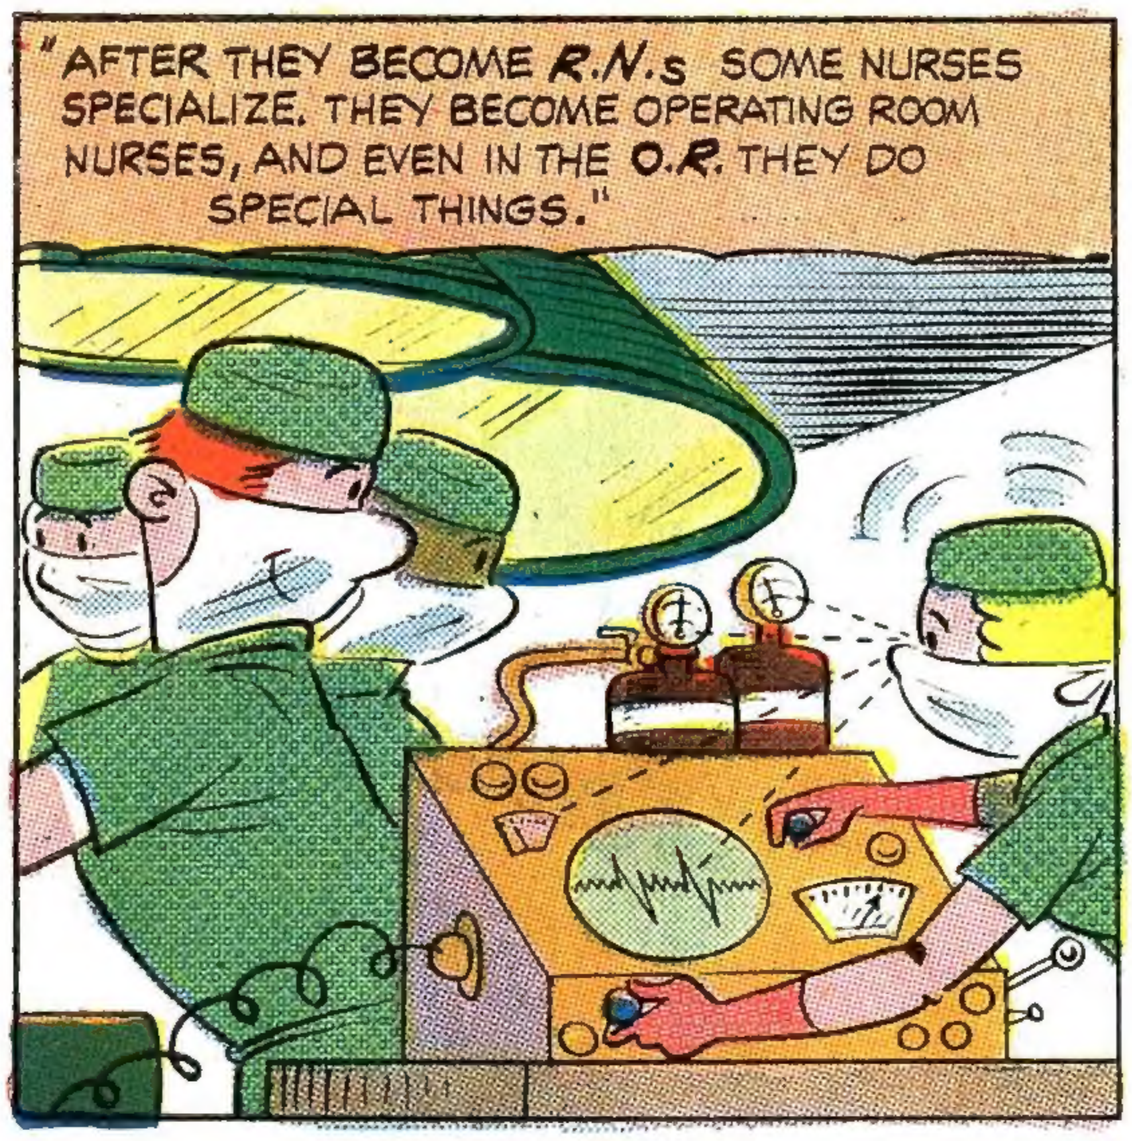
"THE NURSE'S AIDE BRINGS PATIENTS FOOD, MAKES THEM COMFORTABLE, AND KEEPS THEM CLEAN. NURSE'S AIDES DON'T NEED COLLEGE BUT REQUIRE ON-THE-JOB TRAINING."



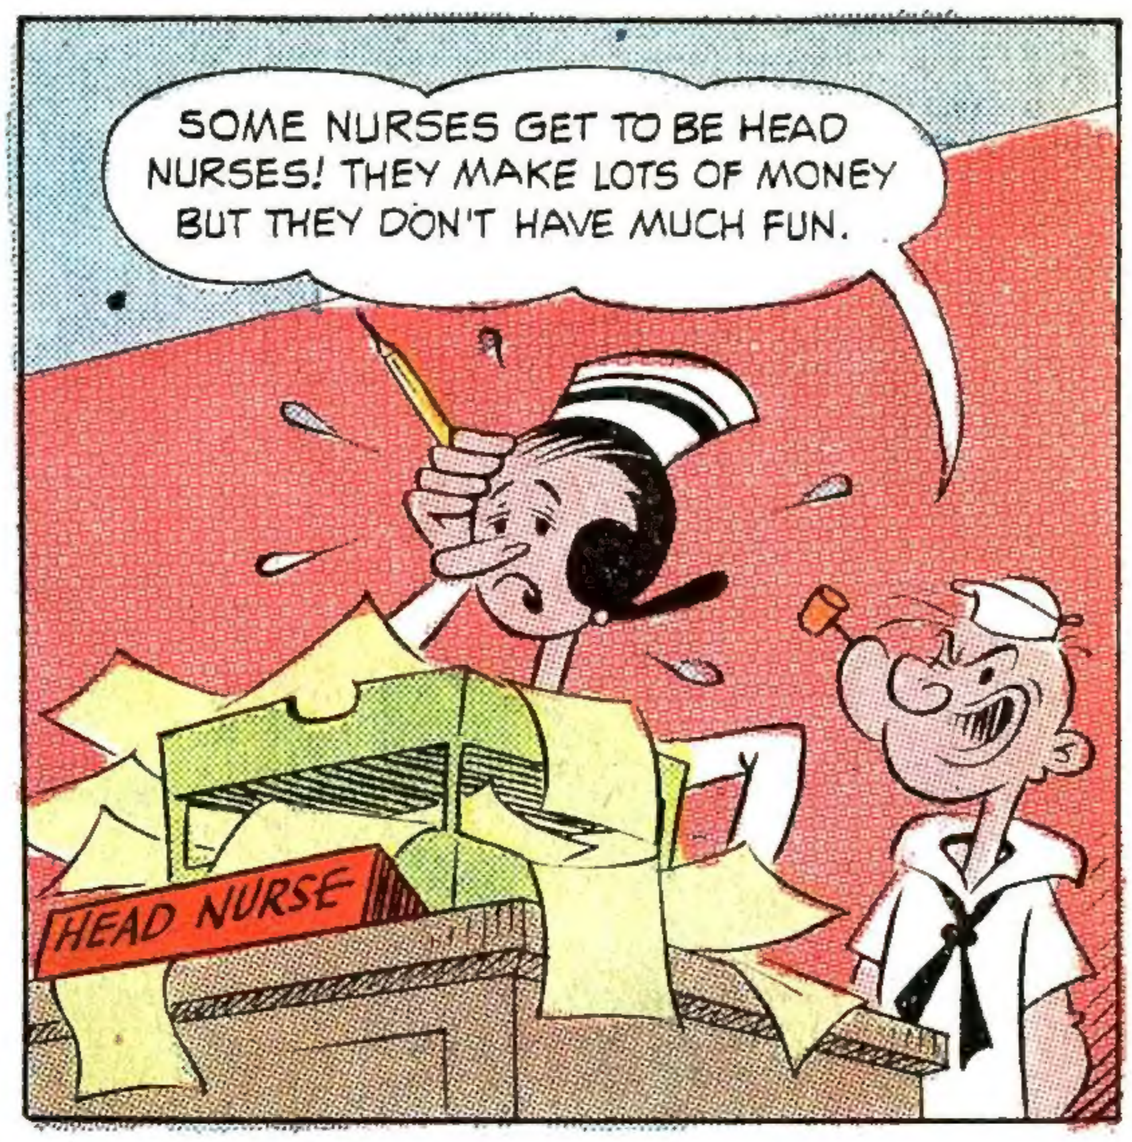
THE LICENSED PRACTICAL NURSE, OR *LPN*, NEEDS SPECIAL TECHNICAL TRAINING. THEY'RE HIGH SCHOOL GRADUATES AND SOMETIMES THEY STUDY PRACTICAL NURSING IN A VOCATIONAL HIGH SCHOOL.

LPN'S ARE TAUGHT TO TAKE THE PATIENT'S BLOOD PRESSURE, TEMPERATURE AND PULSE, AND TO HELP THE DOCTORS AND REGISTERED NURSES CARE FOR THE PATIENT.

REGISTERED NURSES ARE USUALLY GRADUATES OF A COMMUNITY COLLEGE, A HOSPITAL NURSING COURSE, OR A UNIVERSITY TRAINING PROGRAM. AFTER GOING TO SCHOOL, THEY'VE GOT TO TAKE A STATE BOARD EXAMINATION BEFORE THEY'RE *R.N.s*!



"AFTER THEY BECOME R.N.s SOME NURSES SPECIALIZE. THEY BECOME OPERATING ROOM NURSES, AND EVEN IN THE O.R. THEY DO SPECIAL THINGS."



SOME NURSES GET TO BE HEAD NURSES! THEY MAKE LOTS OF MONEY BUT THEY DON'T HAVE MUCH FUN.
HEAD NURSE

I WONDER WHAT'S IN HERE?

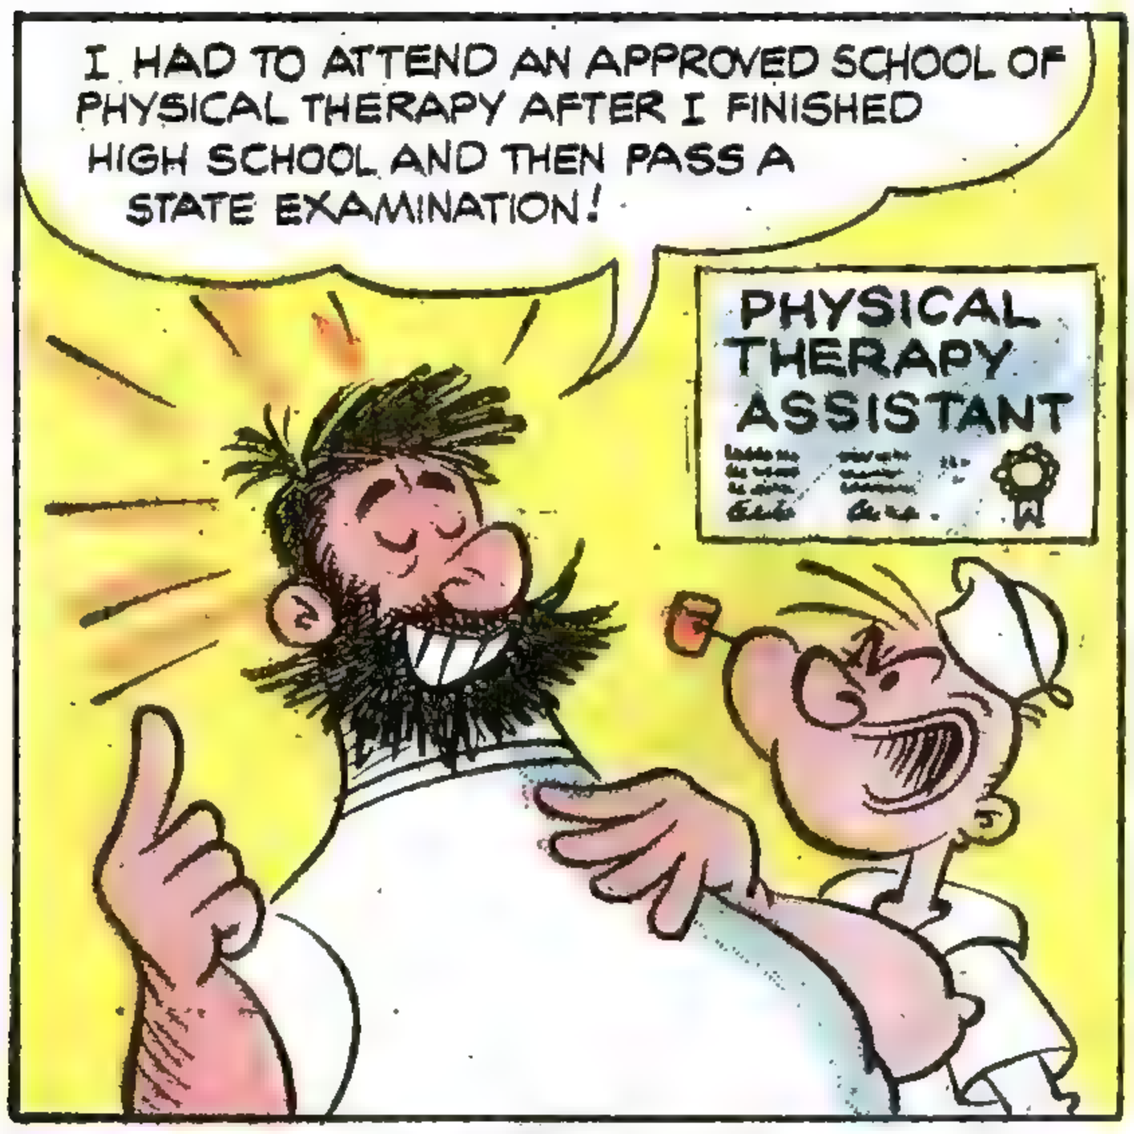
THIS IS MORE LIKE IT!
NOW WE MUST DRY OFF!
HEH, HEH!
!
ACCIDENT VICTIMS MUST LEARN TO WALK ALL OVER AGAIN! VICTIMS OF DISEASE PERFORM SPECIAL EXERCISES AND WE ALSO USE WHIRLPOOL BATHS AND MASSAGE TO STRENGTHEN MUSCLES.



I HAD TO ATTEND AN APPROVED SCHOOL OF PHYSICAL THERAPY AFTER I FINISHED HIGH SCHOOL AND THEN PASS A STATE EXAMINATION!

I WONDER WHAT'S INSIDE A RADIOLOGY LAB....

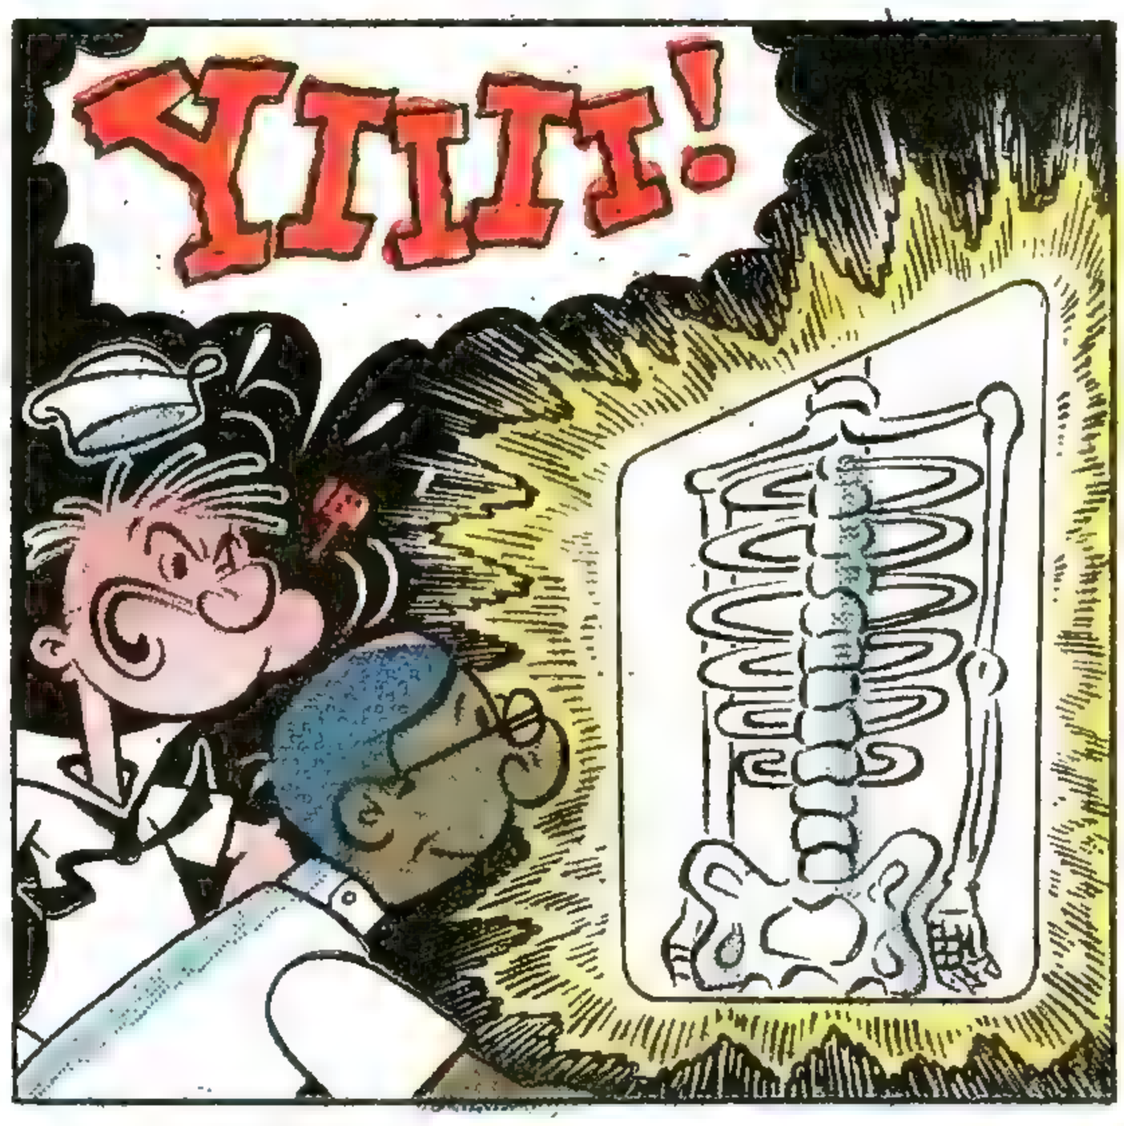
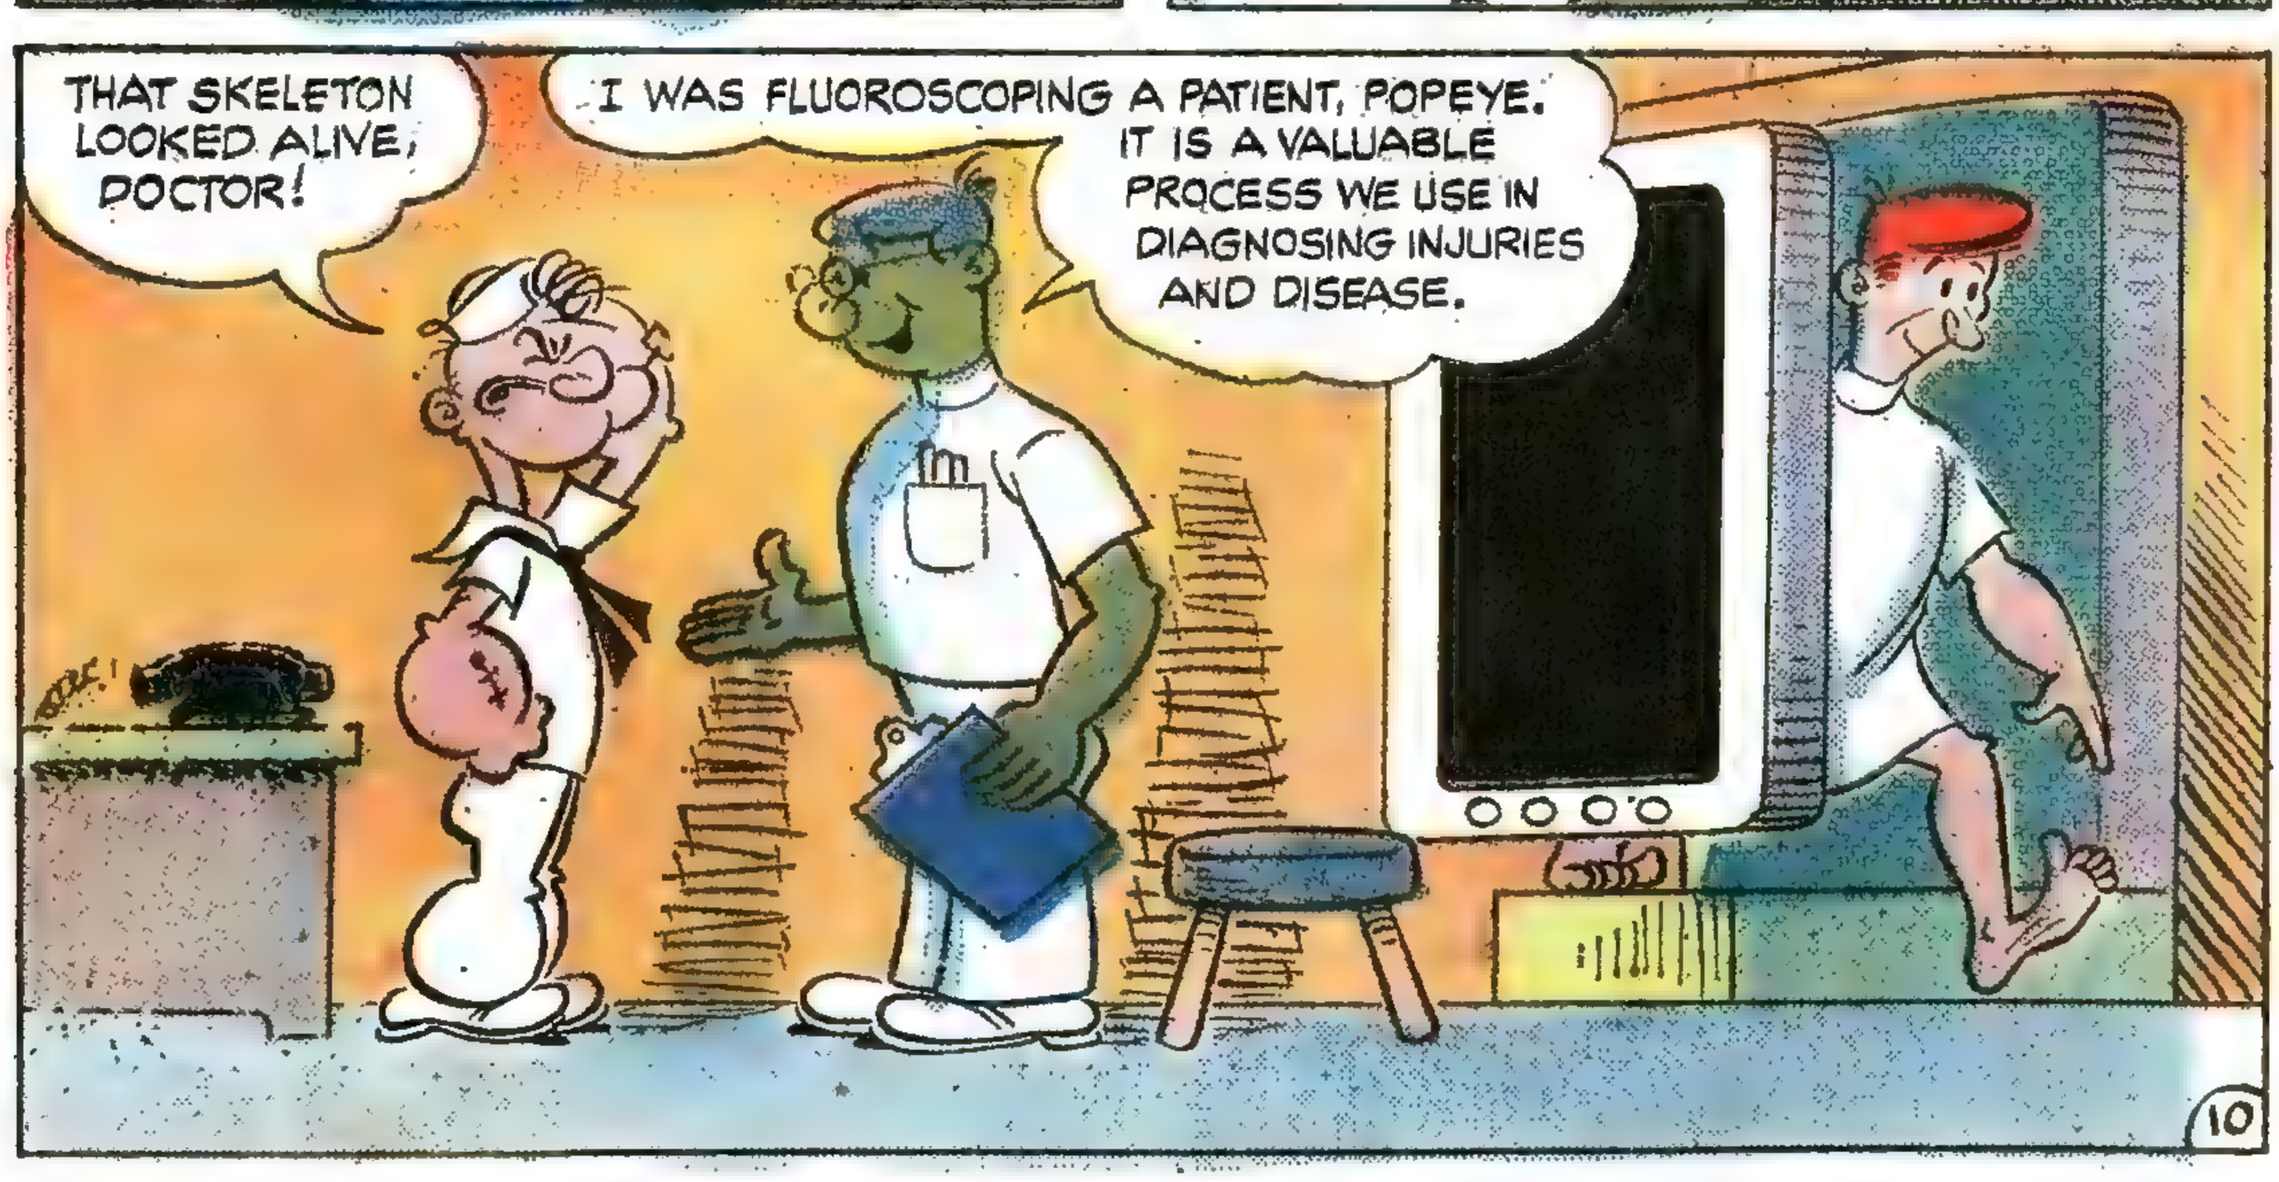
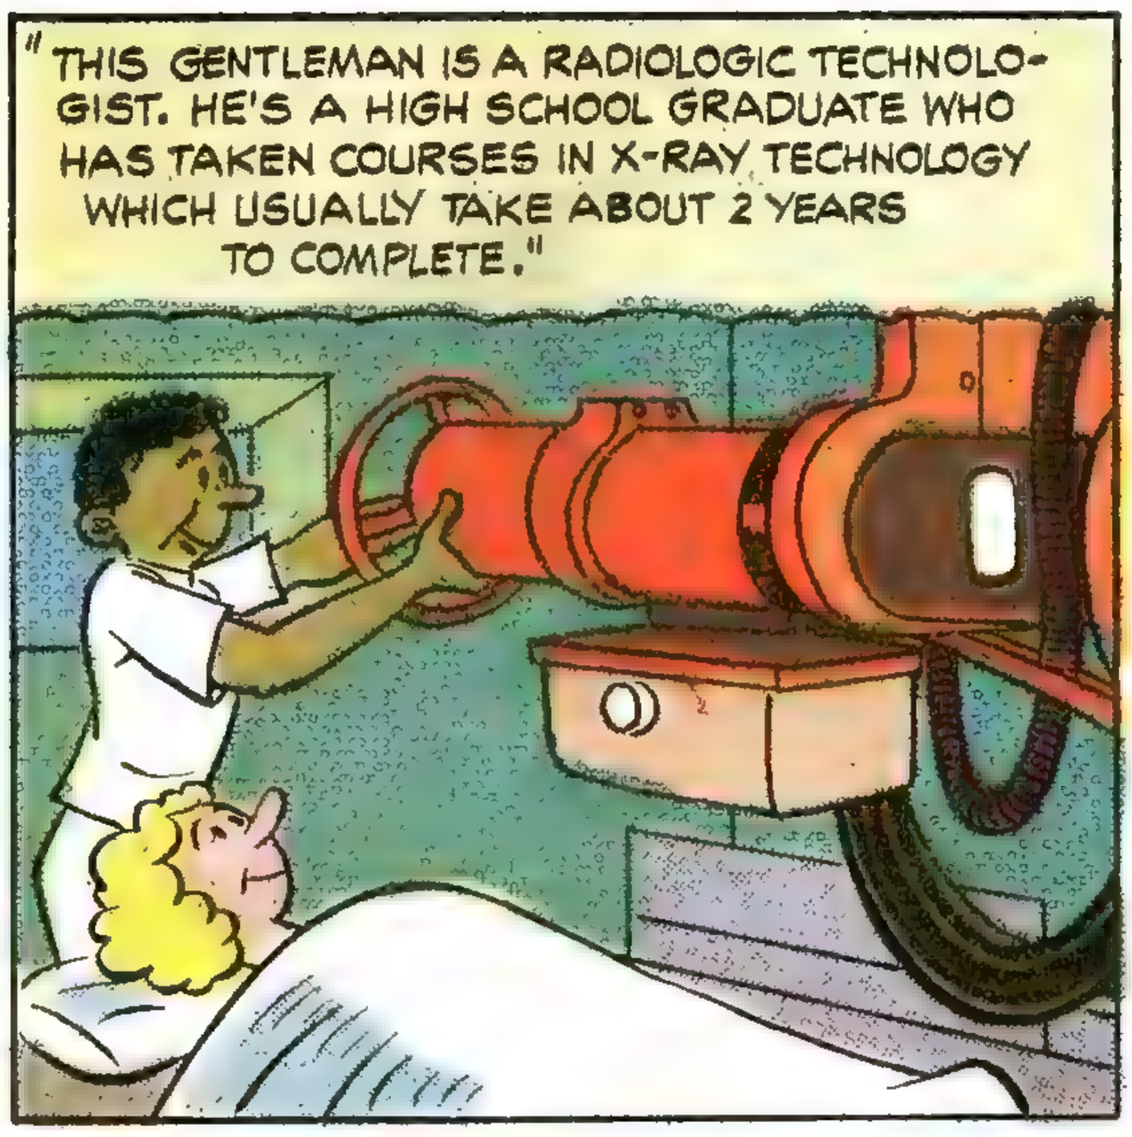
IT'S DARK IN HERE!
TAKE A DEEP BREATH! HOLD IT!



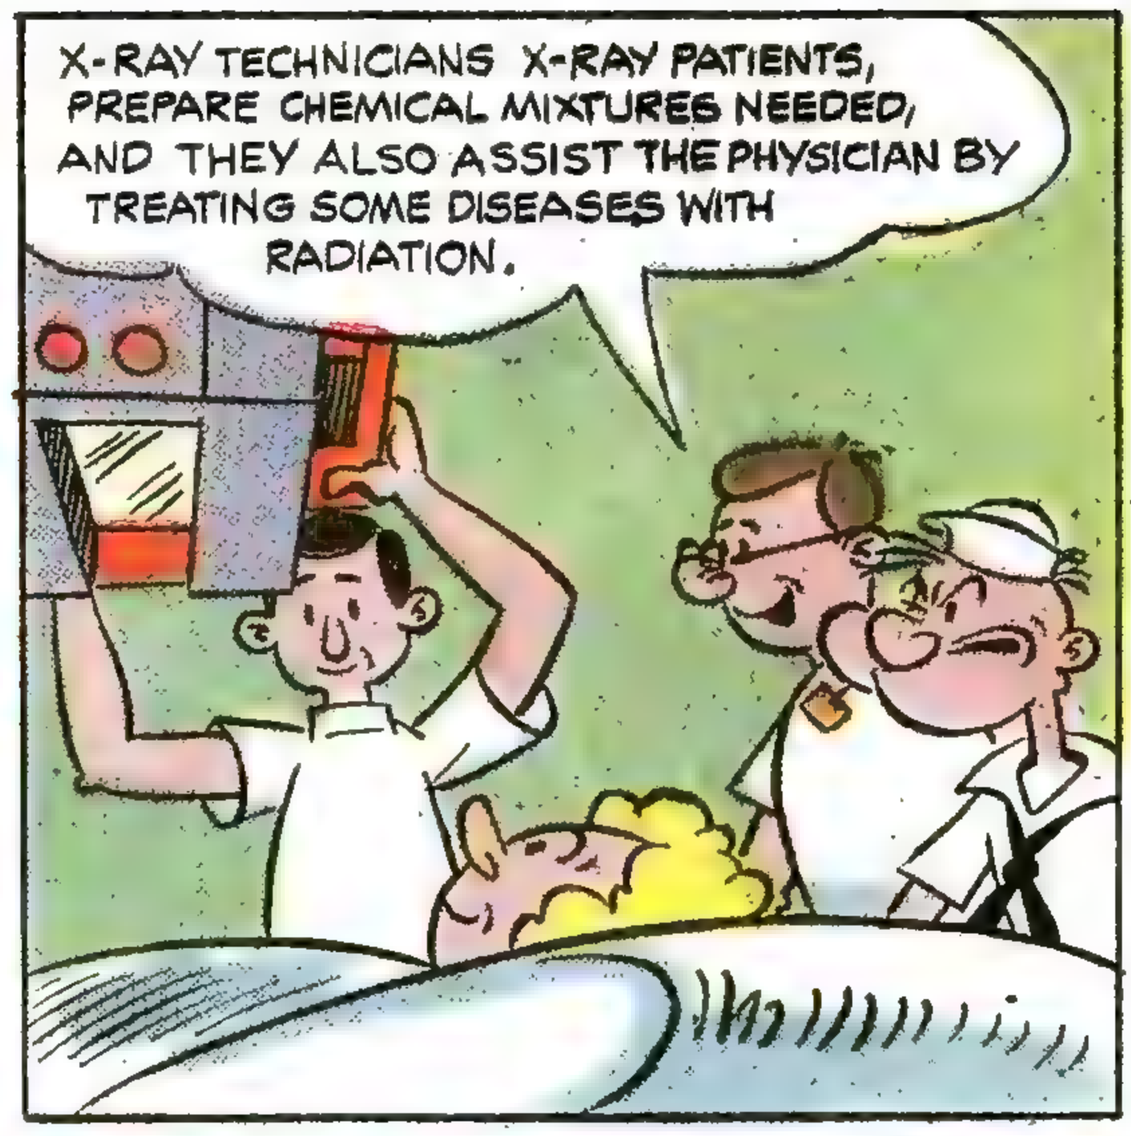
YIIII!



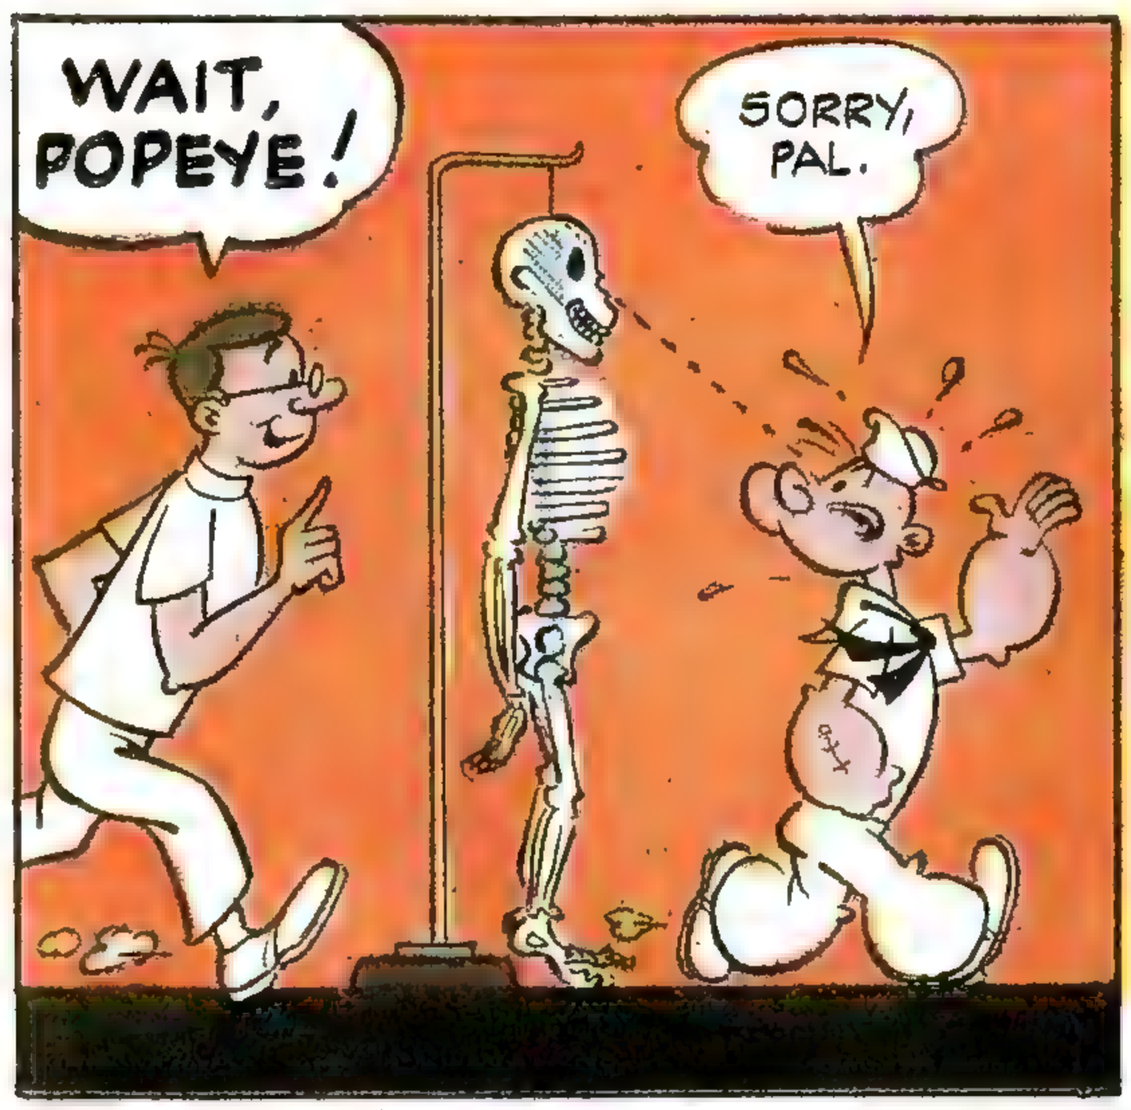
THAT SKELETON LOOKED ALIVE, DOCTOR!
I WAS FLUOROSCOPING A PATIENT, POPEYE. IT IS A VALUABLE PROCESS WE USE IN DIAGNOSING INJURIES AND DISEASE.



"THIS GENTLEMAN IS A RADIOLOGIC TECHNOLOGIST. HE'S A HIGH SCHOOL GRADUATE WHO HAS TAKEN COURSES IN X-RAY TECHNOLOGY WHICH USUALLY TAKE ABOUT 2 YEARS TO COMPLETE."



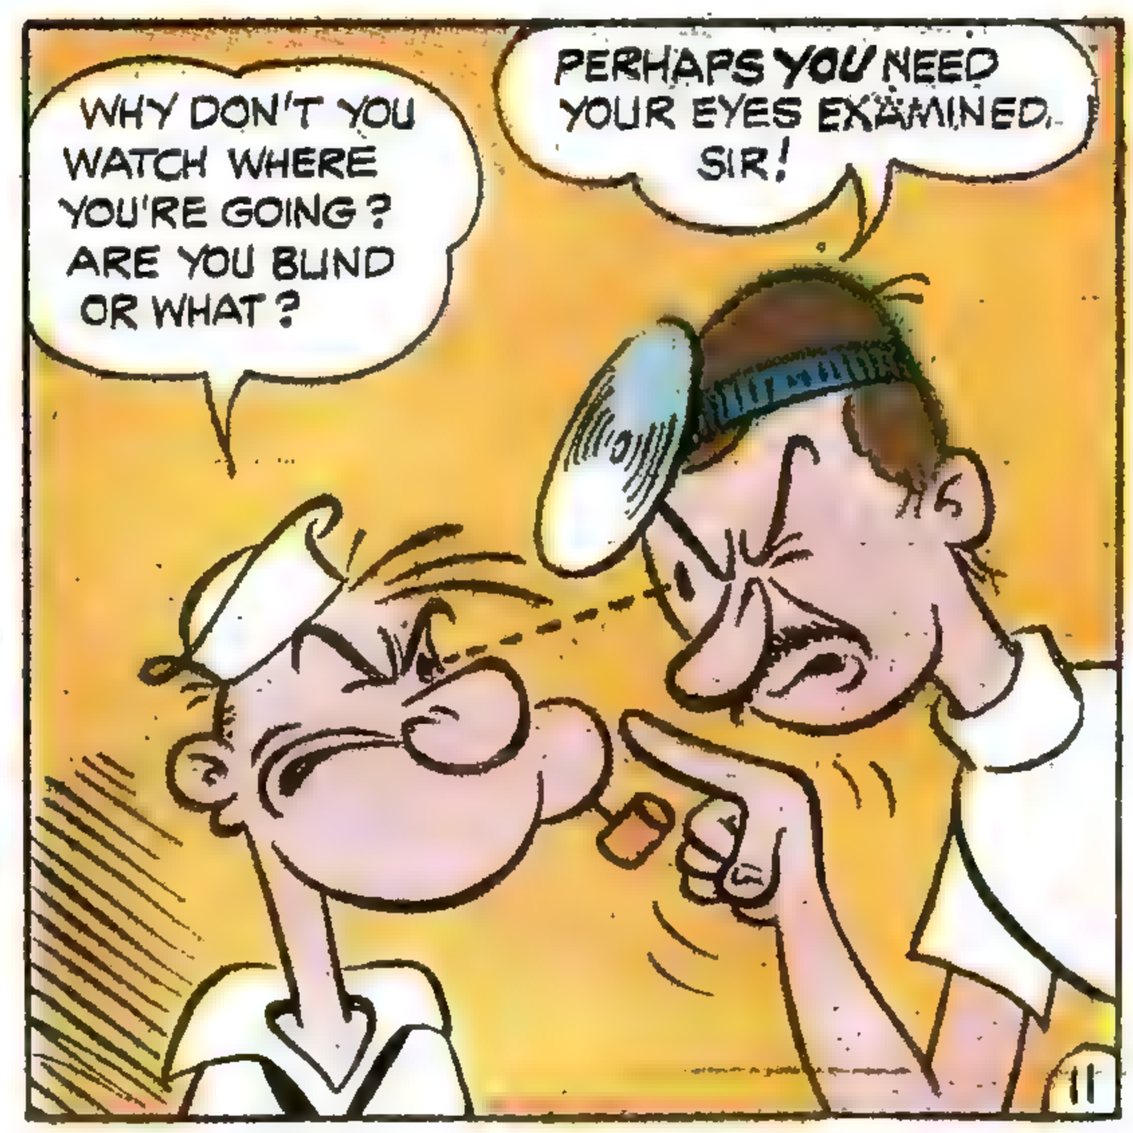
X-RAY TECHNICIANS X-RAY PATIENTS, PREPARE CHEMICAL MIXTURES NEEDED, AND THEY ALSO ASSIST THE PHYSICIAN BY TREATING SOME DISEASES WITH RADIATION.



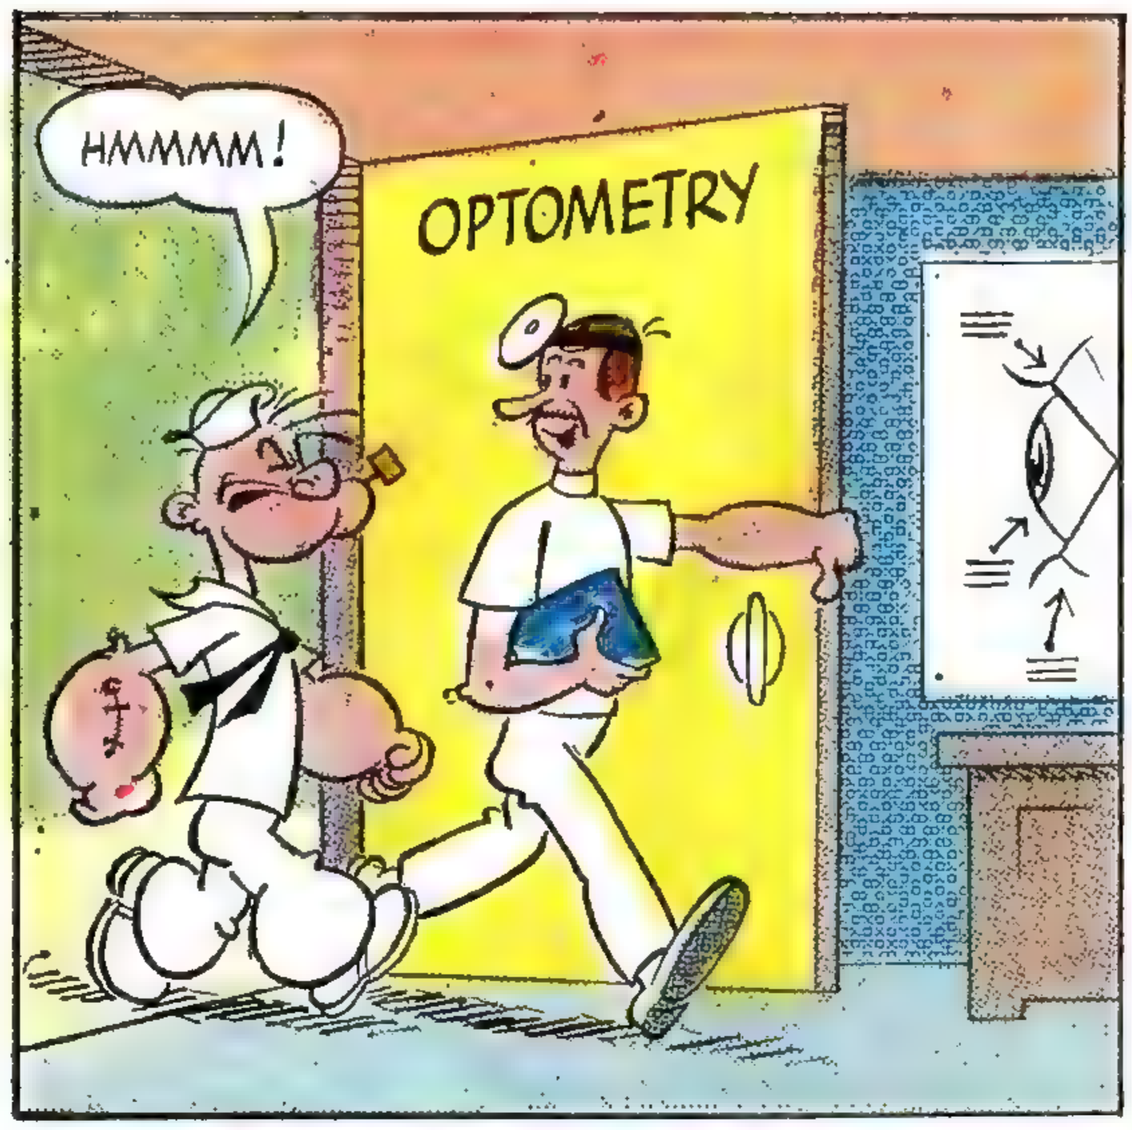
WAIT, POPEYE!
SORRY, PAL.

THAT'S SPOOKY!

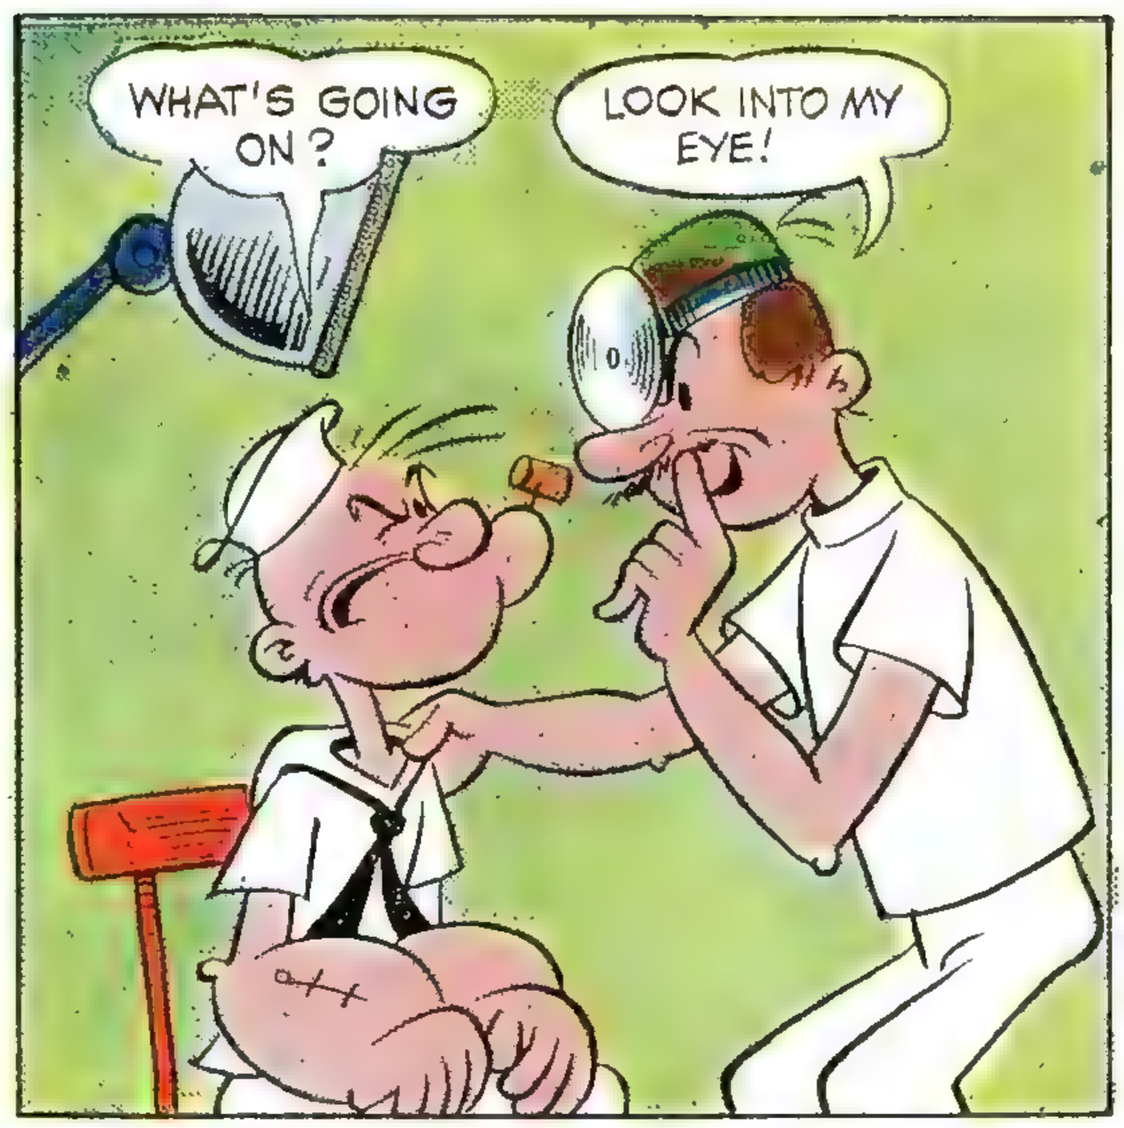
BOINK!



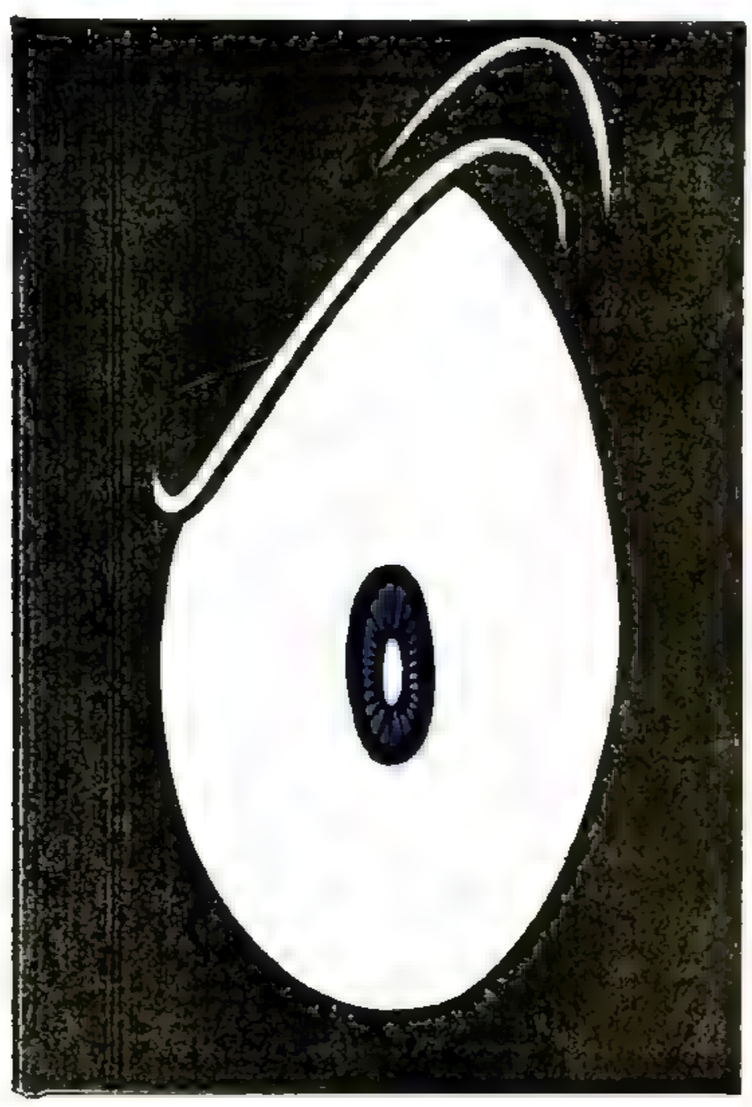
WHY DON'T YOU WATCH WHERE YOU'RE GOING? ARE YOU BLIND OR WHAT?
PERHAPS YOU NEED YOUR EYES EXAMINED, SIR!

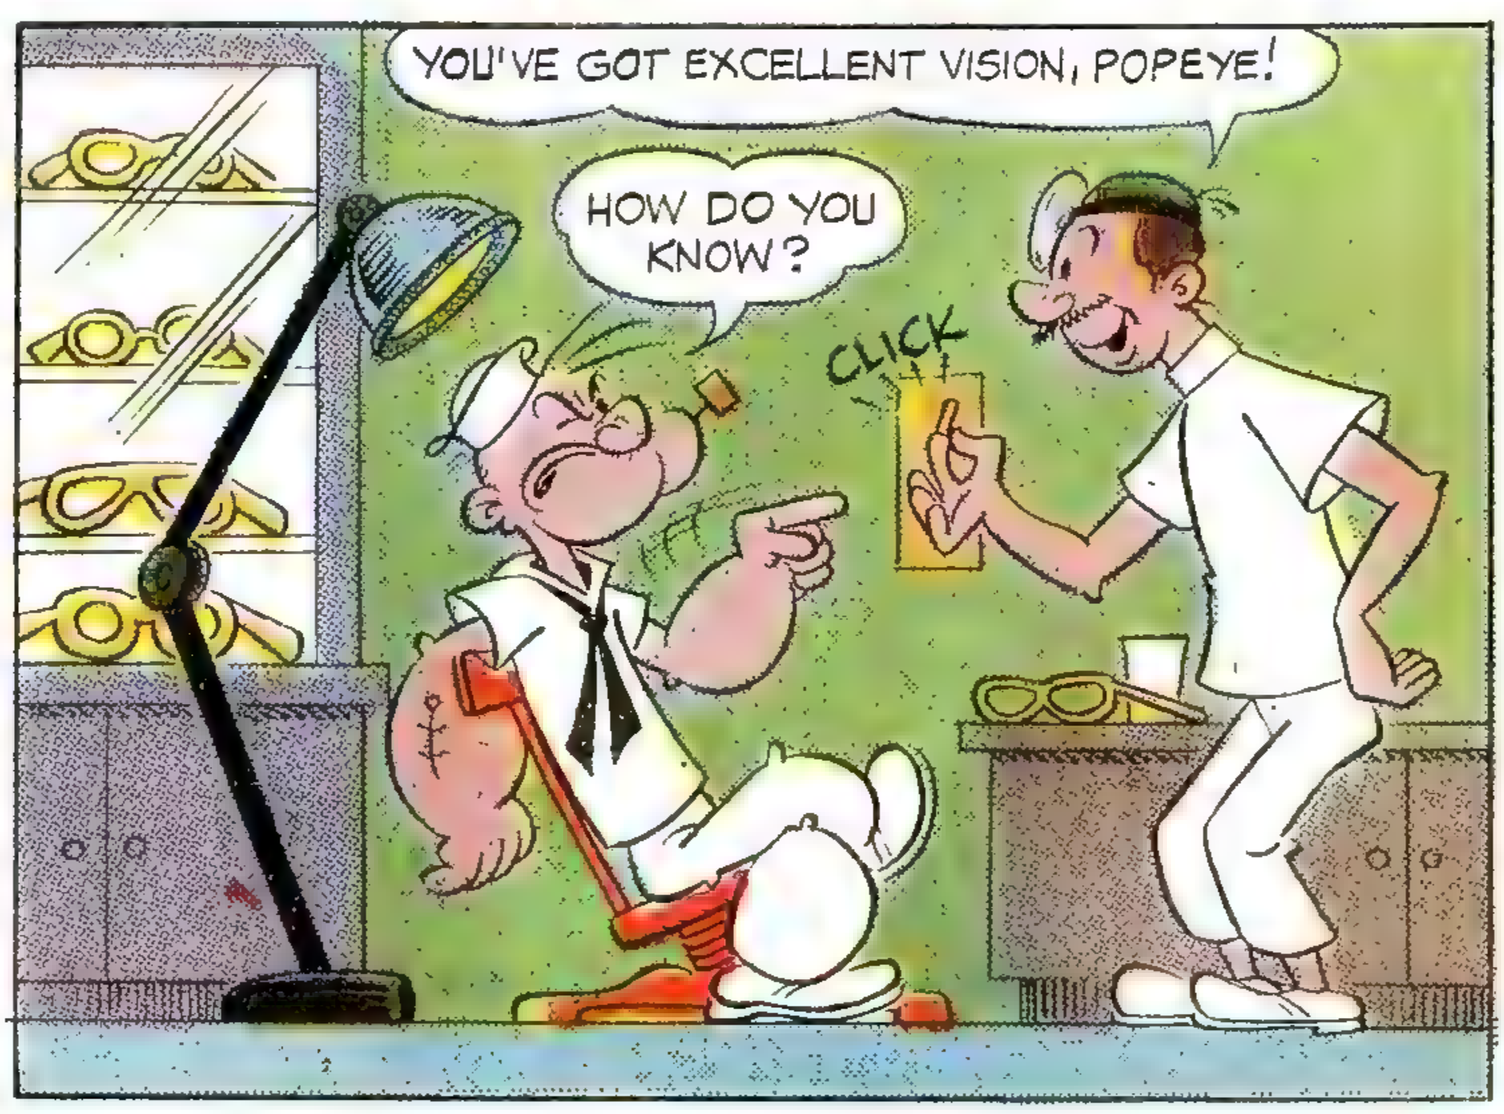


HMMMM!
OPTOMETRY



WHAT'S GOING ON?
LOOK INTO MY EYE!





YOU'VE GOT EXCELLENT VISION, POPEYE!
HOW DO YOU KNOW?

I'M AN OPTOMETRIC ASSISTANT, POPEYE! I'M A HIGH SCHOOL GRADUATE, I TOOK A TWO YEAR COURSE IN OPTOMETRY AT COMMUNITY COLLEGE AND HAVE AN ASSOCIATE DEGREE.

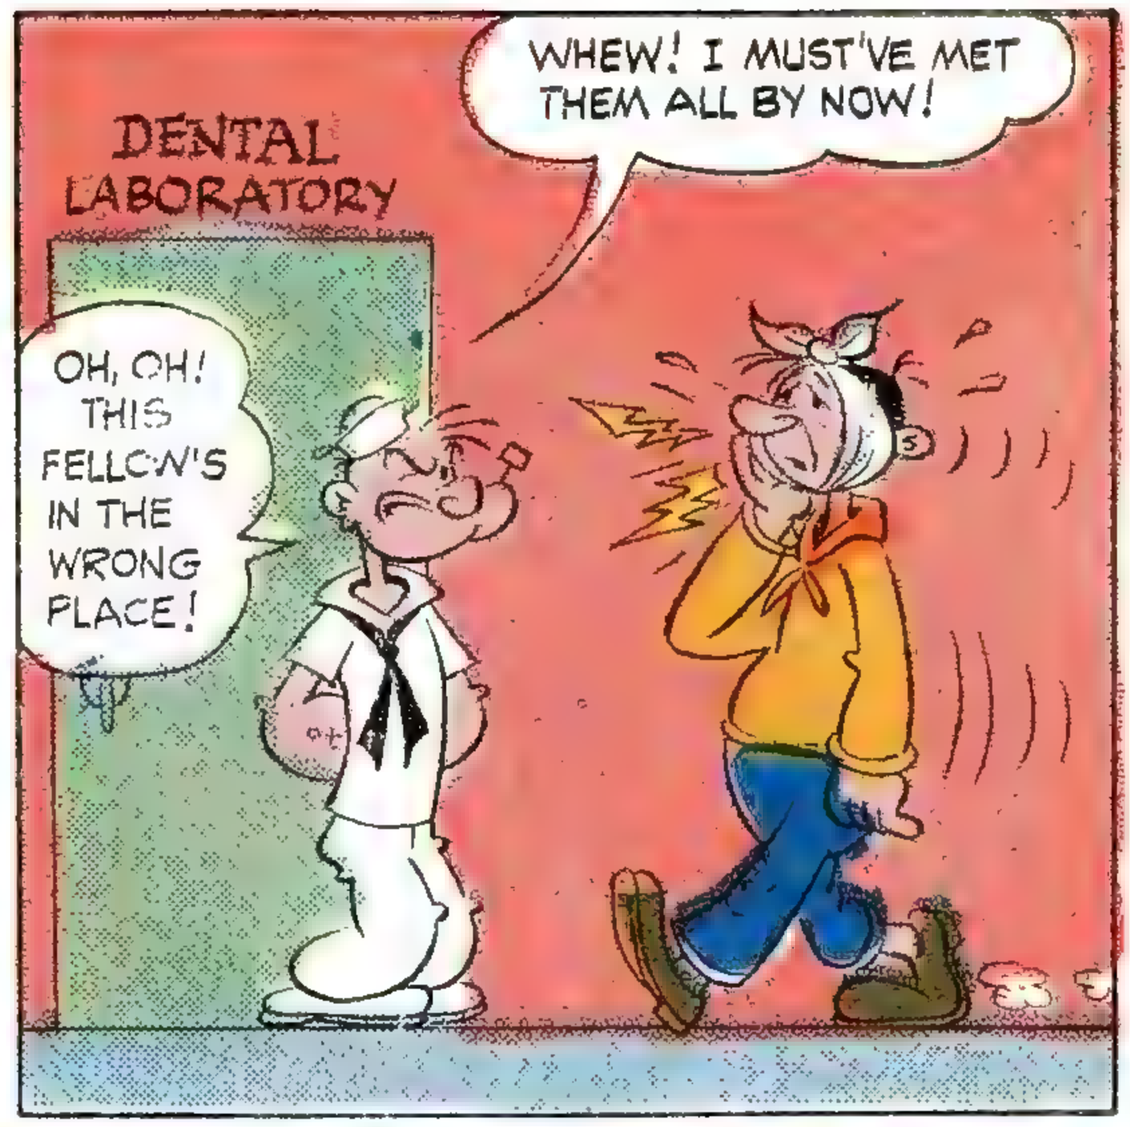
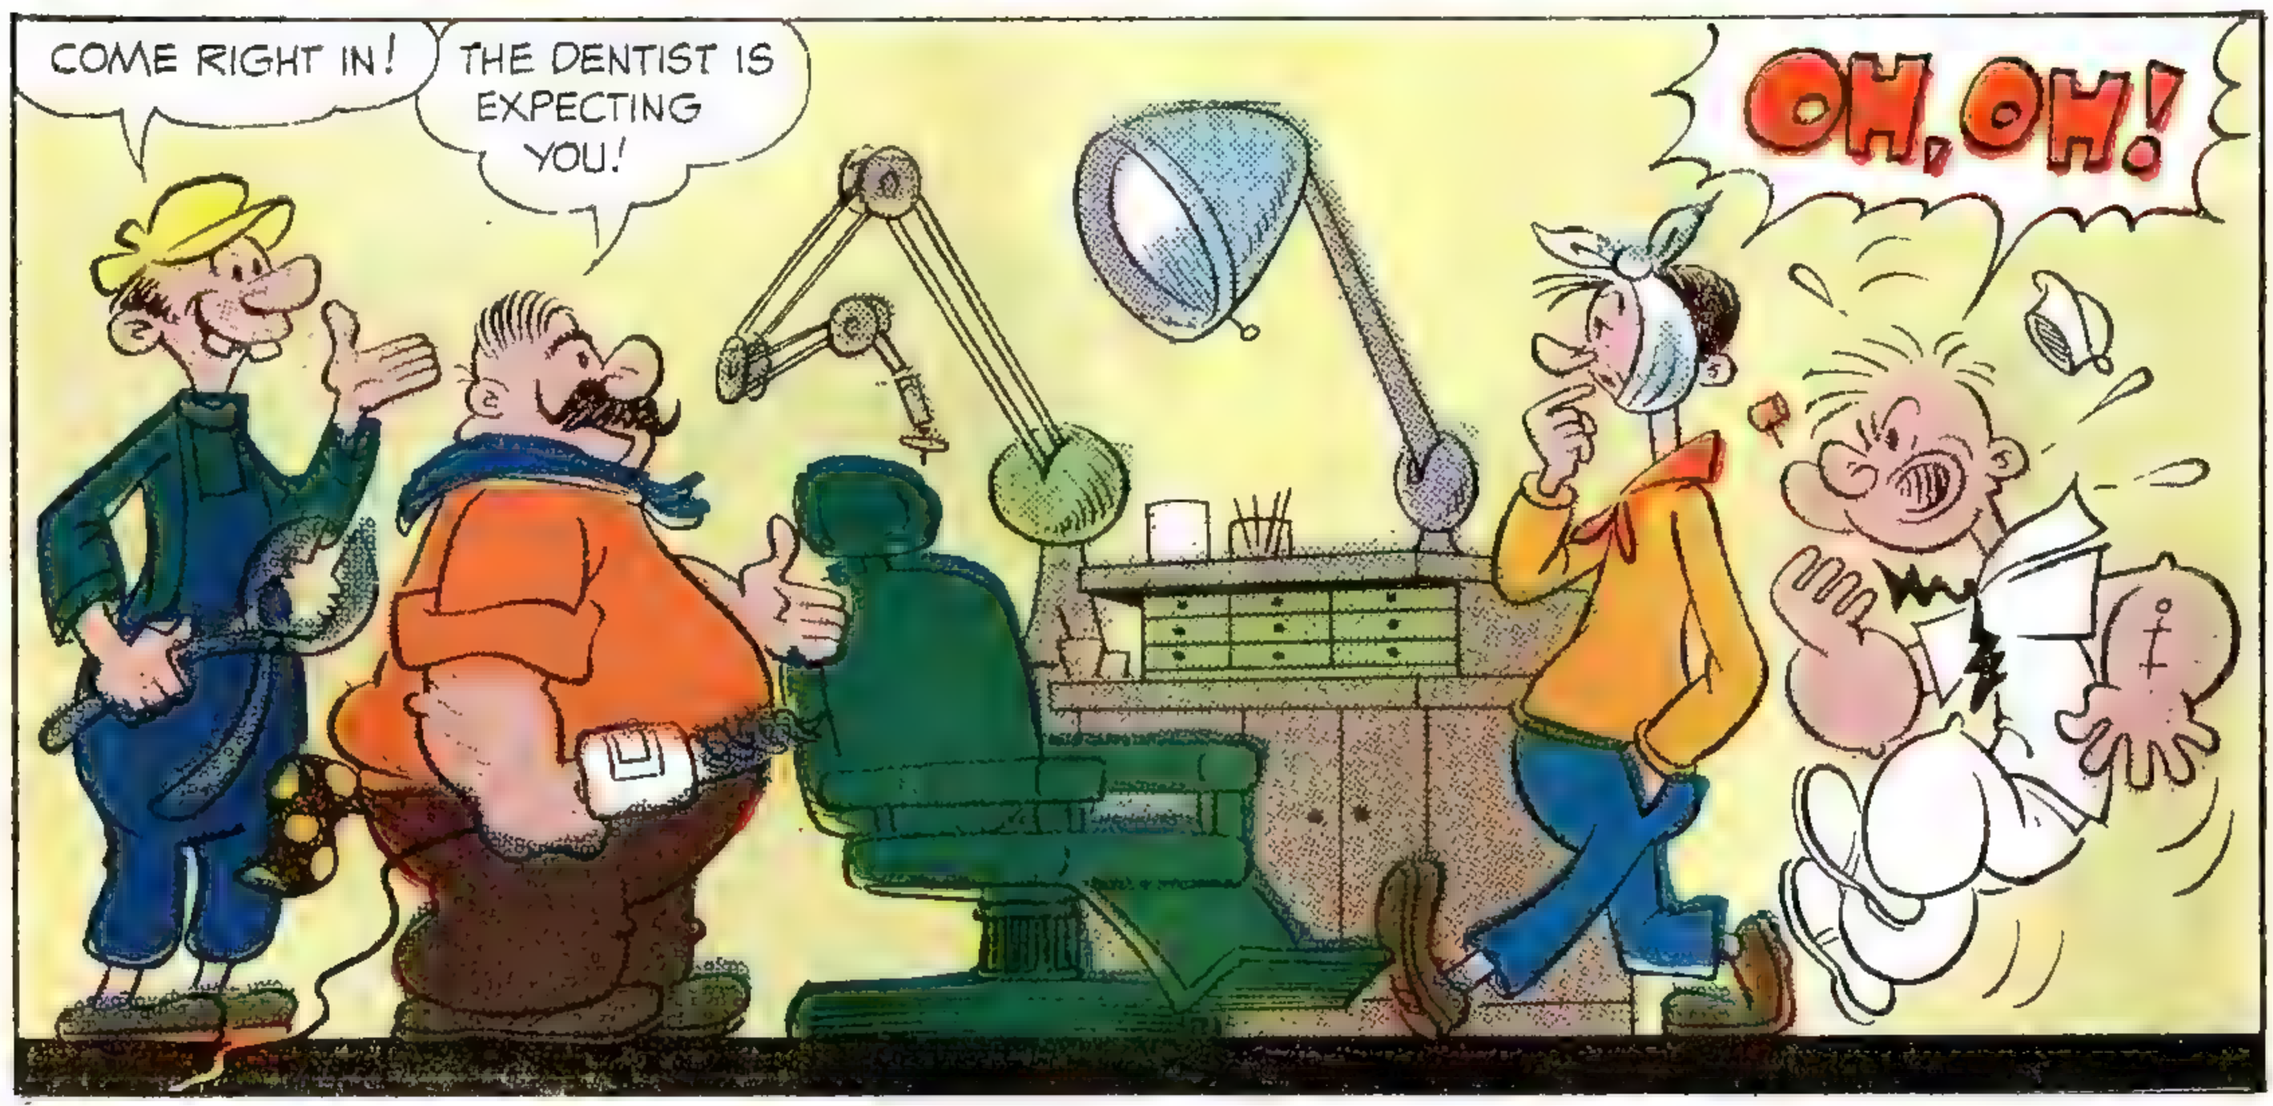
I PREPARE PATIENTS FOR EYE EXAMINATIONS, TEST EYESIGHT, EYEBALL PRESSURE; TEST FOR COLOR BLINDNESS, CHECK PUPILLARY DISTANCE AND BRIDGE WIDTH AND A LOT OF OTHER THINGS. I FIT EYE-GLASSES AND ADJUST FRAMES AND LENSES.

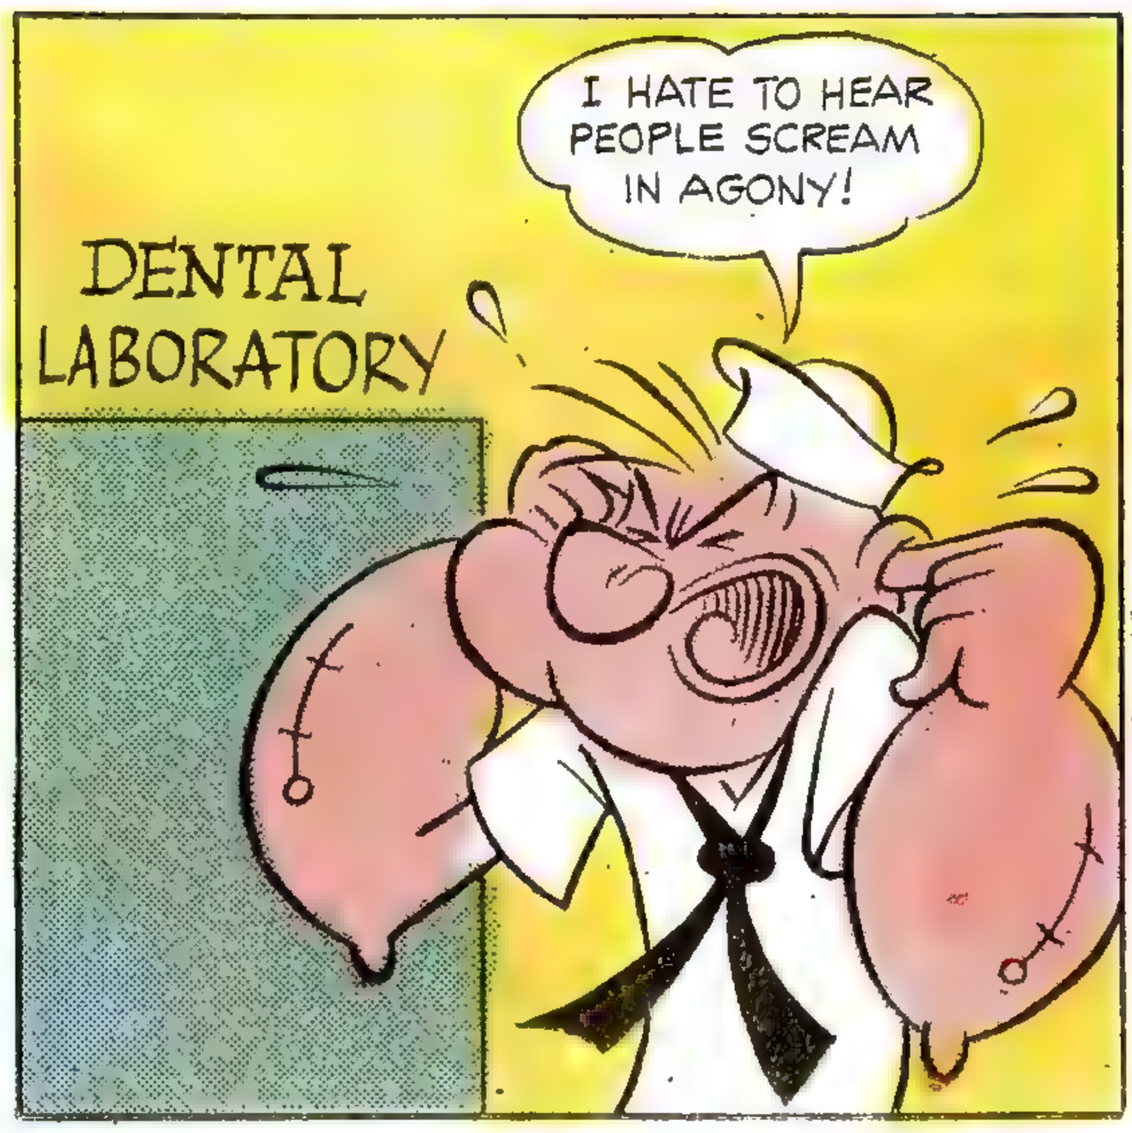
COME BACK!



DENTAL LABORATORY
OH, OH! THIS FELLOW'S IN THE WRONG PLACE!
WHEW! I MUST'VE MET THEM ALL BY NOW!

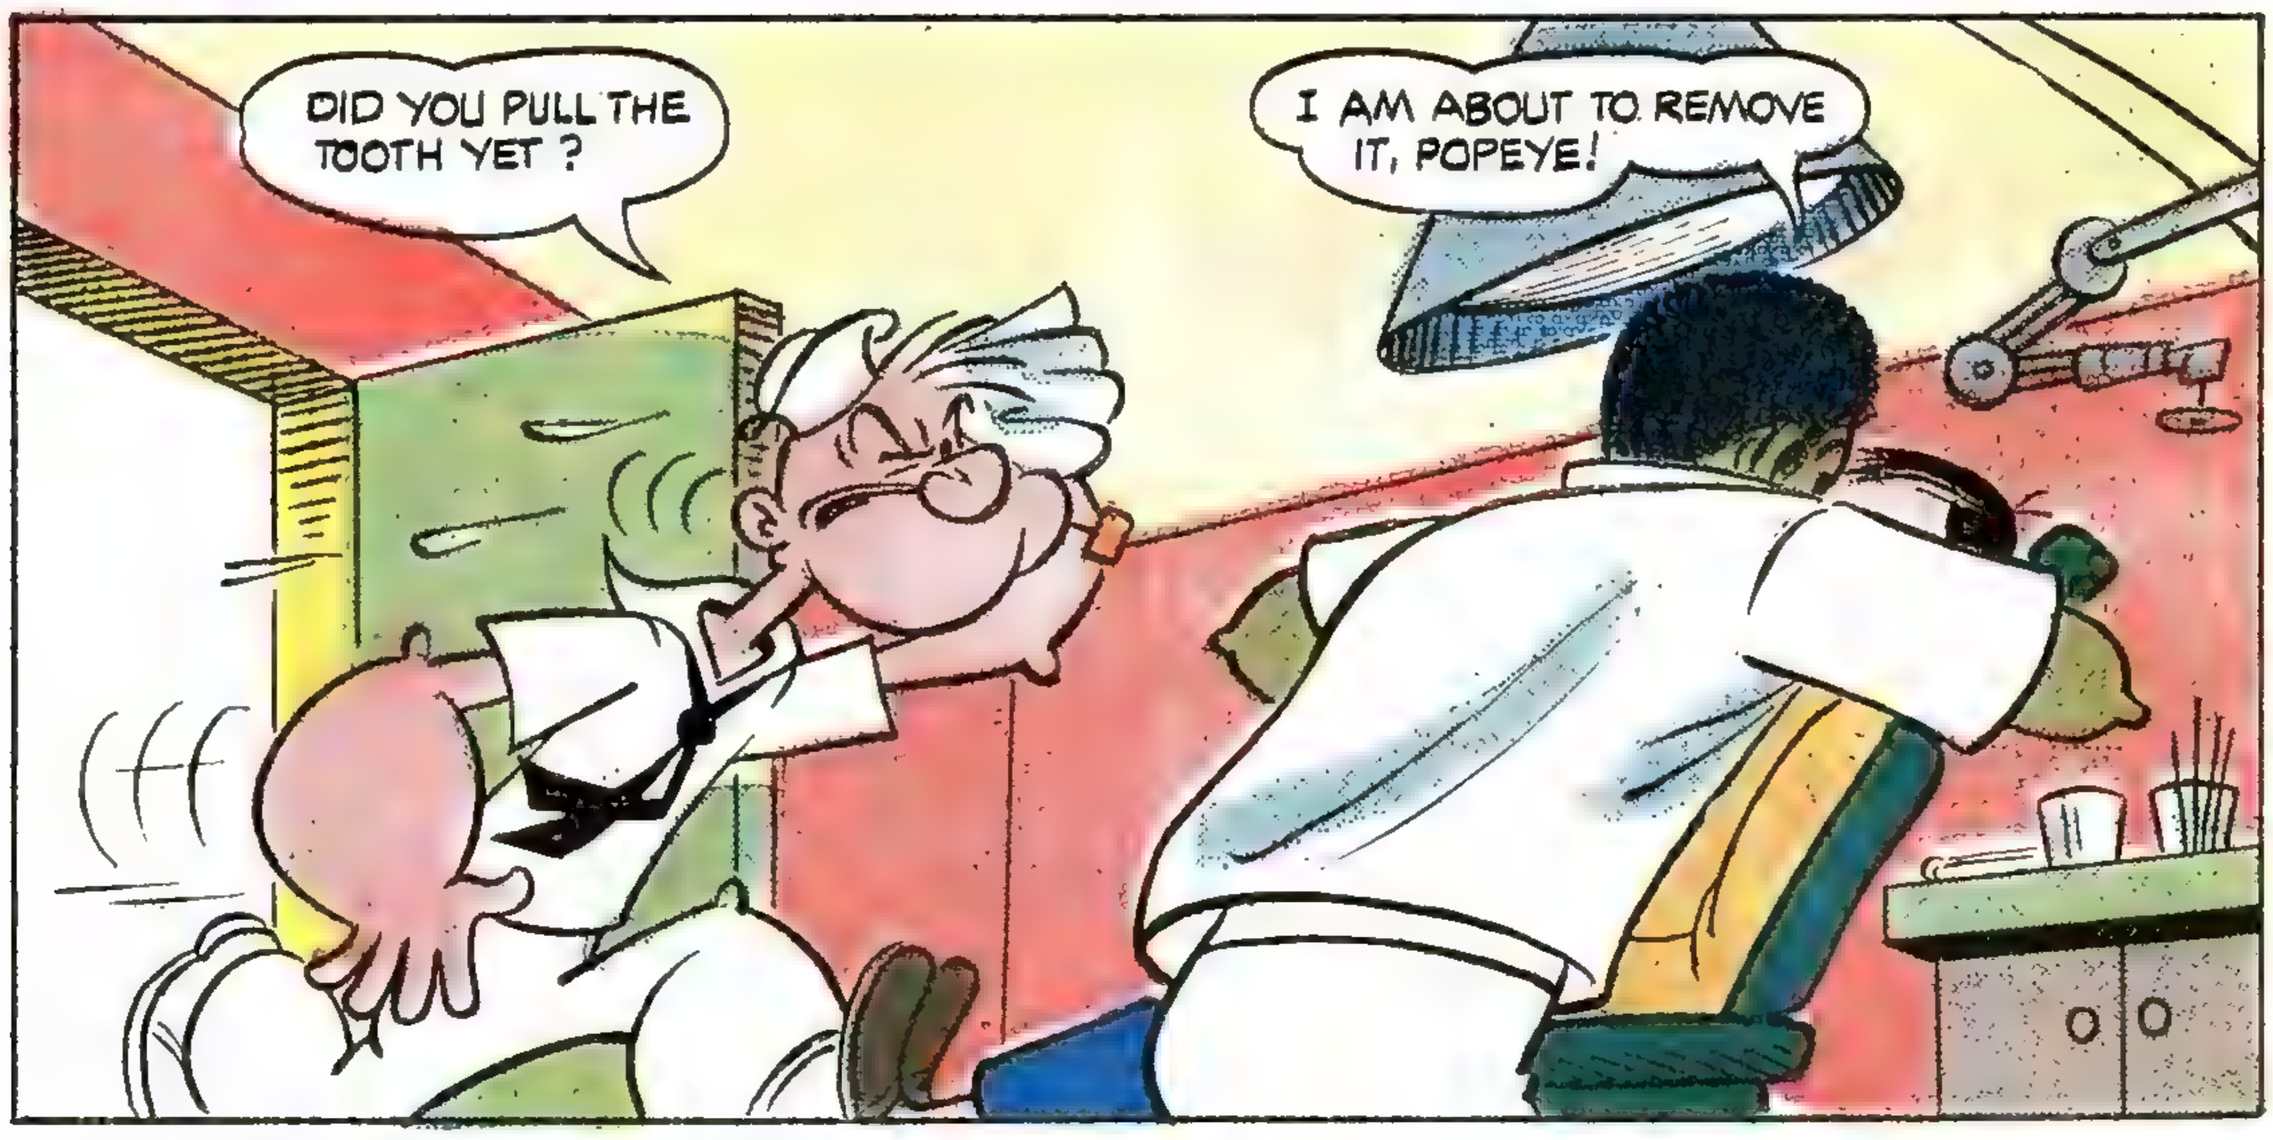


COME RIGHT IN!
THE DENTIST IS EXPECTING YOU!
OH, OH!



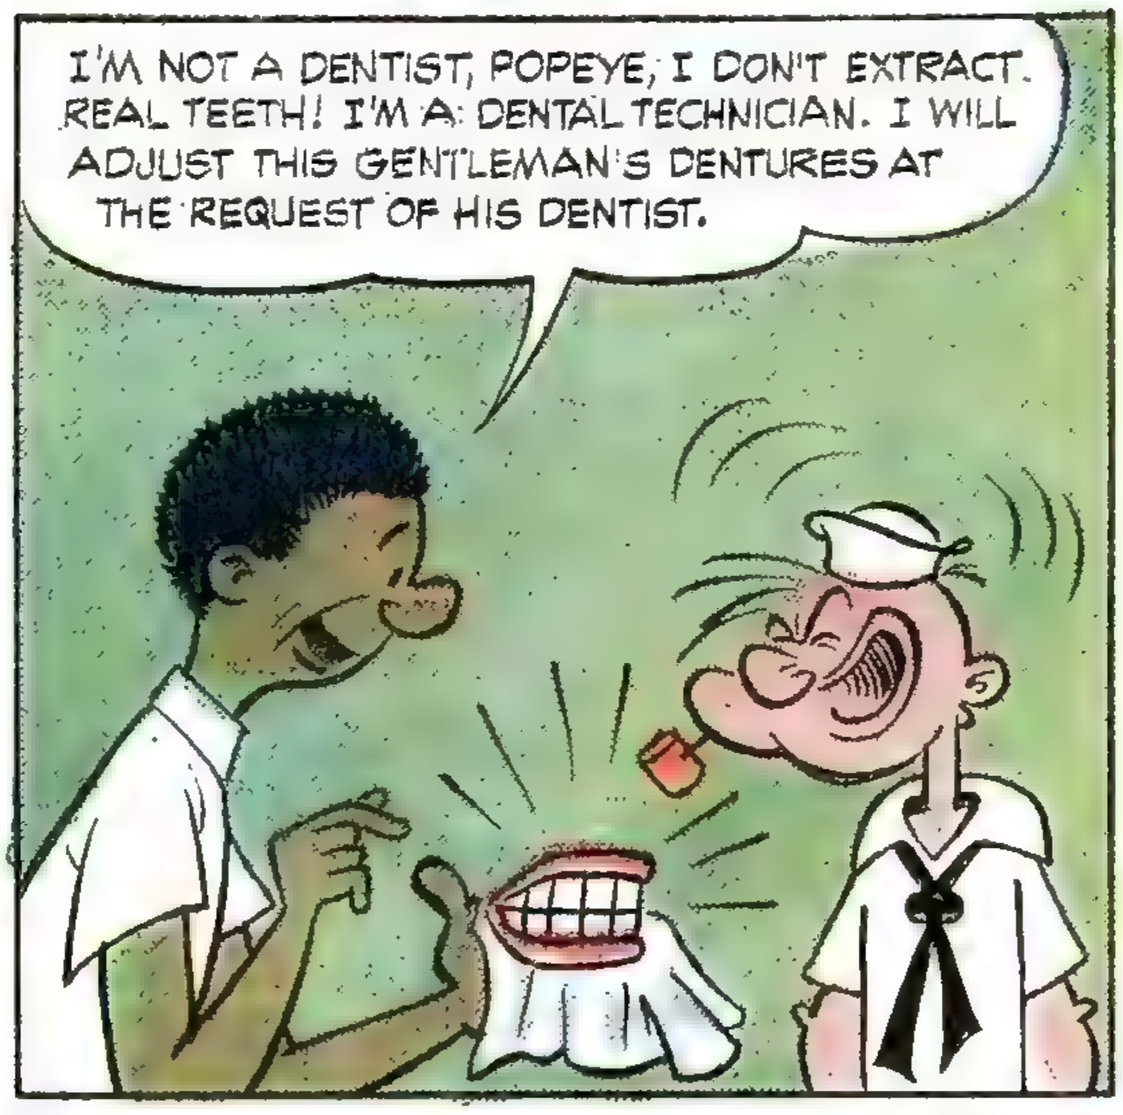
DENTAL LABORATORY
I HATE TO HEAR PEOPLE SCREAM IN AGONY!

TAL ATORY
HE DIDN'T SCREAM YET! MAYBE THESE FELLOWS DON'T HURT PEOPLE WITH TOOTH-ACHES!

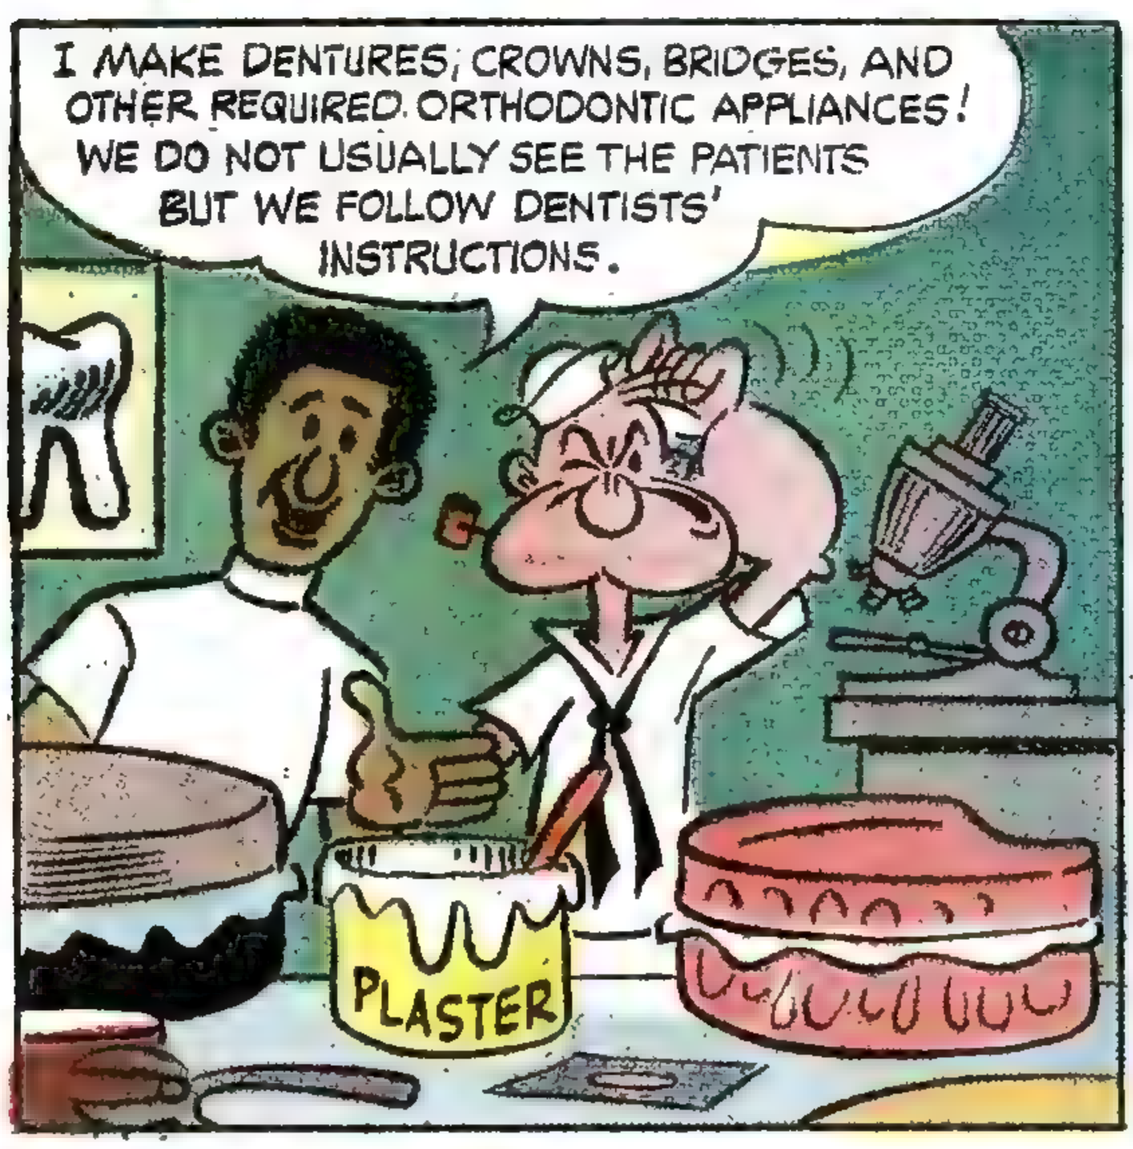


DID YOU PULL THE TOOTH YET ?
I AM ABOUT TO REMOVE IT, POPEYE!

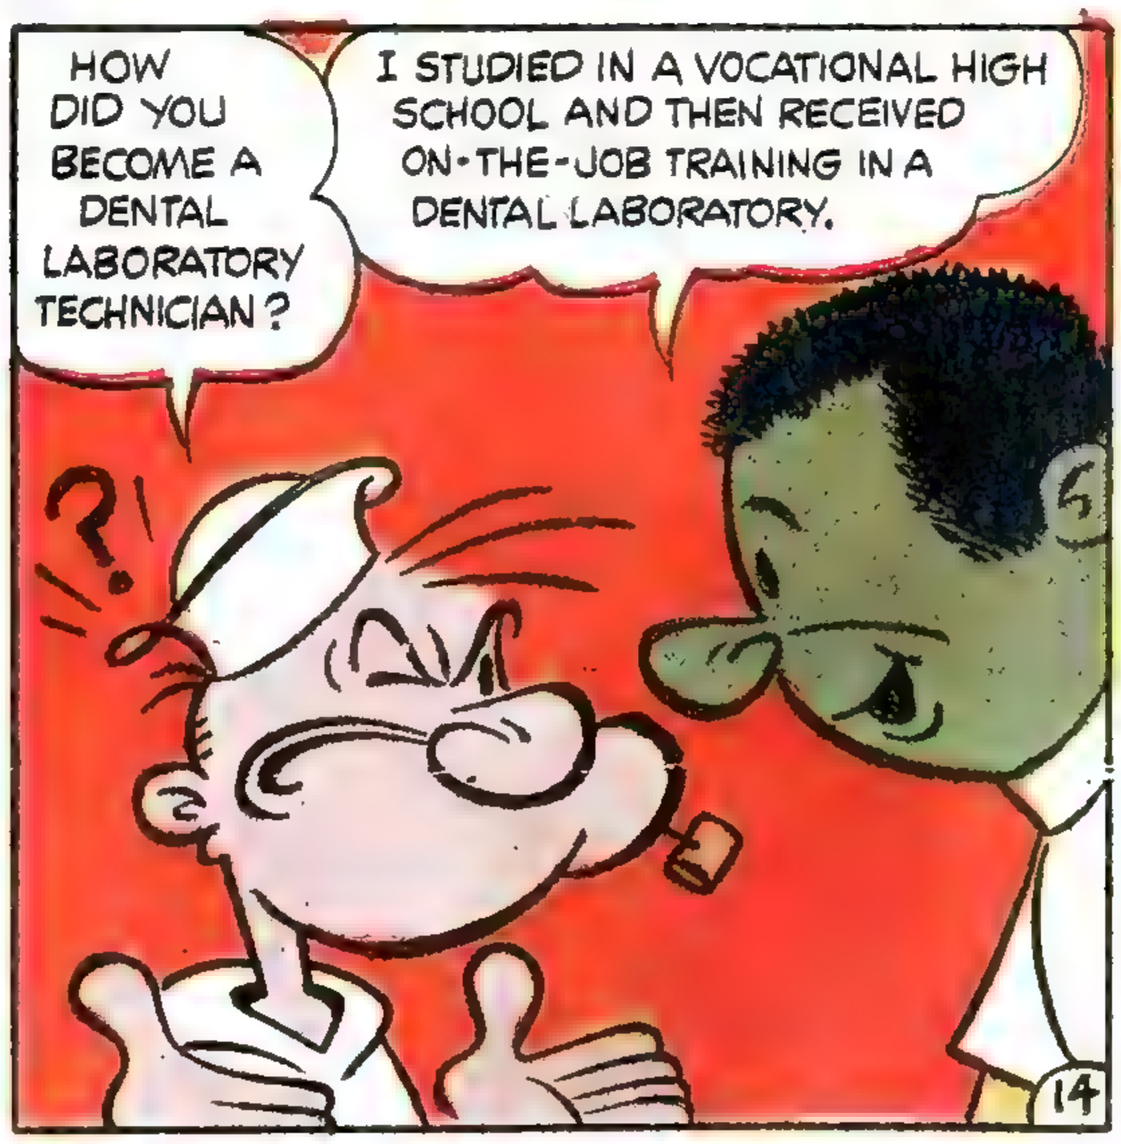
IT DIDN'T HURT A BIT! HEE HEE HEE!
WELL, BLOW ME DOWN! HE PULLED ALL YOUR TEETH!



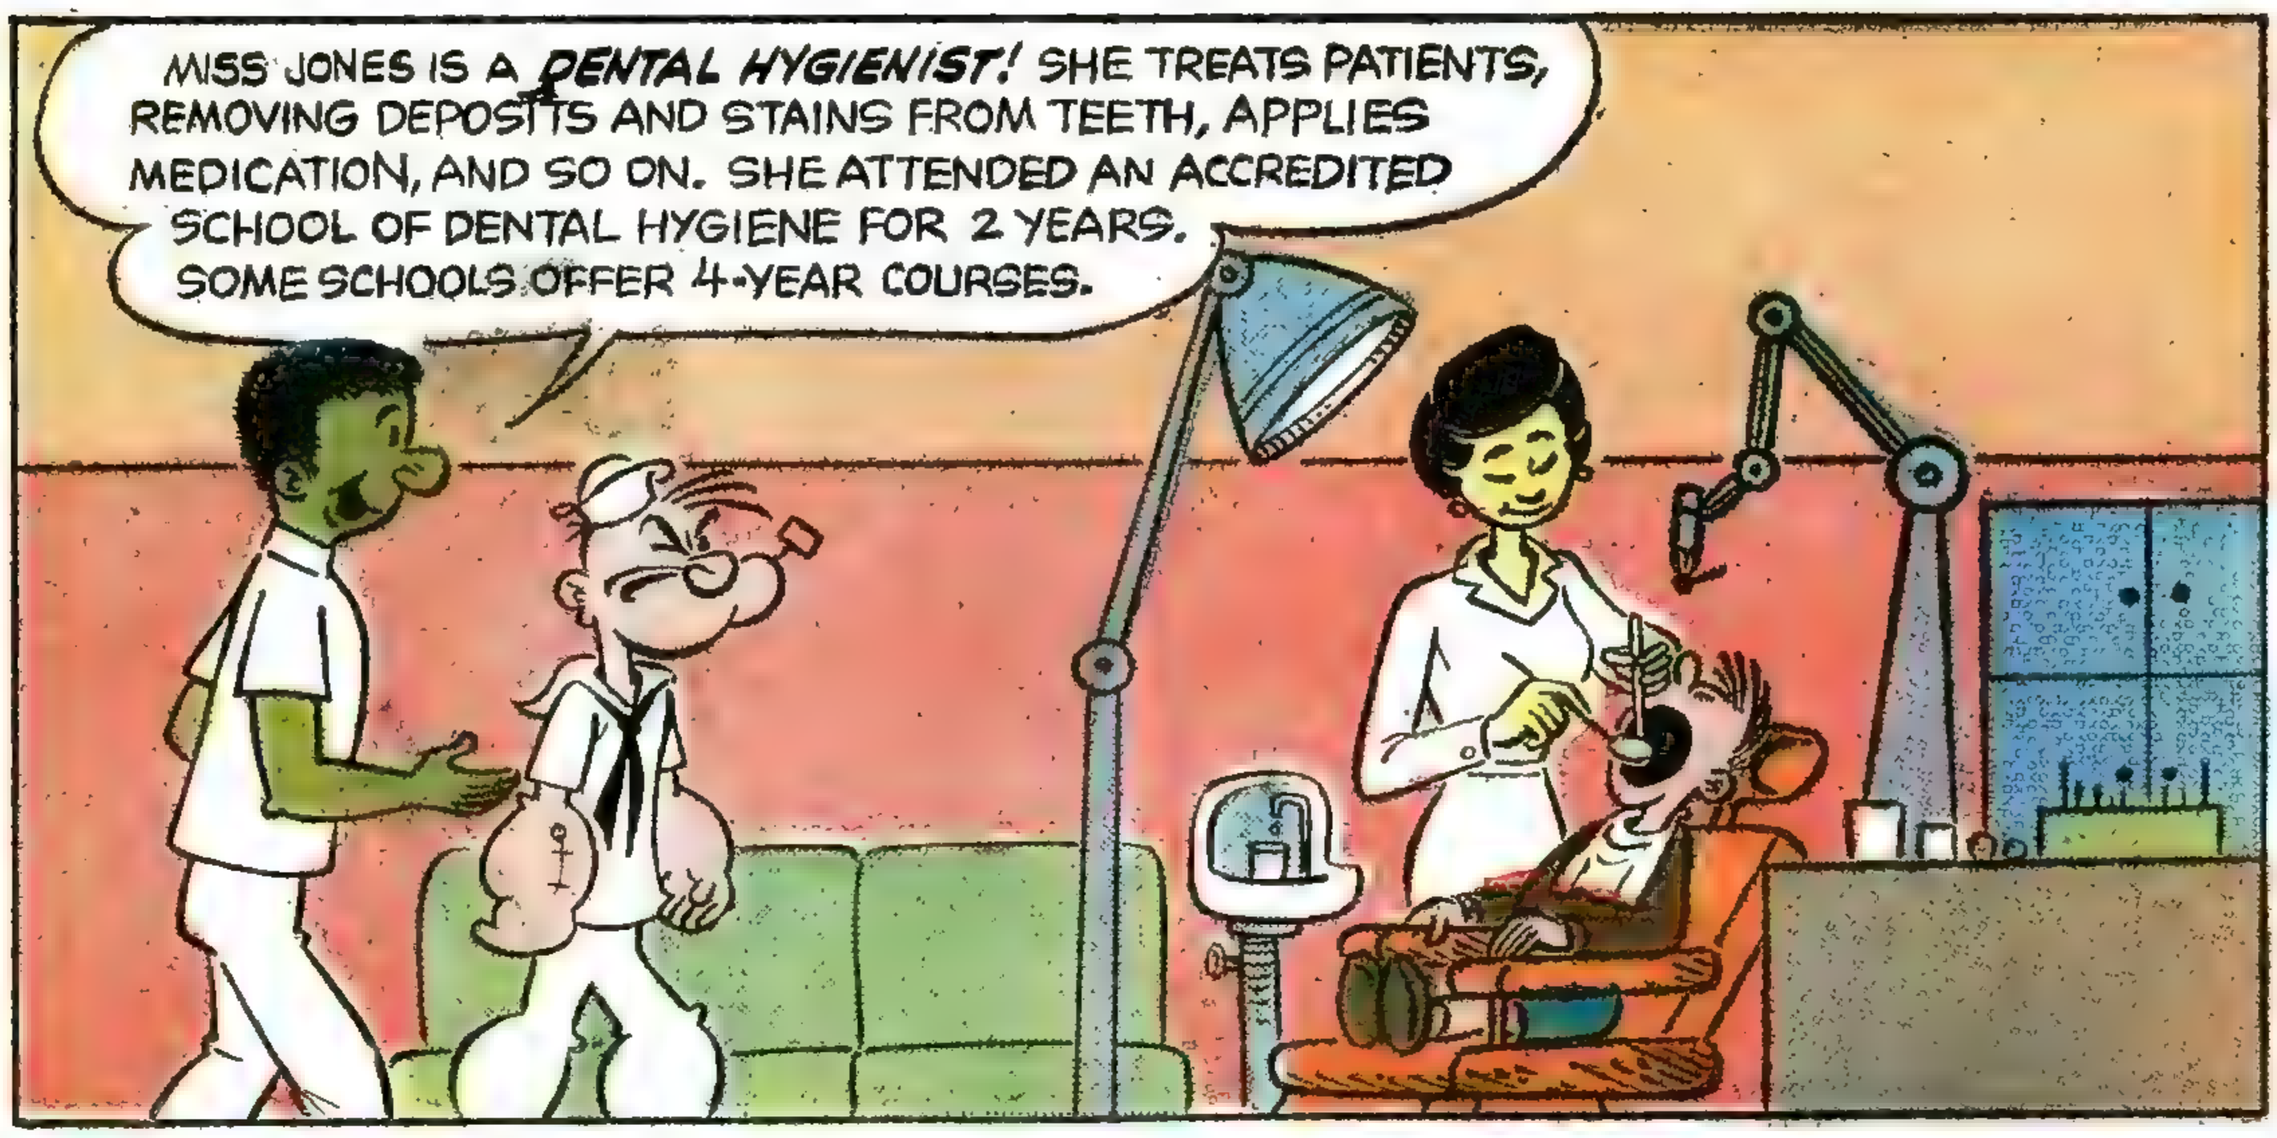
I'M NOT A DENTIST, POPEYE; I DON'T EXTRACT REAL TEETH! I'M A DENTAL TECHNICIAN. I WILL ADJUST THIS GENTLEMAN'S DENTURES AT THE REQUEST OF HIS DENTIST.



I MAKE DENTURES, CROWNS, BRIDGES, AND OTHER REQUIRED ORTHODONTIC APPLIANCES! WE DO NOT USUALLY SEE THE PATIENTS BUT WE FOLLOW DENTISTS' INSTRUCTIONS.
PLASTER



HOW DID YOU BECOME A DENTAL LABORATORY TECHNICIAN ?
I STUDIED IN A VOCATIONAL HIGH SCHOOL AND THEN RECEIVED ON-THE-JOB TRAINING IN A DENTAL LABORATORY.
?!

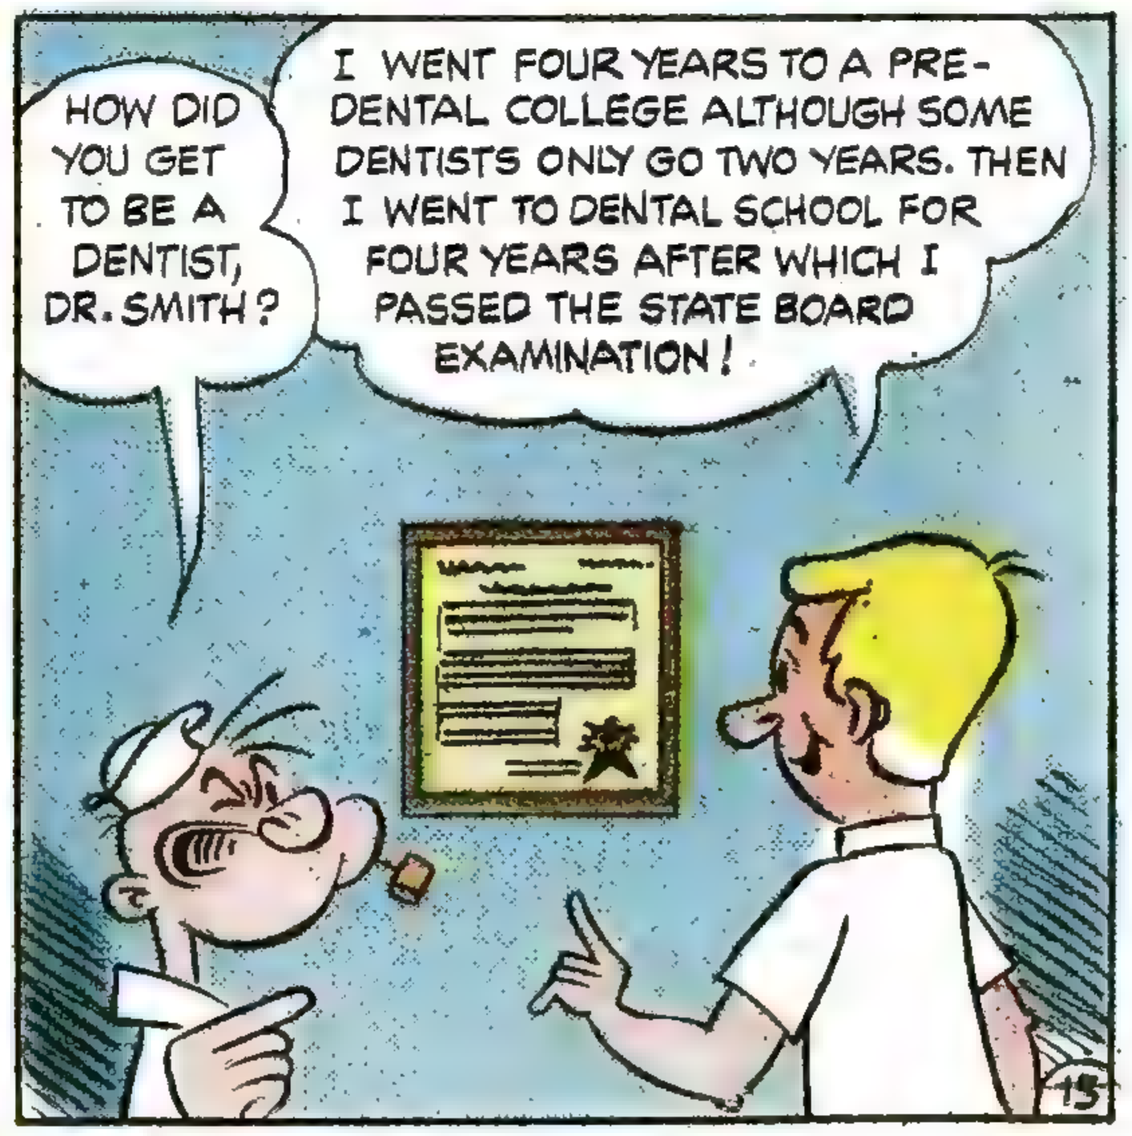


MISS JONES IS A DENTAL HYGIENIST! SHE TREATS PATIENTS, REMOVING DEPOSITS AND STAINS FROM TEETH, APPLIES MEDICATION, AND SO ON. SHE ATTENDED AN ACCREDITED SCHOOL OF DENTAL HYGIENE FOR 2 YEARS. SOME SCHOOLS OFFER 4-YEAR COURSES.

WHAT IF SOMEONE GETS A TOOTHACHE?
THEN DR. SMITH, OUR DENTIST, GOES TO WORK!

ARE YOU GOING TO PULL HIS TOOTH, DOCTOR?
AH, POPEYE! YOU'VE GOT OLD-FASHIONED IDEAS ABOUT DENTISTS! WE DON'T HURT NEARLY AS MUCH AS WE USED TO!

LITTLE HERBIE WILL TELL YOU I NEVER HURT AT ALL, WON'T YOU, HERBIE?
I NEVER FELT A THING!



HOW DID YOU GET TO BE A DENTIST, DR. SMITH?
I WENT FOUR YEARS TO A PRE-DENTAL COLLEGE ALTHOUGH SOME DENTISTS ONLY GO TWO YEARS. THEN I WENT TO DENTAL SCHOOL FOR FOUR YEARS AFTER WHICH I PASSED THE STATE BOARD EXAMINATION!

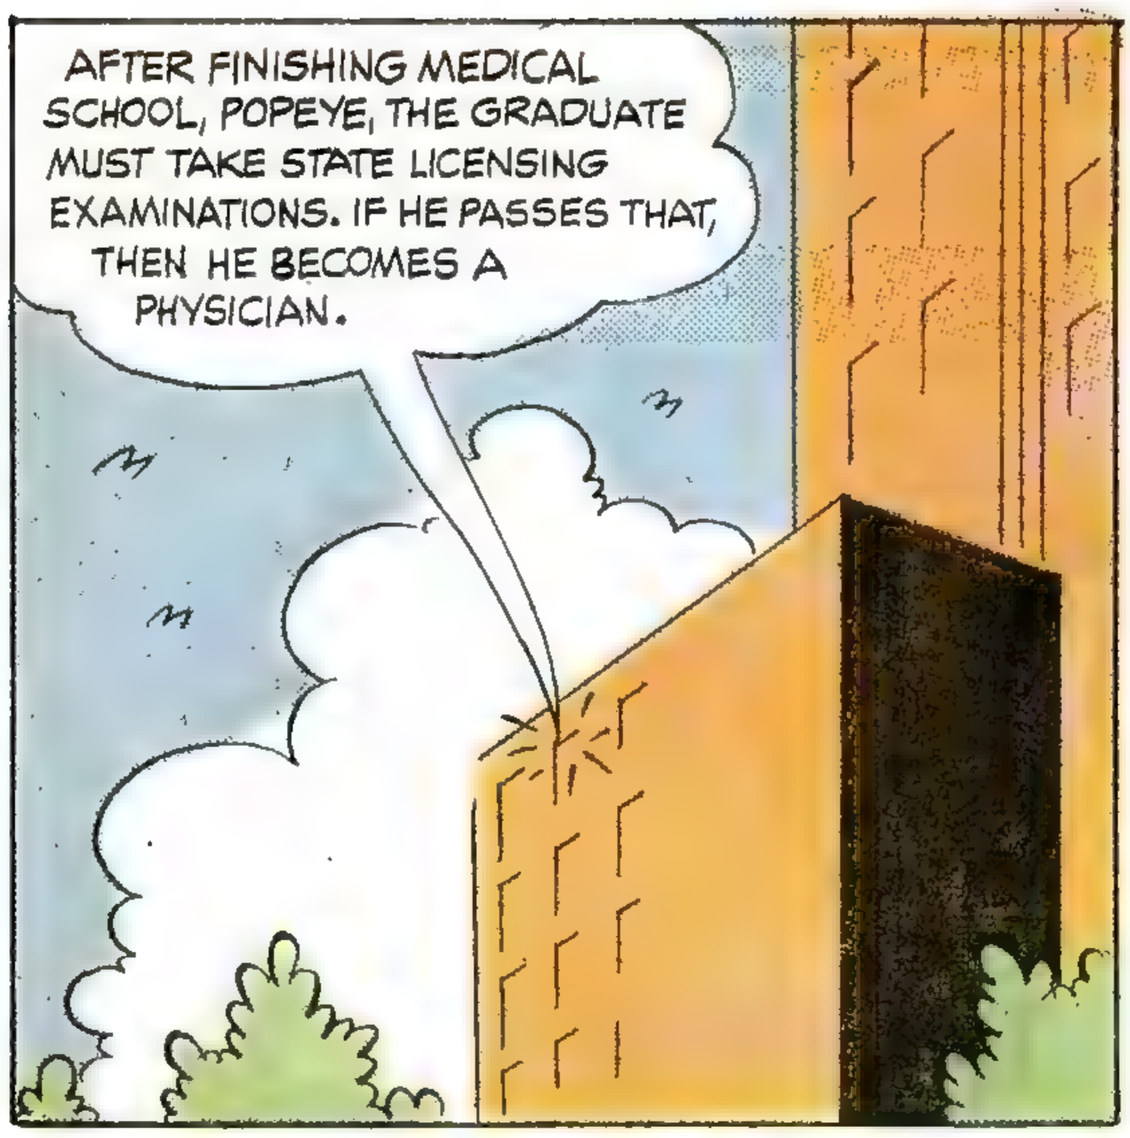
SO THAT'S HOW YOU FIX KID'S' TEETH WITHOUT MAKING THEM HOLLER!
THAT'S RIGHT, POPEYE!

NOW, HERBIE, THIS WON'T HURT A BIT, UNDERSTAND?
YES, DADDY!
!

I GUESS DOCTORS ARE THE MOST IMPORTANT PEOPLE IN THE HEALTH FIELD.
RM 100-25

HELLO, POPEYE. I'M DR. ELLEN BROWN.
MAYBE YOU'LL TELL ME ABOUT DOCTORS, DR. BROWN.

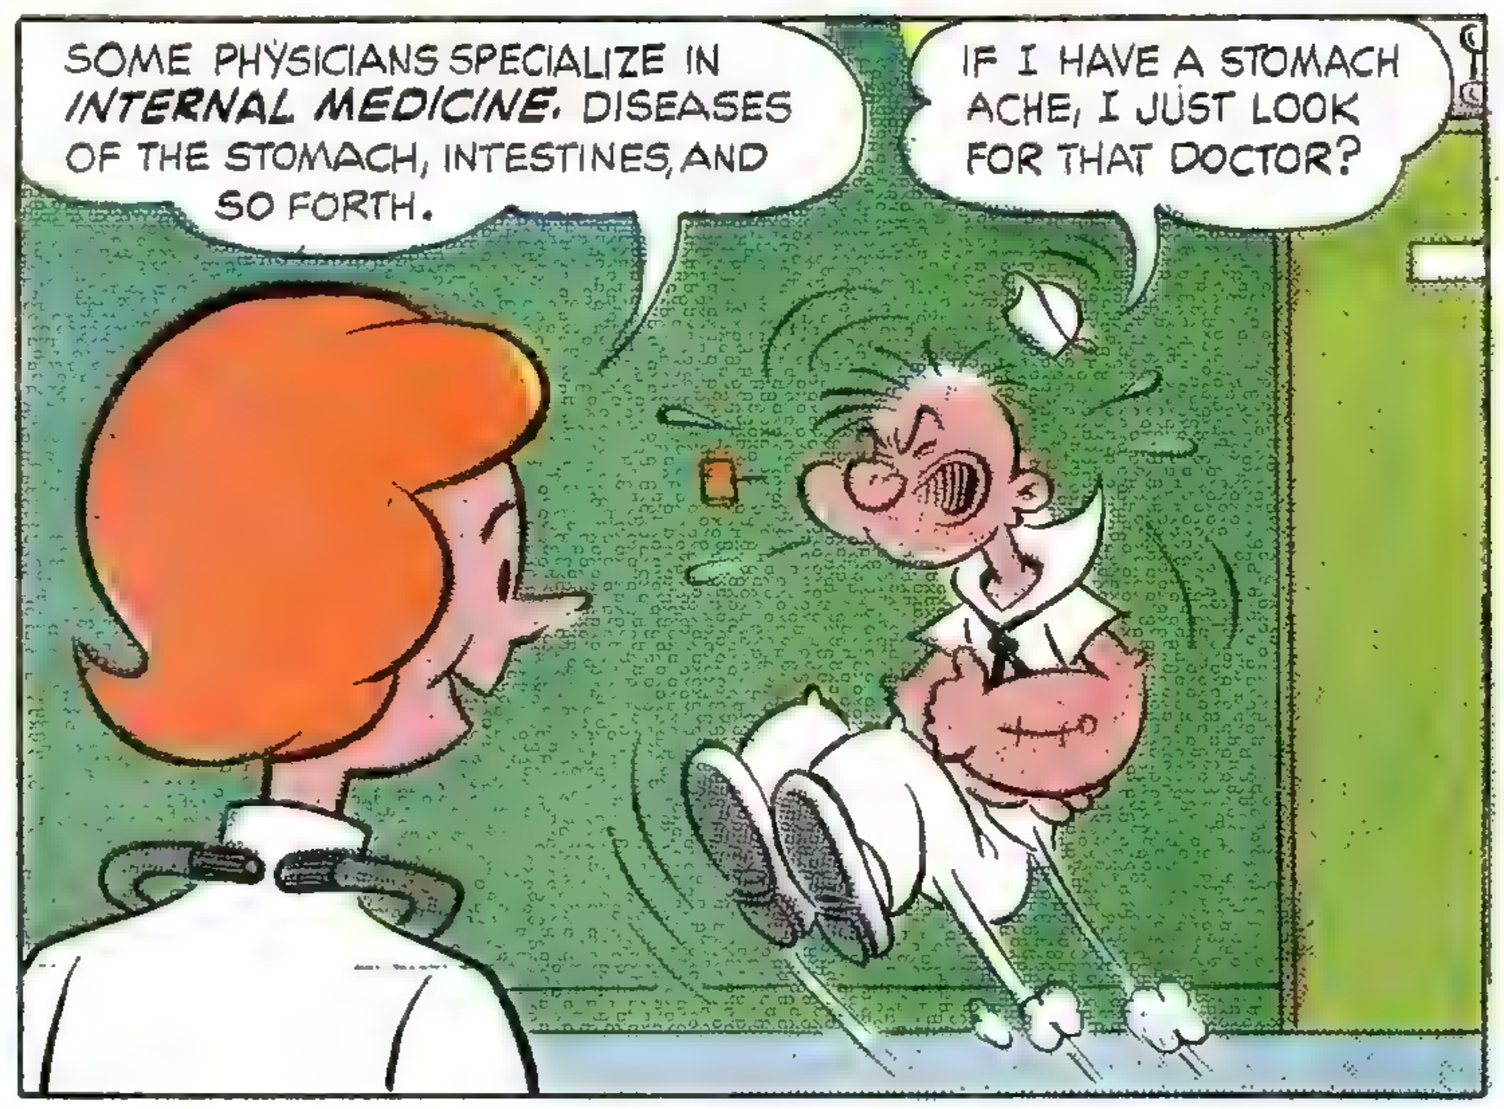
WELL, A DOCTOR OF MEDICINE OR PHYSICIAN, HAS TO ATTEND PRE-MED SCHOOL FOR 3 OR 4 YEARS IN AN APPROVED MEDICAL SCHOOL.
X-RAY



AFTER FINISHING MEDICAL SCHOOL, POPEYE, THE GRADUATE MUST TAKE STATE LICENSING EXAMINATIONS. IF HE PASSES THAT, THEN HE BECOMES A PHYSICIAN.

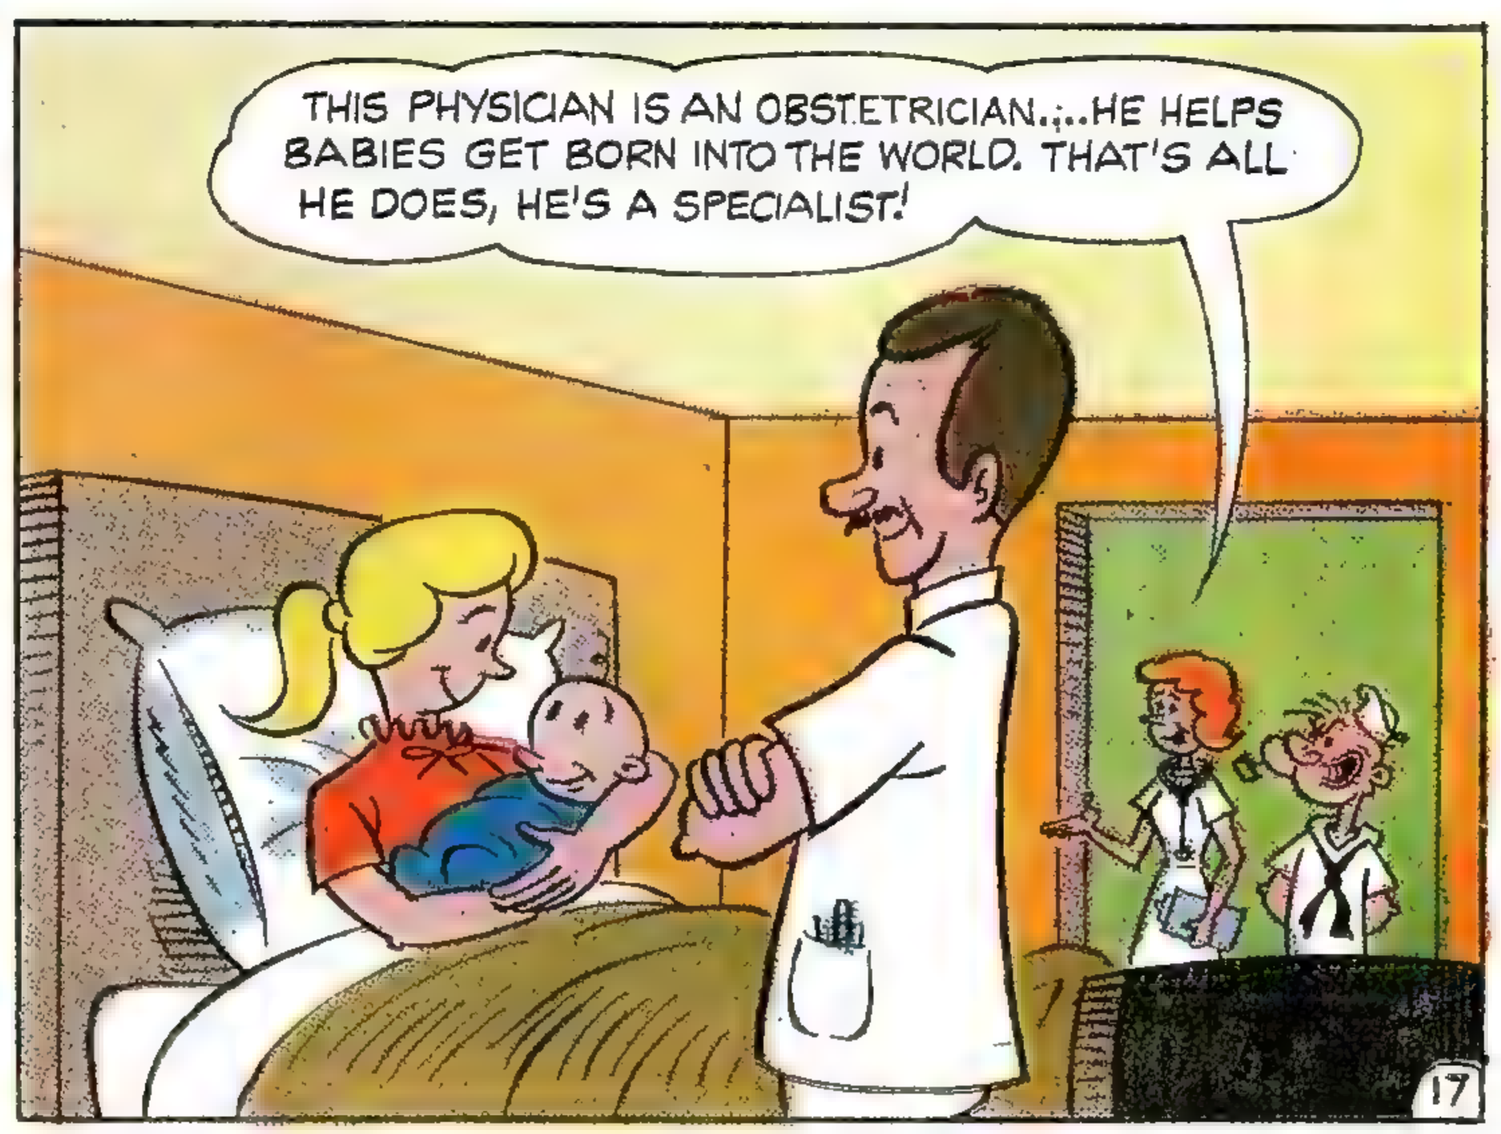
THEN THE DOCTOR CAN START MAKING A LOT OF MONEY?
OH, *NO!* THEN, THE YOUNG DOCTORS MUST SPEND 1 YEAR AS AN INTERN IN A HOSPITAL, PRACTICING MEDICINE UNDER THE SUPERVISION OF EXPERIENCED PHYSICIANS.
$ $

MANY DOCTORS *STILL* DON'T GO INTO PRACTICE. THEY *SPECIALIZE.* THAT IS, THEY BECOME EXPERT IN A PARTICULAR FIELD OF MEDICINE.



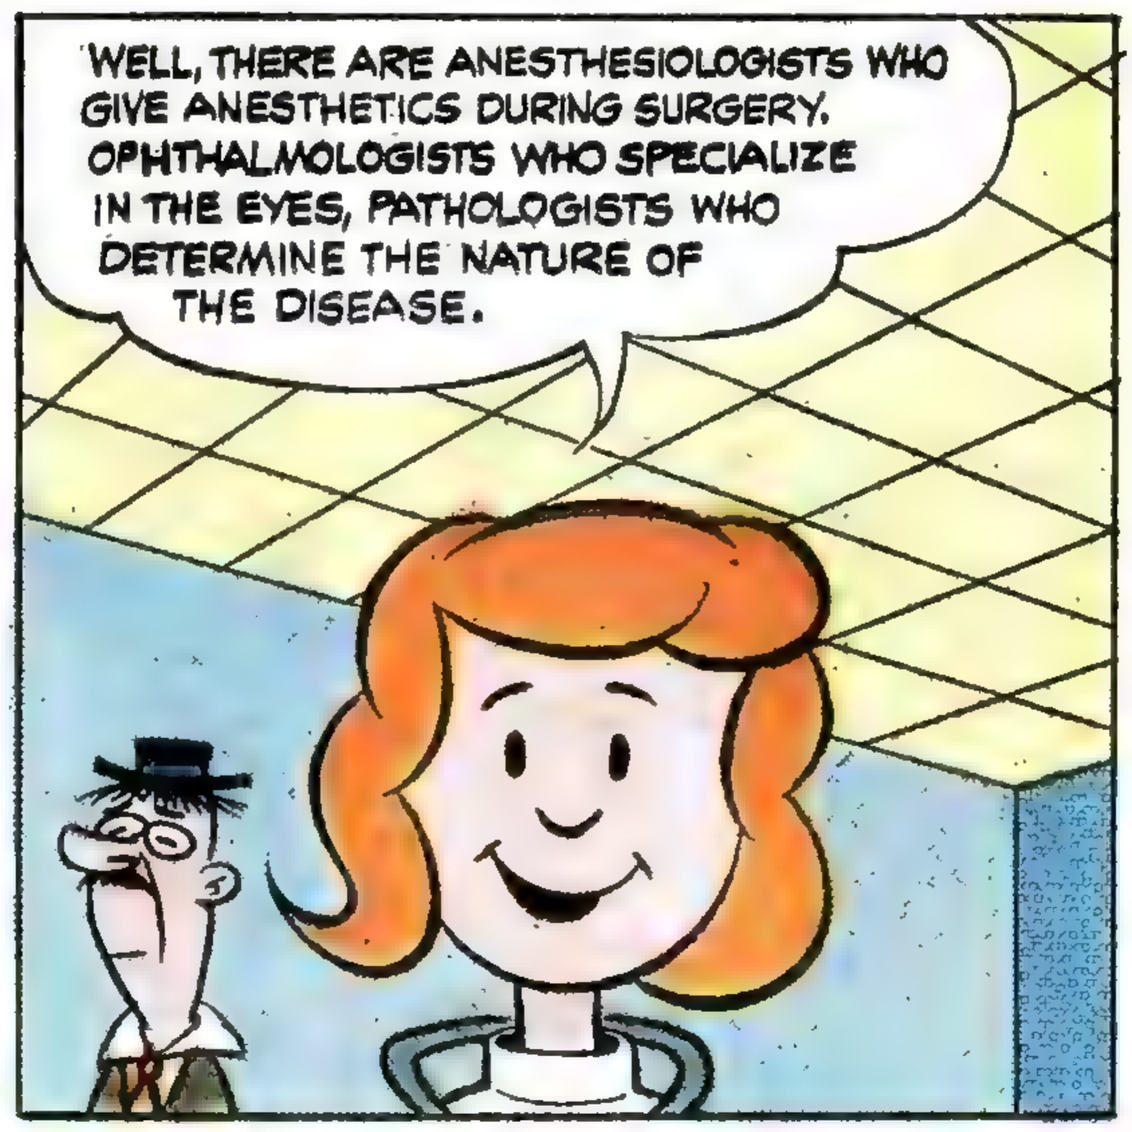
SOME PHYSICIANS SPECIALIZE IN *INTERNAL MEDICINE.* DISEASES OF THE STOMACH, INTESTINES, AND SO FORTH.
IF I HAVE A STOMACH ACHE, I JUST LOOK FOR THAT DOCTOR?

IT DOESN'T WORK THAT WAY, POPEYE! YOUR OWN DOCTOR EXAMINES YOU AND SENDS YOU TO THE SPECIALIST.
OH!

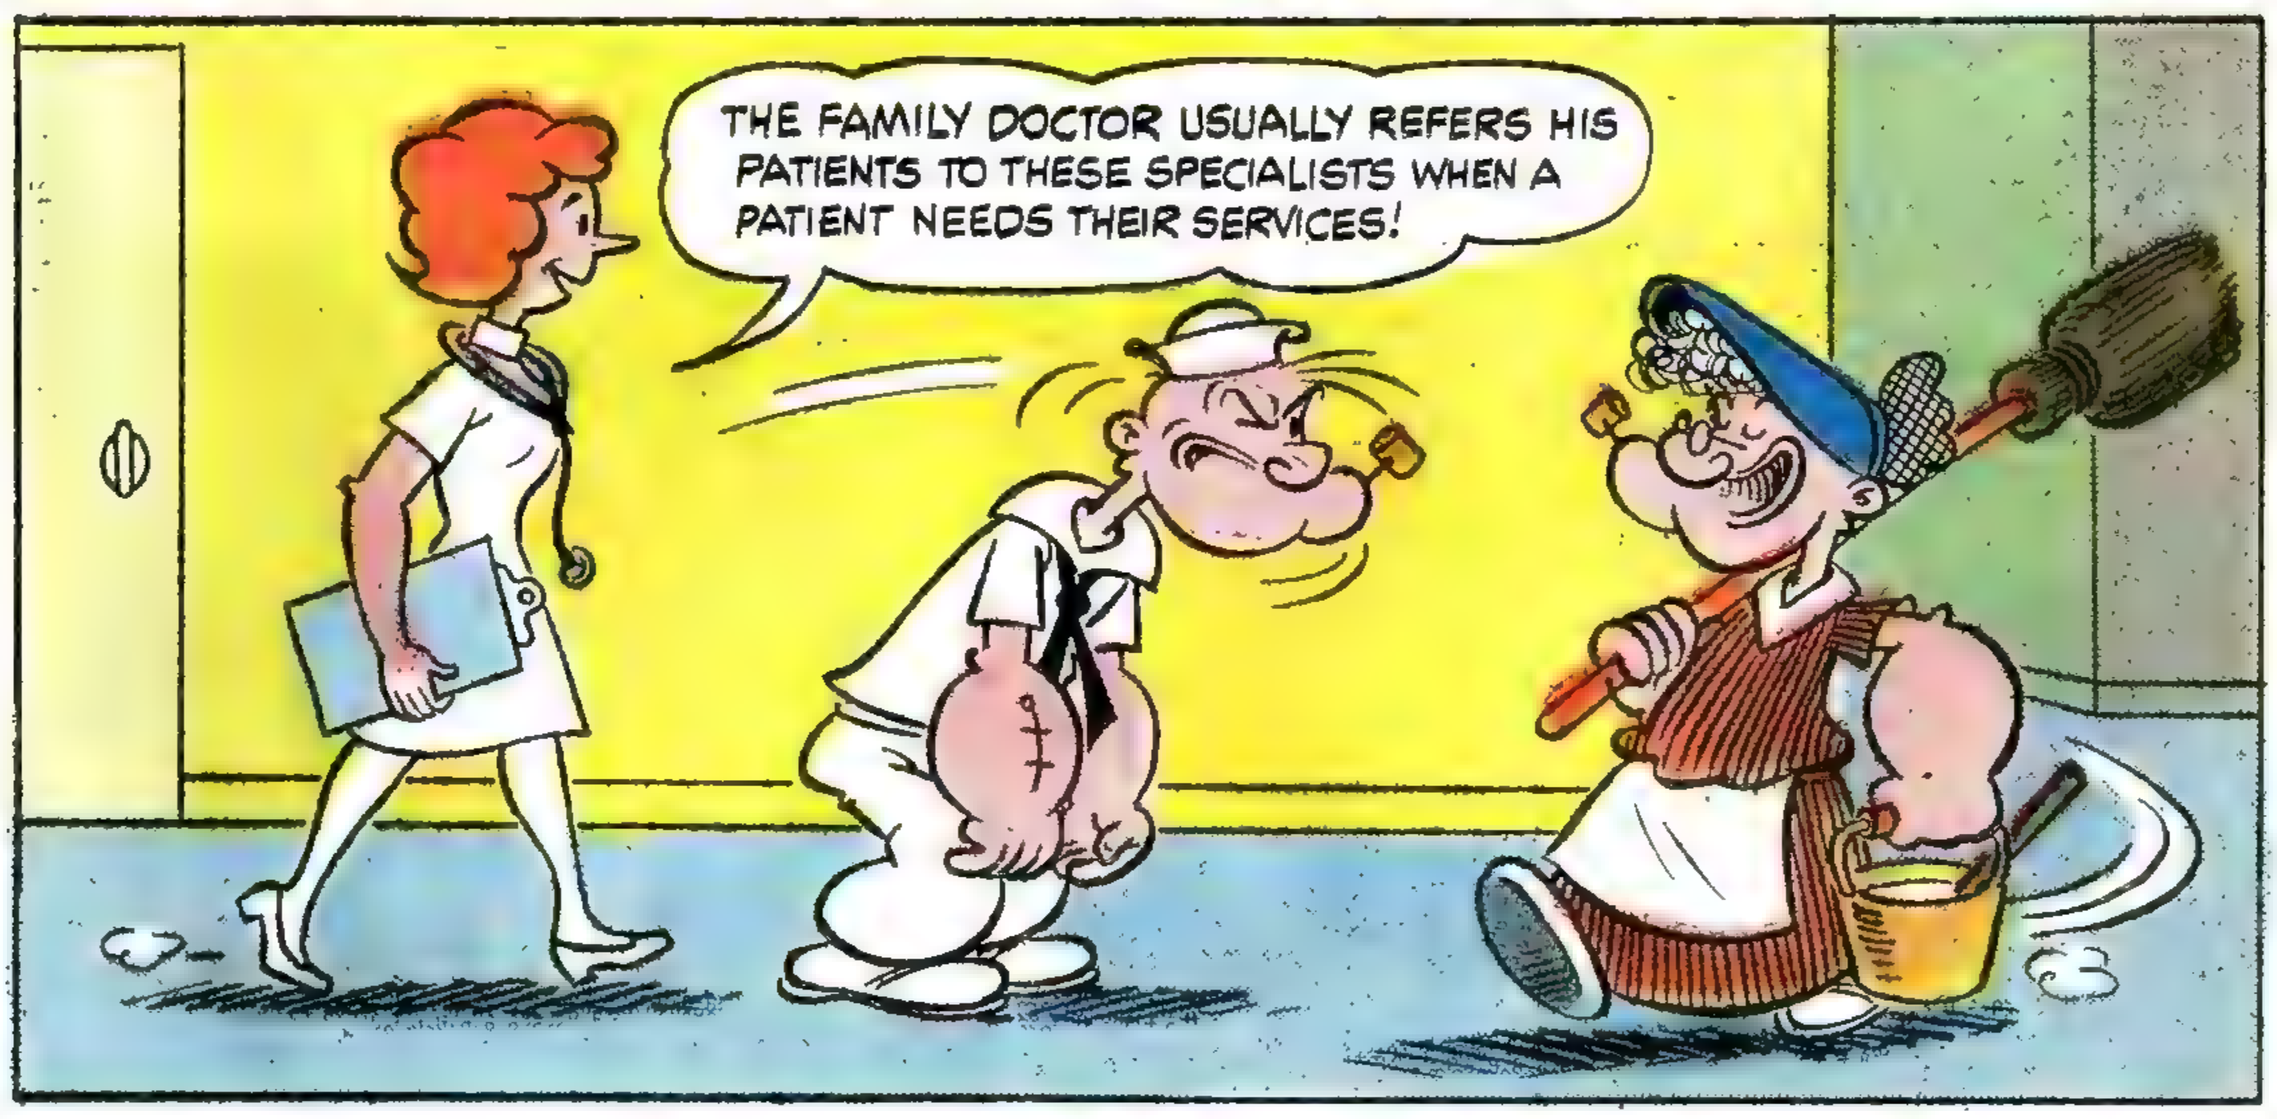


THIS PHYSICIAN IS AN OBSTETRICIAN...HE HELPS BABIES GET BORN INTO THE WORLD. THAT'S ALL HE DOES, HE'S A SPECIALIST!

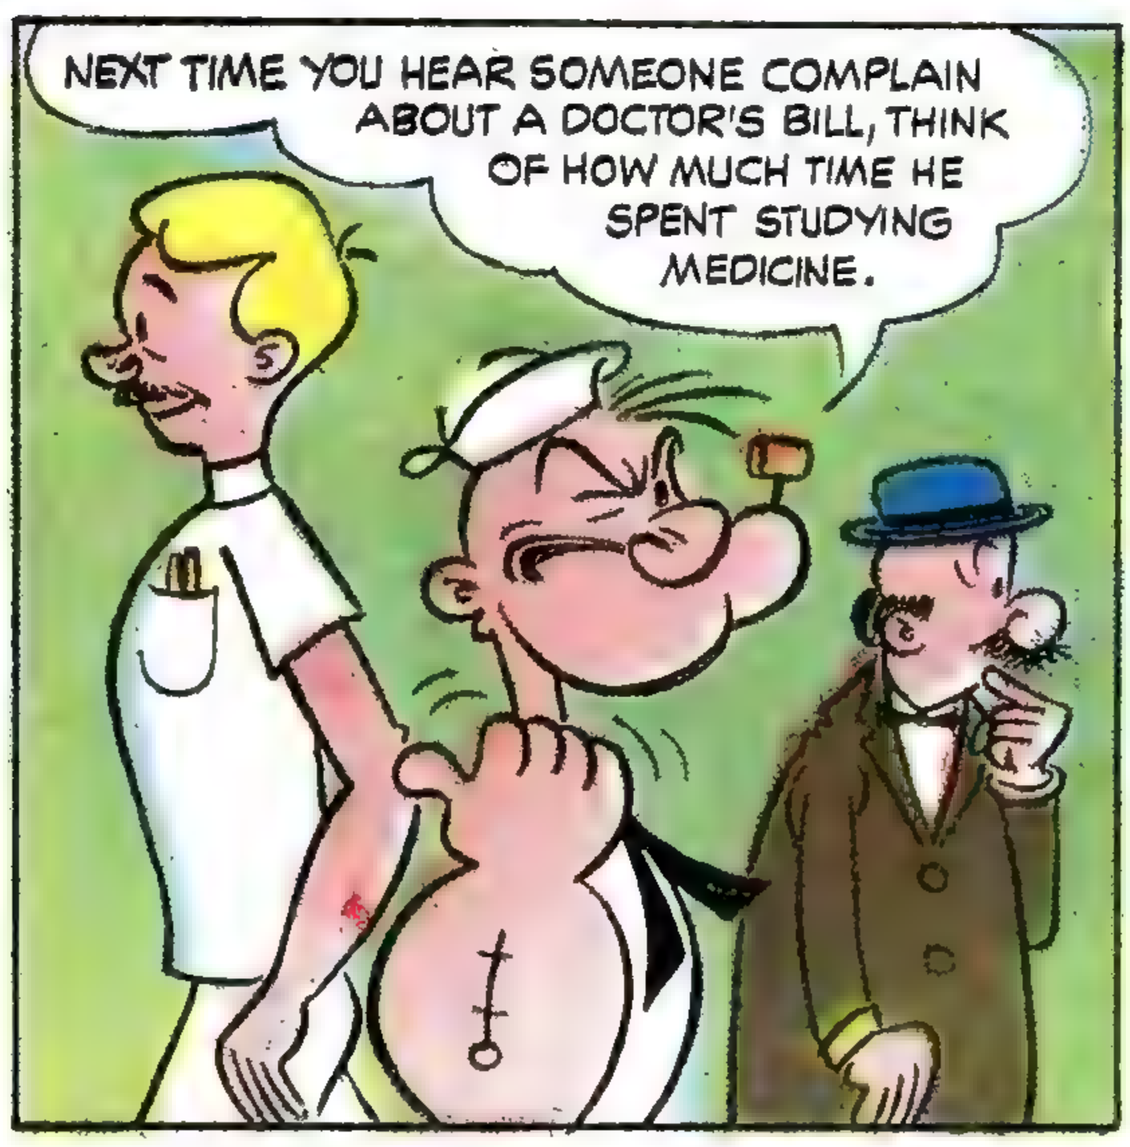
I SAW A SURGEON AT WORK AND A PEDIATRICIAN AND A RADIOLOGIST.



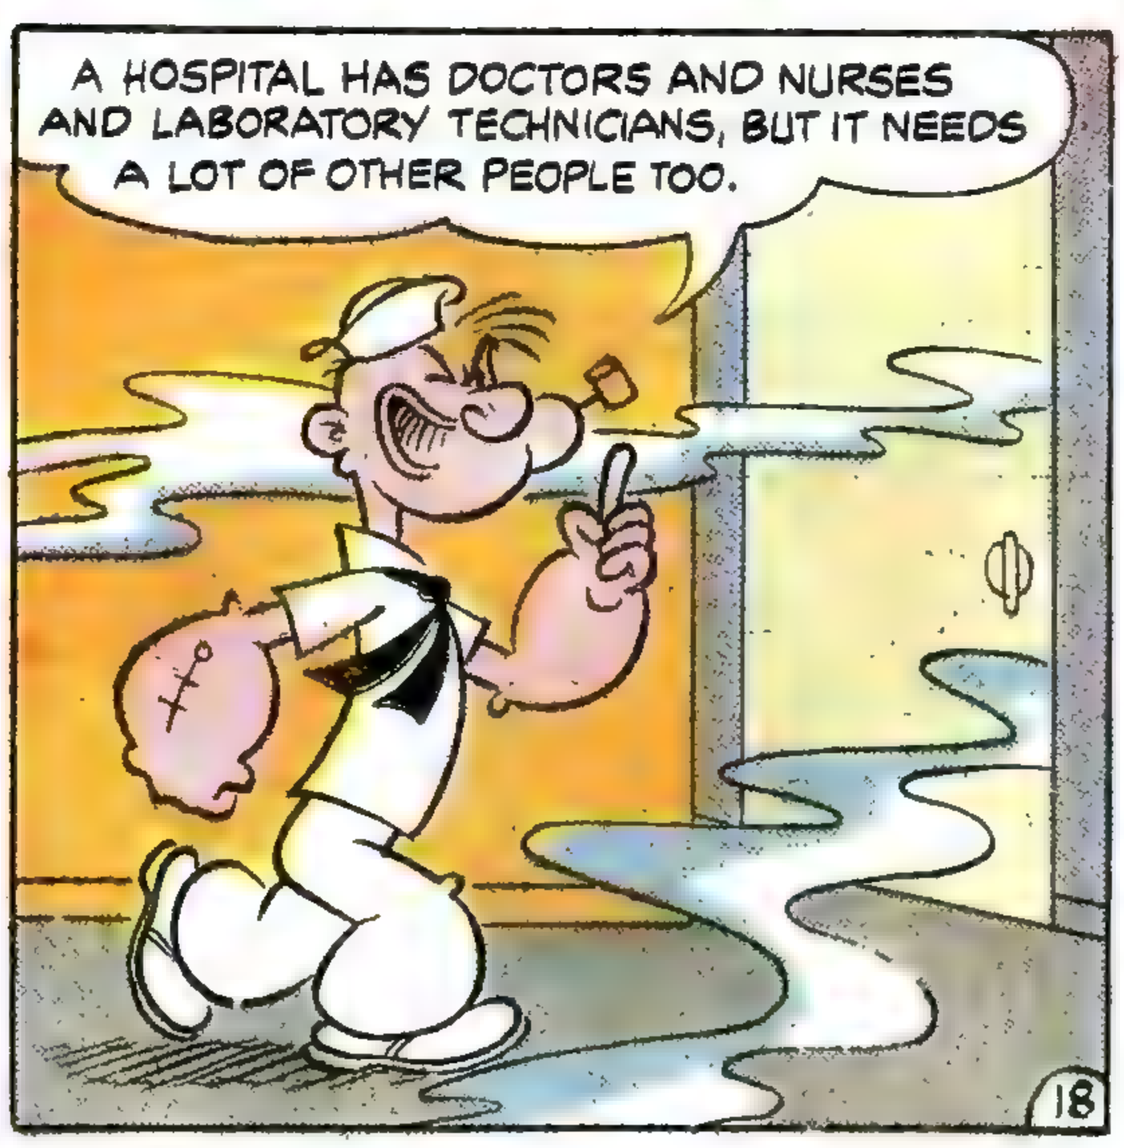
WELL, THERE ARE ANESTHESIOLOGISTS WHO GIVE ANESTHETICS DURING SURGERY. OPHTHALMOLOGISTS WHO SPECIALIZE IN THE EYES, PATHOLOGISTS WHO DETERMINE THE NATURE OF THE DISEASE.



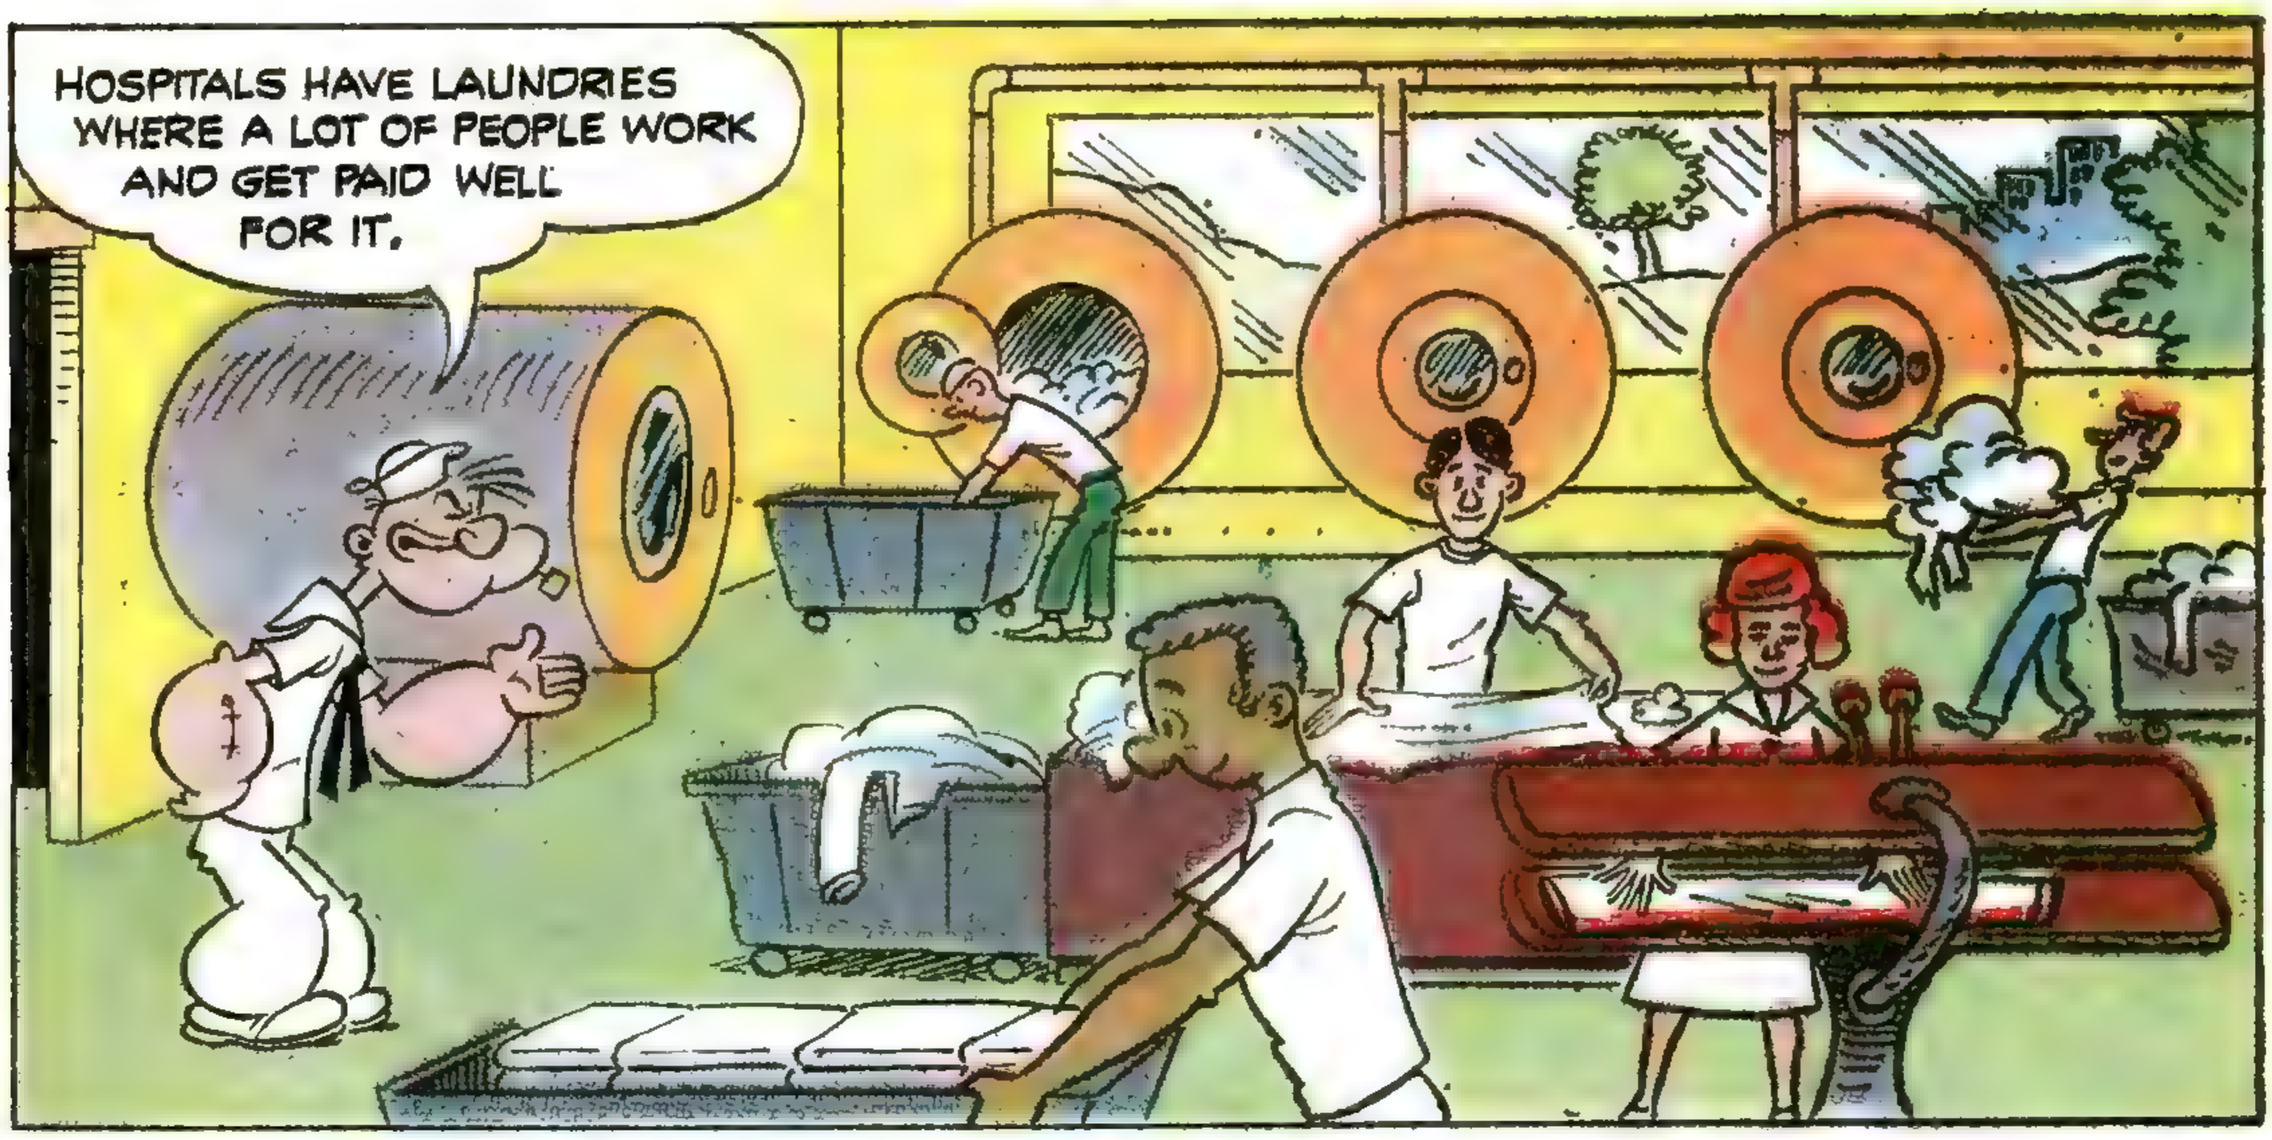
THE FAMILY DOCTOR USUALLY REFERS HIS PATIENTS TO THESE SPECIALISTS WHEN A PATIENT NEEDS THEIR SERVICES!



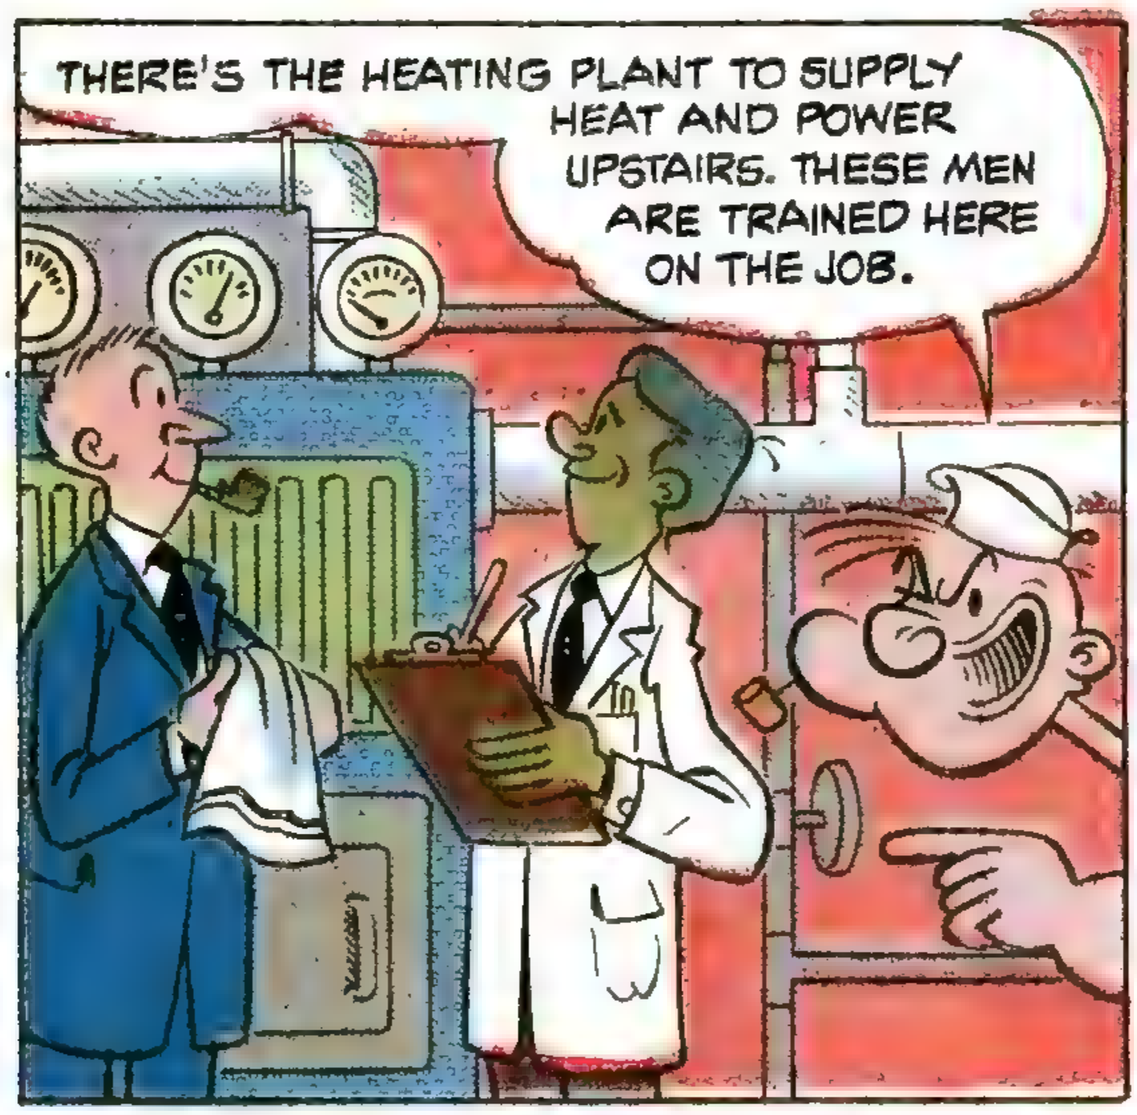
NEXT TIME YOU HEAR SOMEONE COMPLAIN ABOUT A DOCTOR'S BILL, THINK OF HOW MUCH TIME HE SPENT STUDYING MEDICINE.



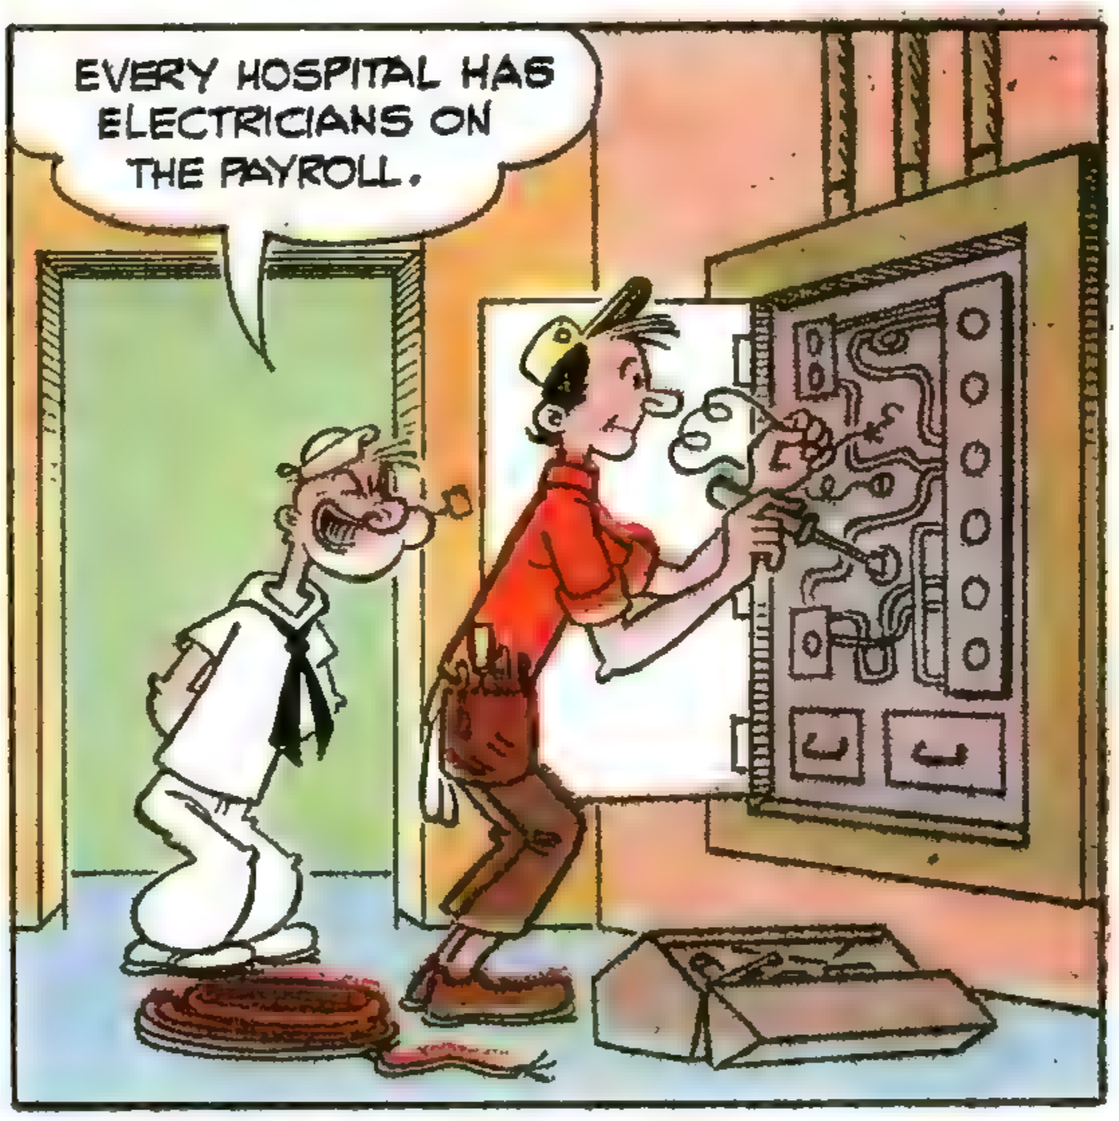
A HOSPITAL HAS DOCTORS AND NURSES AND LABORATORY TECHNICIANS, BUT IT NEEDS A LOT OF OTHER PEOPLE TOO.



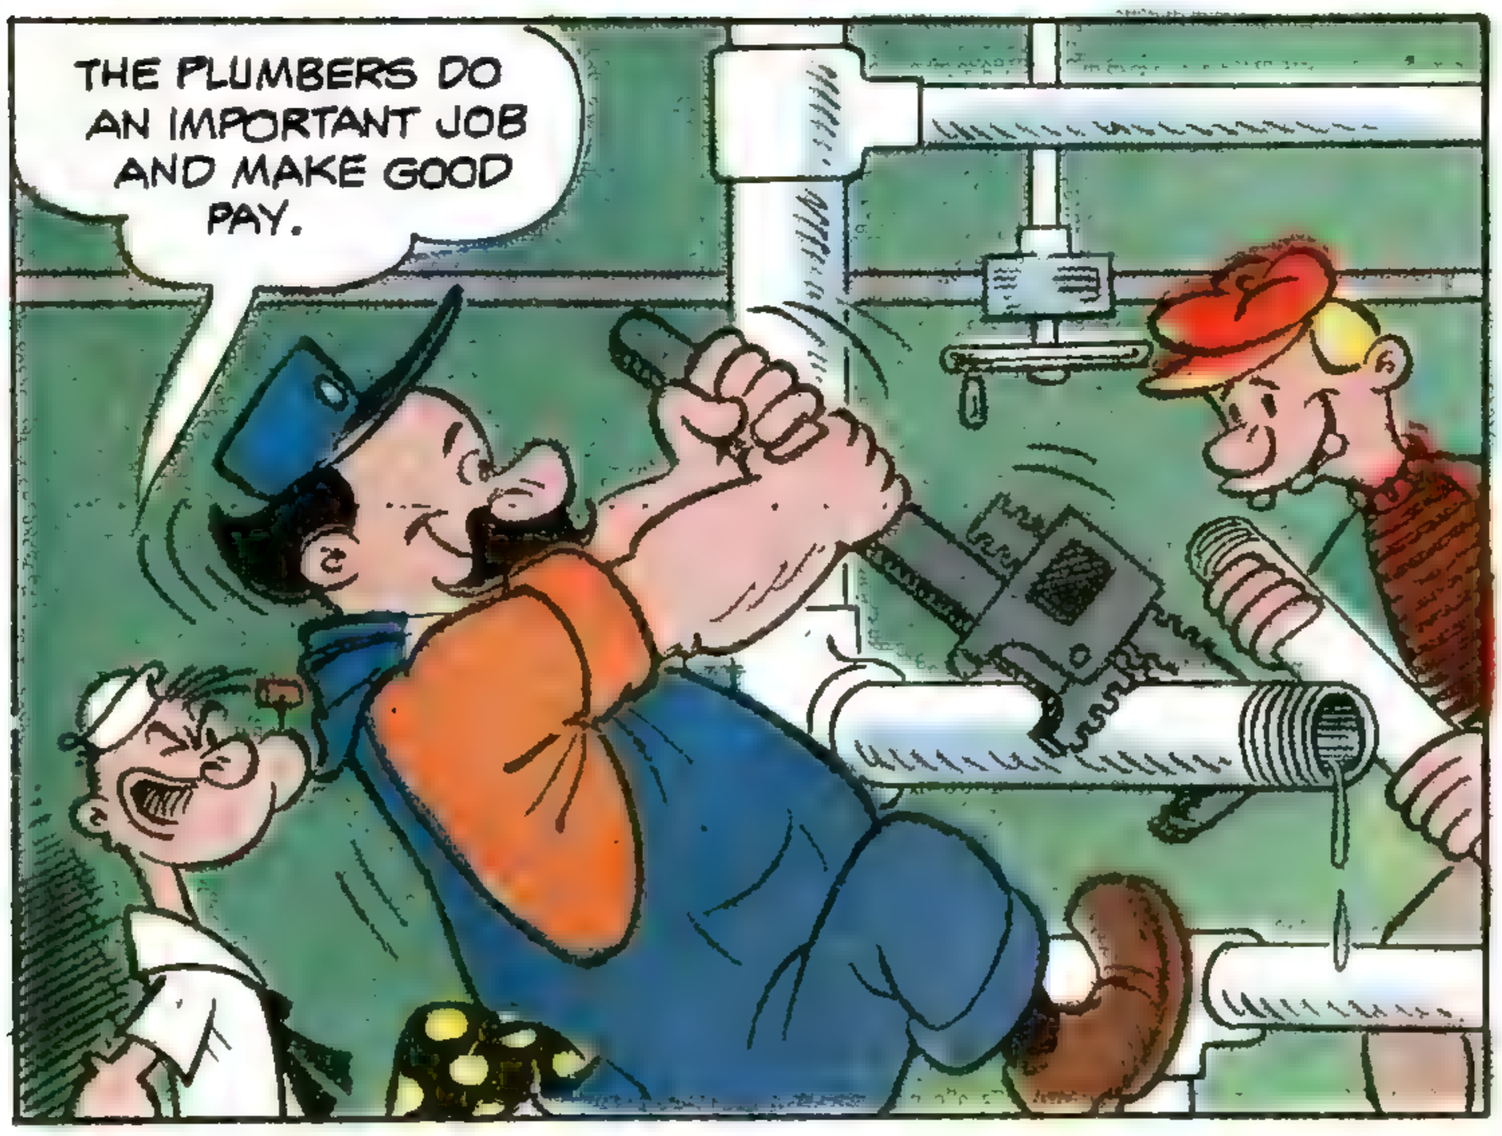
HOSPITALS HAVE LAUNDRIES WHERE A LOT OF PEOPLE WORK AND GET PAID WELL FOR IT.



THERE'S THE HEATING PLANT TO SUPPLY HEAT AND POWER UPSTAIRS. THESE MEN ARE TRAINED HERE ON THE JOB.



EVERY HOSPITAL HAS ELECTRICIANS ON THE PAYROLL.



THE PLUMBERS DO AN IMPORTANT JOB AND MAKE GOOD PAY.

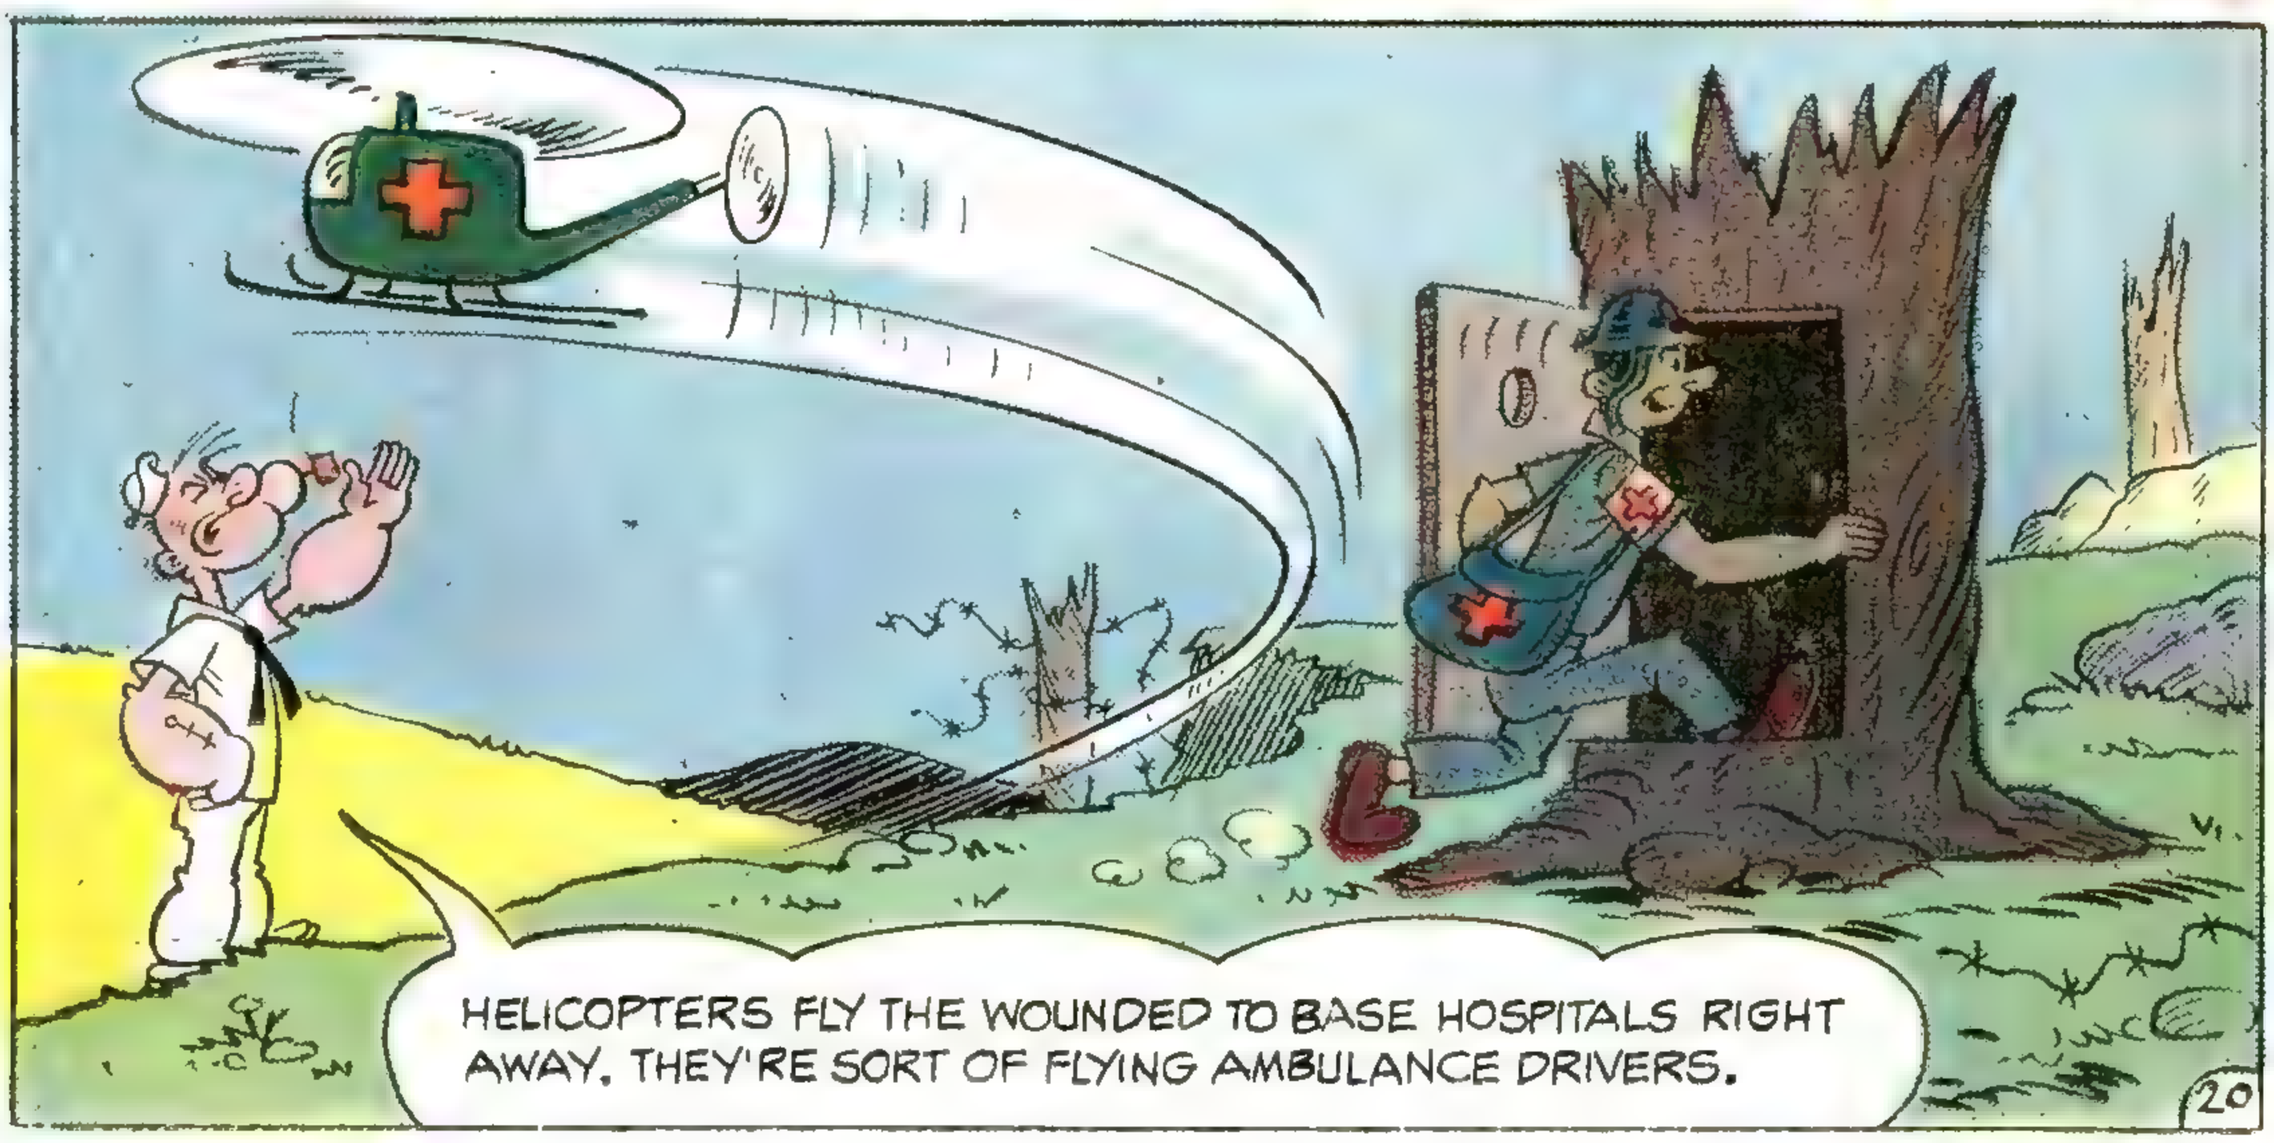
THERE ARE JOBS FOR MEN OR WOMEN, YOUNG OR OLD IN THE HEALTH FIELD, KIDS, AND A GREAT MANY HANDICAPPED PEOPLE FIND EMPLOYMENT HERE.

"SOME PEOPLE GET THEIR TRAINING FOR HEALTH CAREERS IN THE ARMY OR NAVY. ARMY MEDICS SAVE A LOT OF LIVES."

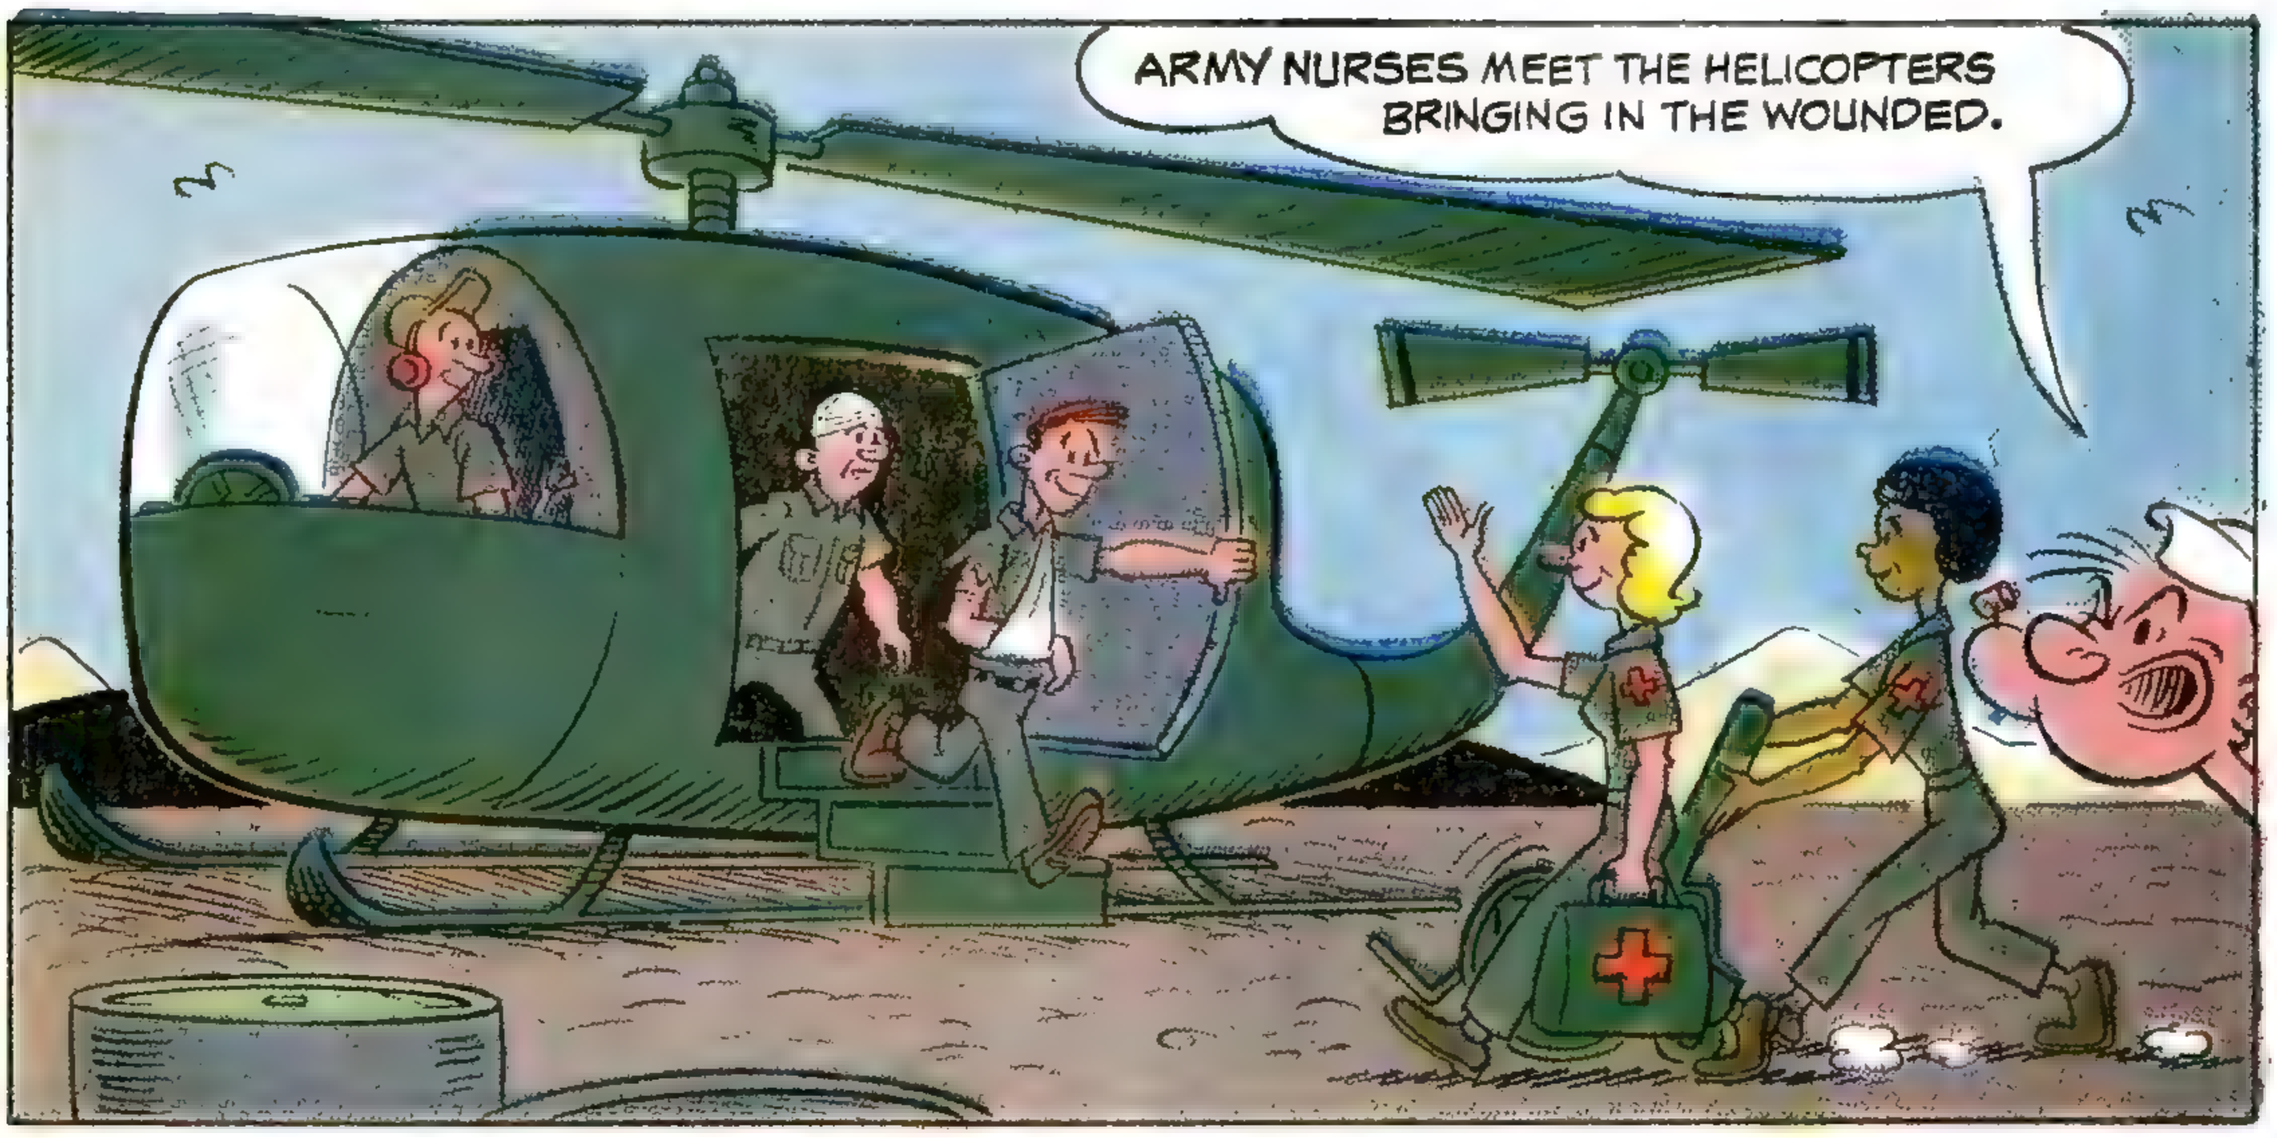
BOOM
WHEN SOLDIERS GET WOUNDED IN BATTLES, THE MEDICS HAVE TO BE NEAR TO HELP THEM.

"THE MEDICS ARE TRAINED TO GIVE FIRST AID TO THE WOUNDED RIGHT ON THE BATTLEFIELD."
OUCH!
AMMO

"PROMPT TREATMENT SAVES MANY LIVES."

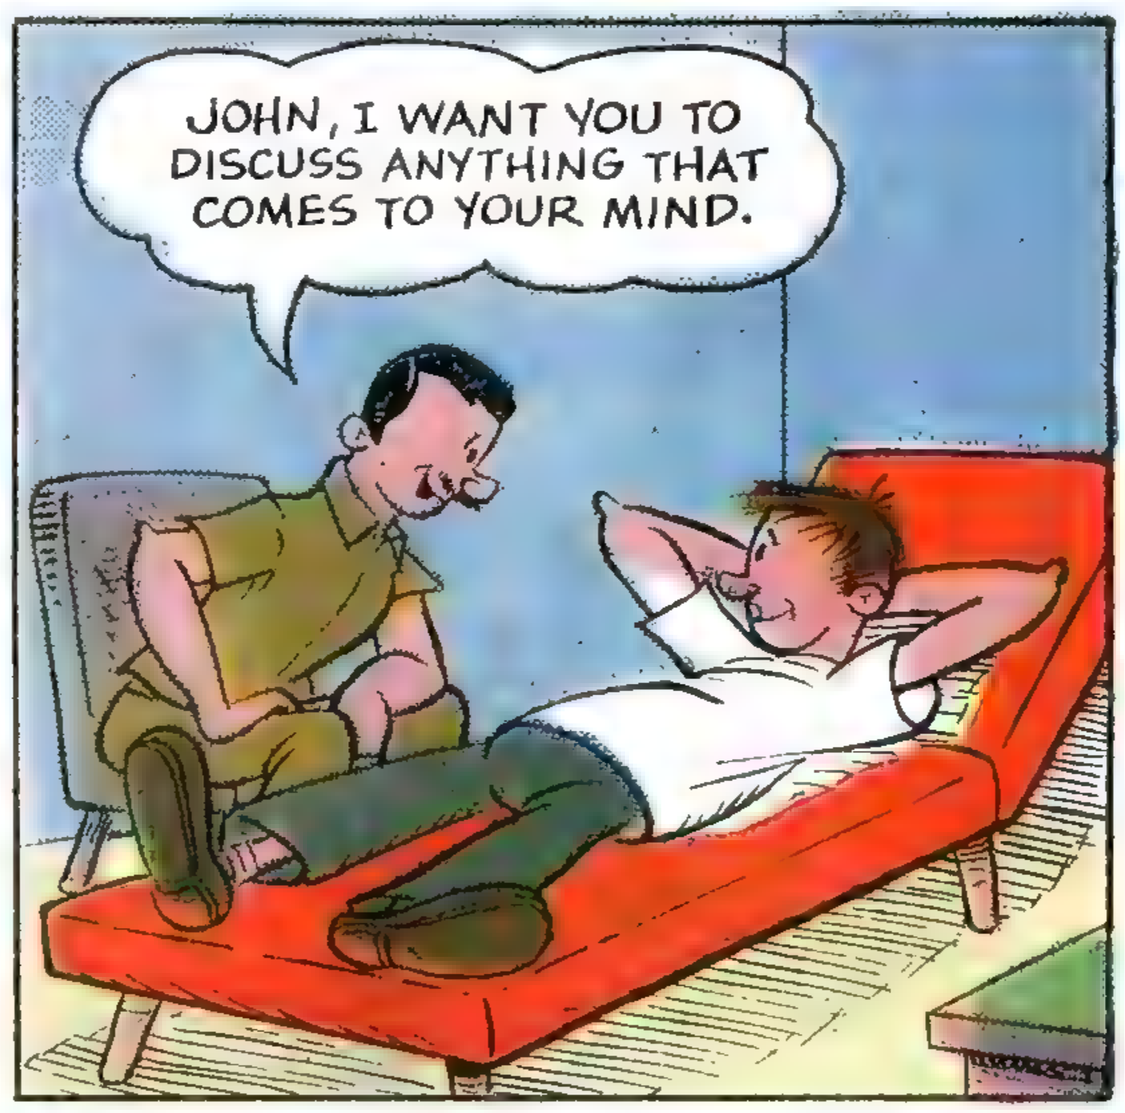


HELICOPTERS FLY THE WOUNDED TO BASE HOSPITALS RIGHT AWAY. THEY'RE SORT OF FLYING AMBULANCE DRIVERS.

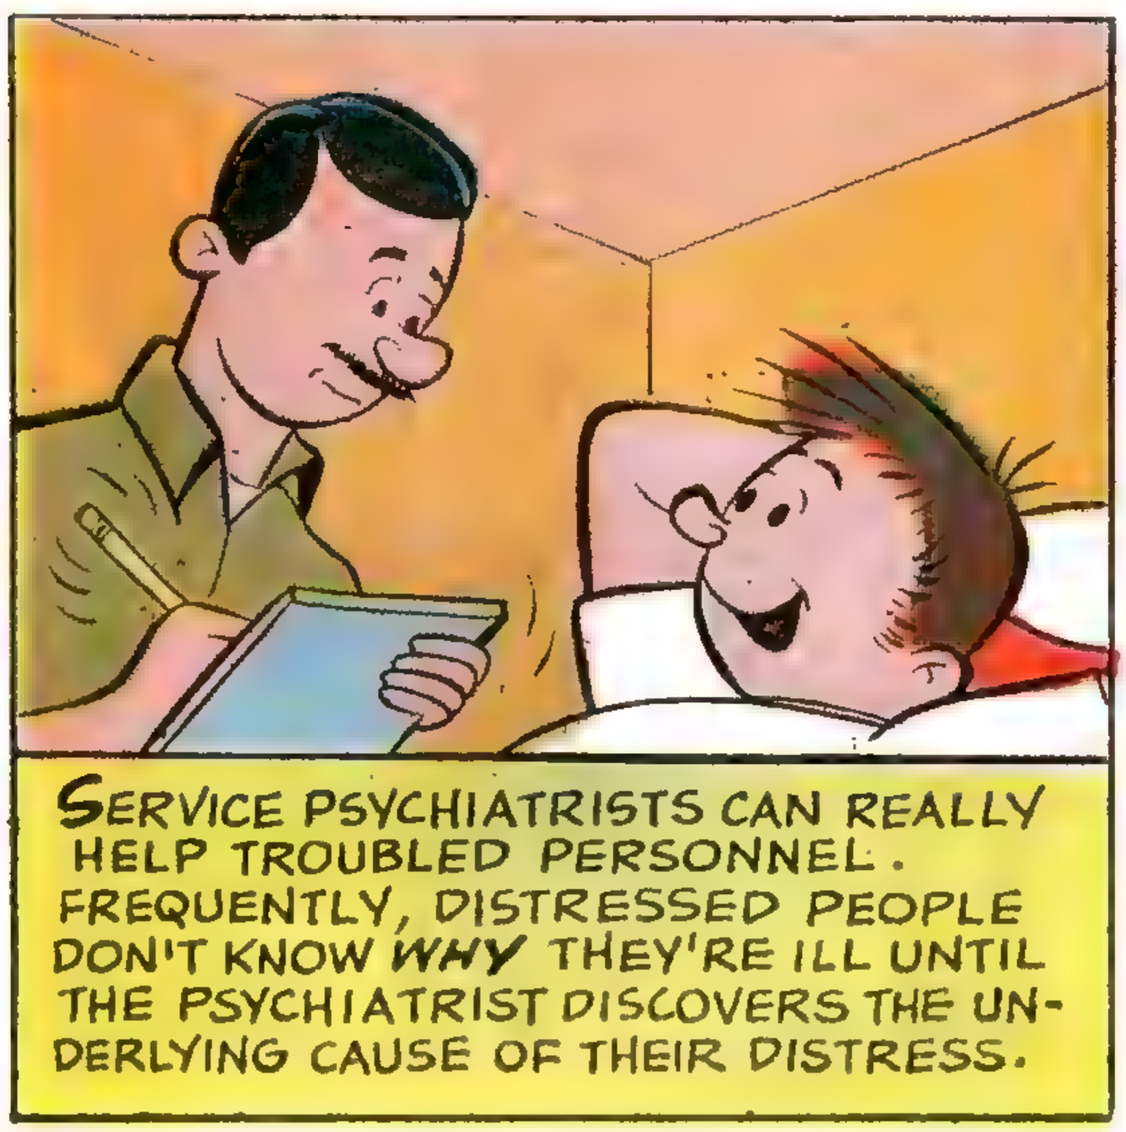


ARMY NURSES MEET THE HELICOPTERS BRINGING IN THE WOUNDED.

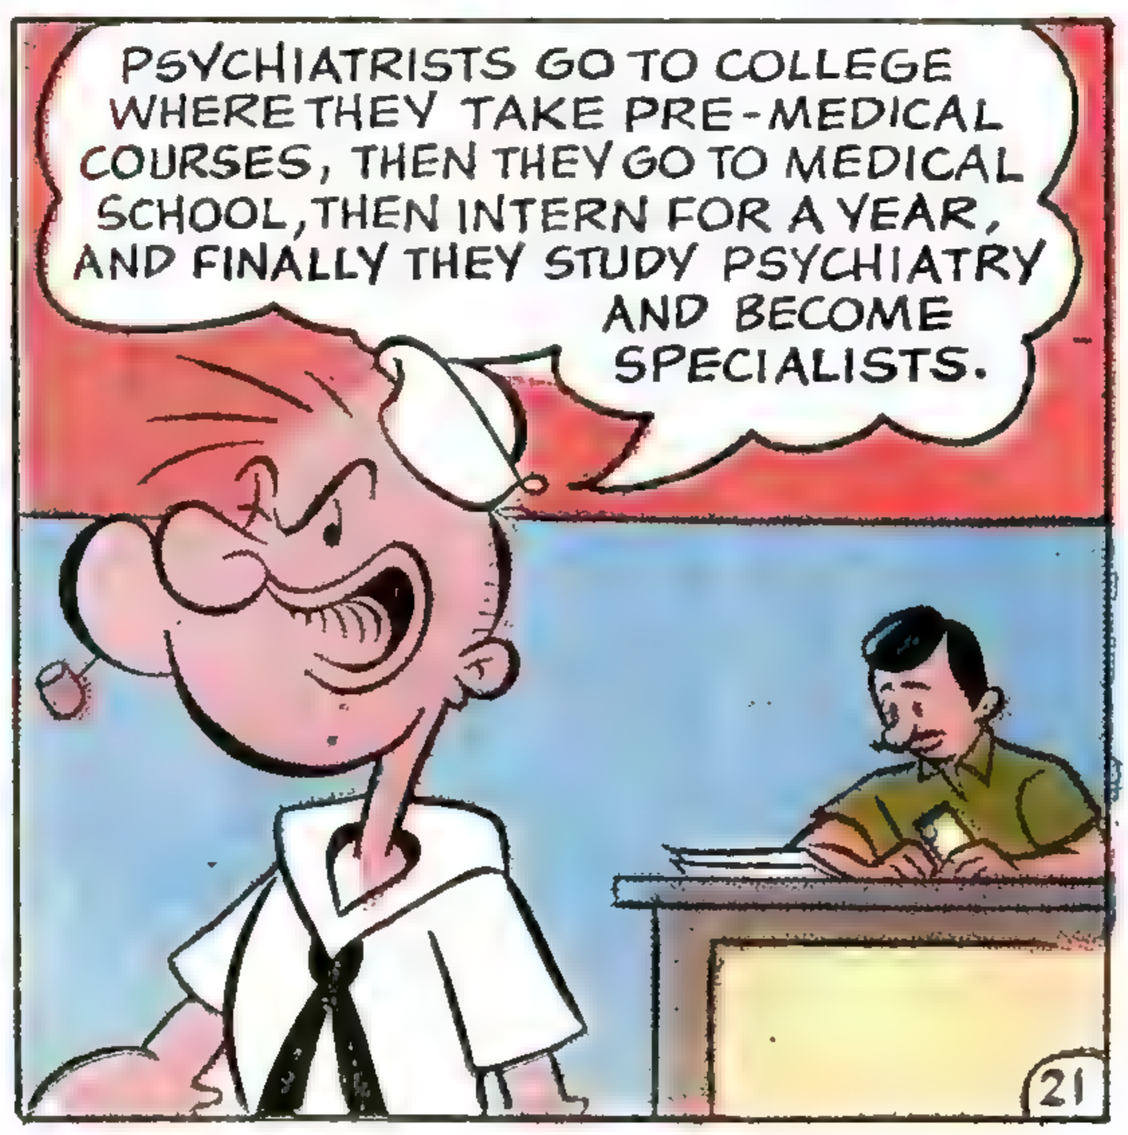
THE ARMED FORCES TRAIN NURSES, TECHNICIANS, AND SPECIALISTS IN MANY FIELDS OF MEDICINE.



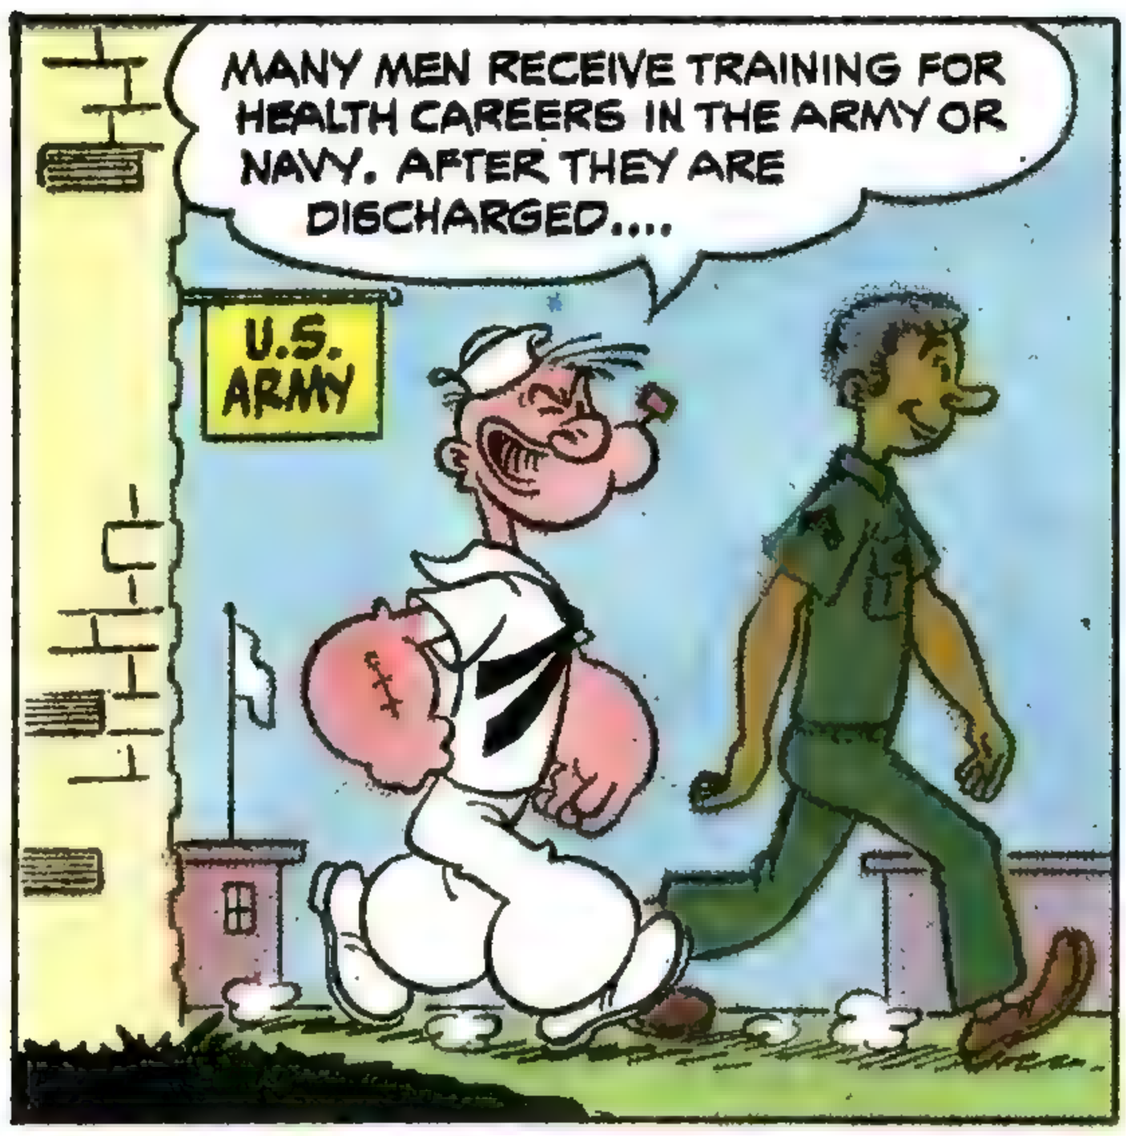
JOHN, I WANT YOU TO DISCUSS ANYTHING THAT COMES TO YOUR MIND.



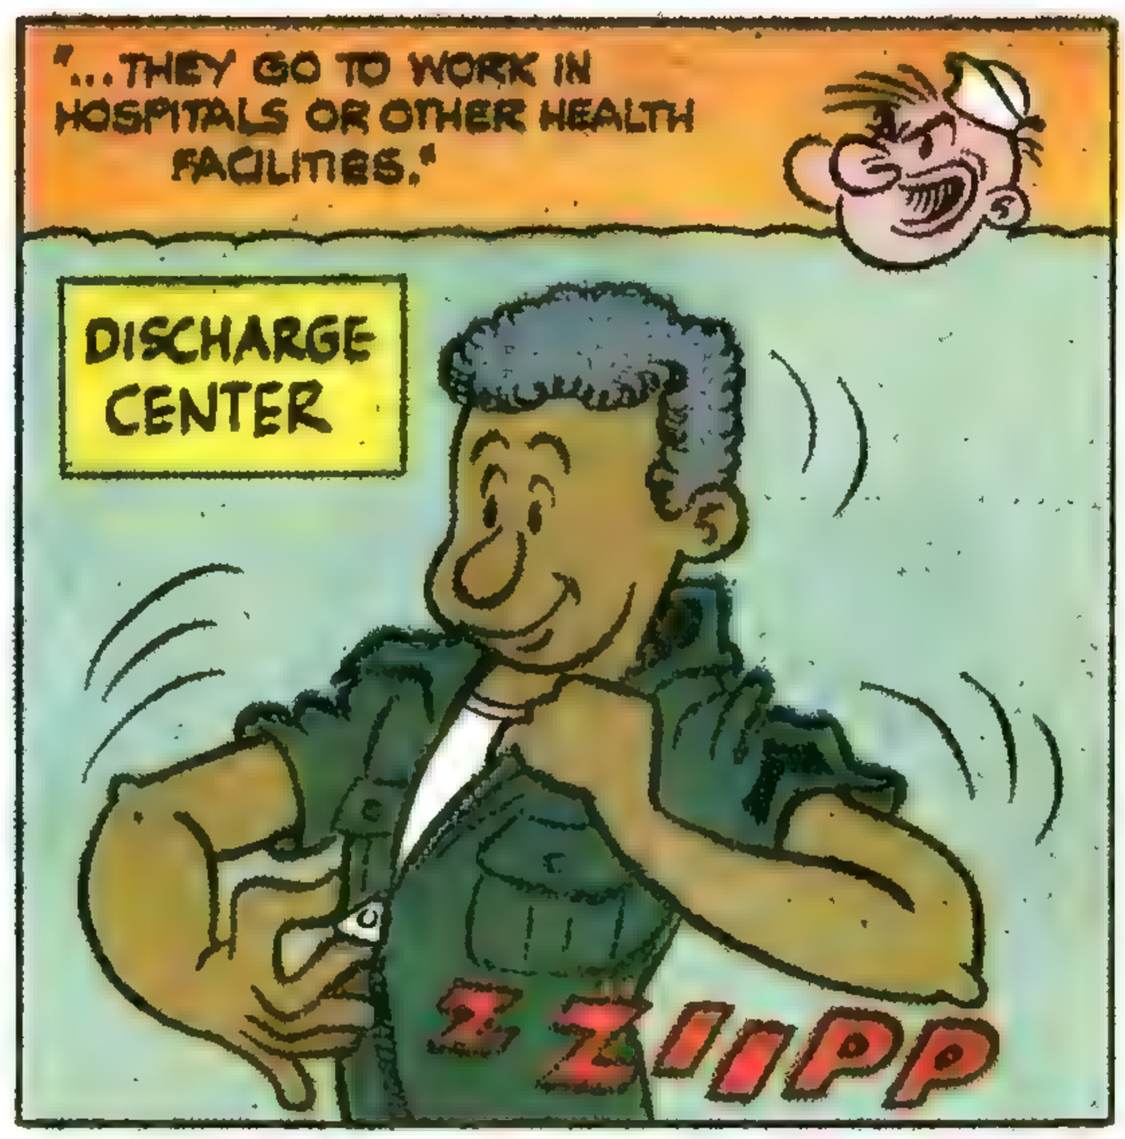
SERVICE PSYCHIATRISTS CAN REALLY HELP TROUBLED PERSONNEL. FREQUENTLY, DISTRESSED PEOPLE DON'T KNOW *WHY* THEY'RE ILL UNTIL THE PSYCHIATRIST DISCOVERS THE UNDERLYING CAUSE OF THEIR DISTRESS.



PSYCHIATRISTS GO TO COLLEGE WHERE THEY TAKE PRE-MEDICAL COURSES, THEN THEY GO TO MEDICAL SCHOOL, THEN INTERN FOR A YEAR, AND FINALLY THEY STUDY PSYCHIATRY AND BECOME SPECIALISTS.



MANY MEN RECEIVE TRAINING FOR HEALTH CAREERS IN THE ARMY OR NAVY. AFTER THEY ARE DISCHARGED....
U.S. ARMY



"...THEY GO TO WORK IN HOSPITALS OR OTHER HEALTH FACILITIES."

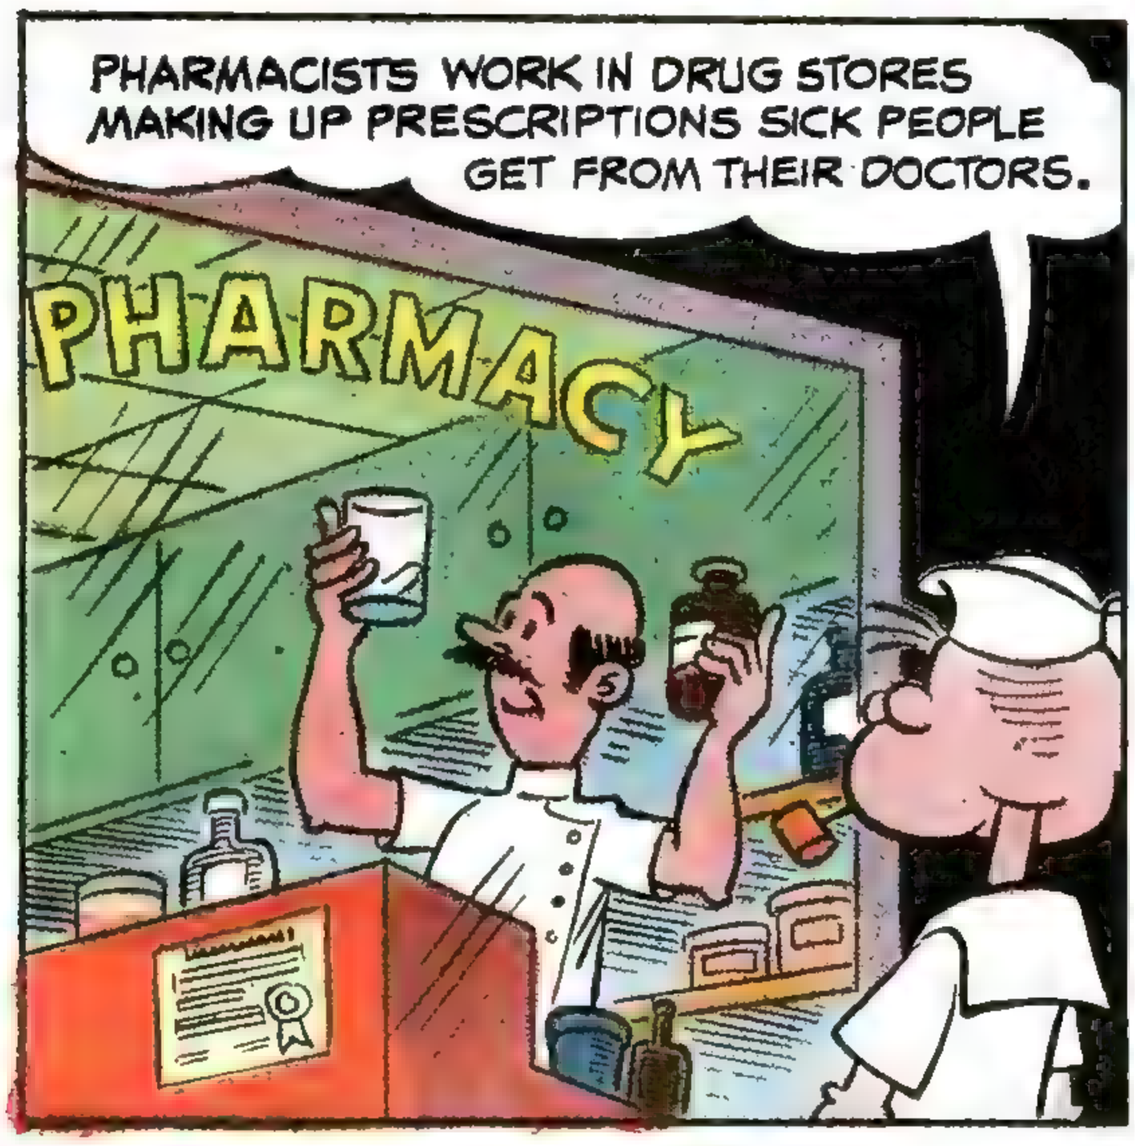
THANK YOU.
YOU'RE WELCOME.

NOT EVERYONE WORKING IN THE FIELD OF HEALTH WORKS IN HOSPITALS.



PHARMACISTS WORK IN DRUG STORES MAKING UP PRESCRIPTIONS SICK PEOPLE GET FROM THEIR DOCTORS.

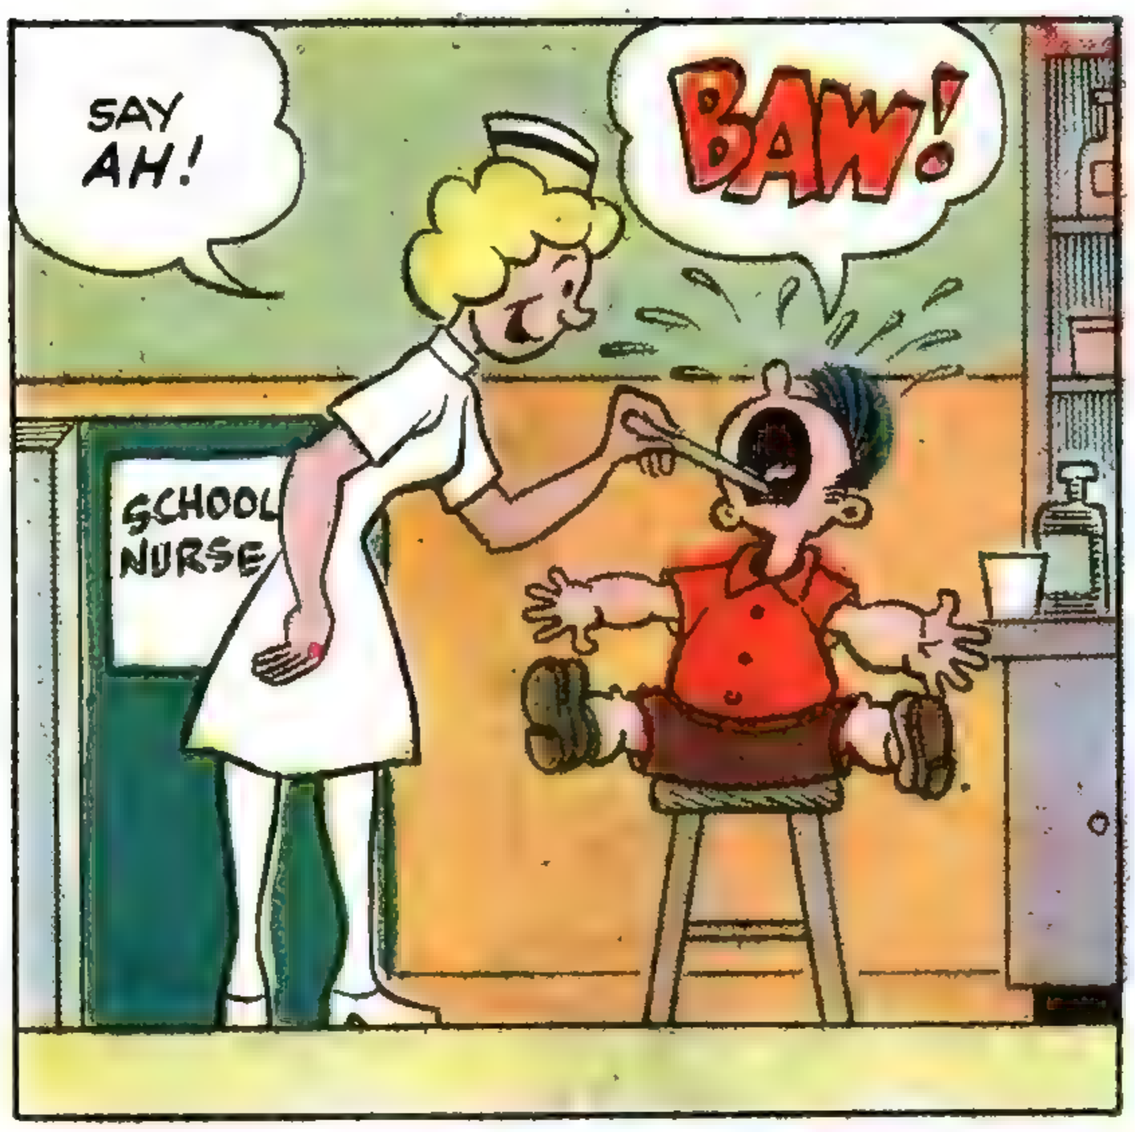
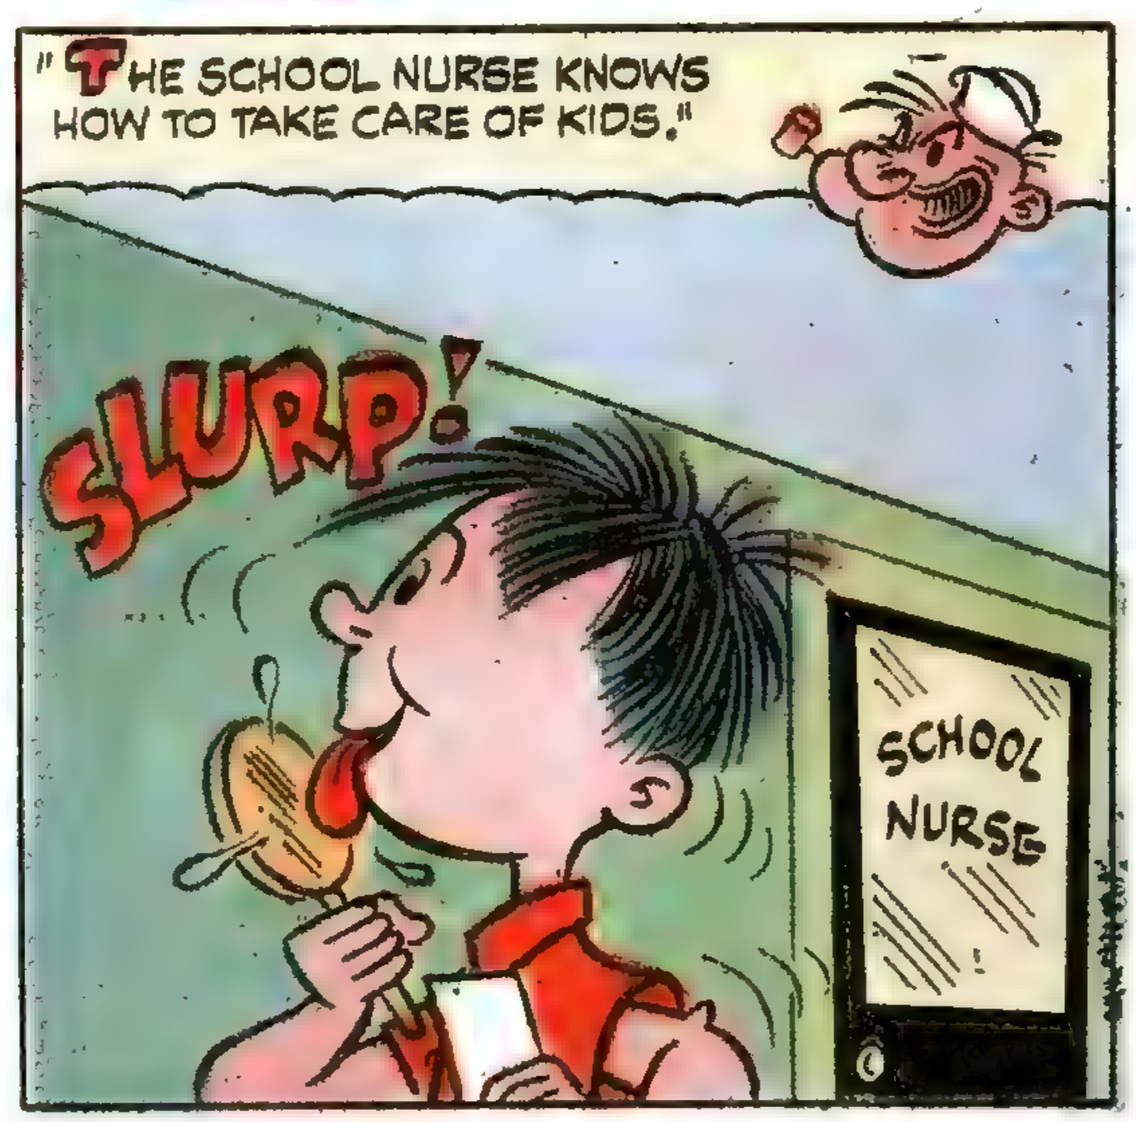
"YOU KIDS KNOW THE VISITING NURSE ALWAYS COMES TO THE HOUSE WHENEVER SHE'S NEEDED."
VISITING NURSE



SAY AH!
BAW!
SCHOOL NURSE

WE'LL SEE IF YOU'VE GOT A FEVER, JIMMY.
?

HERE YOU ARE, JIMMY. YOU'RE EXCUSED FROM SCHOOL THE REST OF THE DAY.



"THE SCHOOL NURSE KNOWS HOW TO TAKE CARE OF KIDS."
SLURP!
SCHOOL NURSE

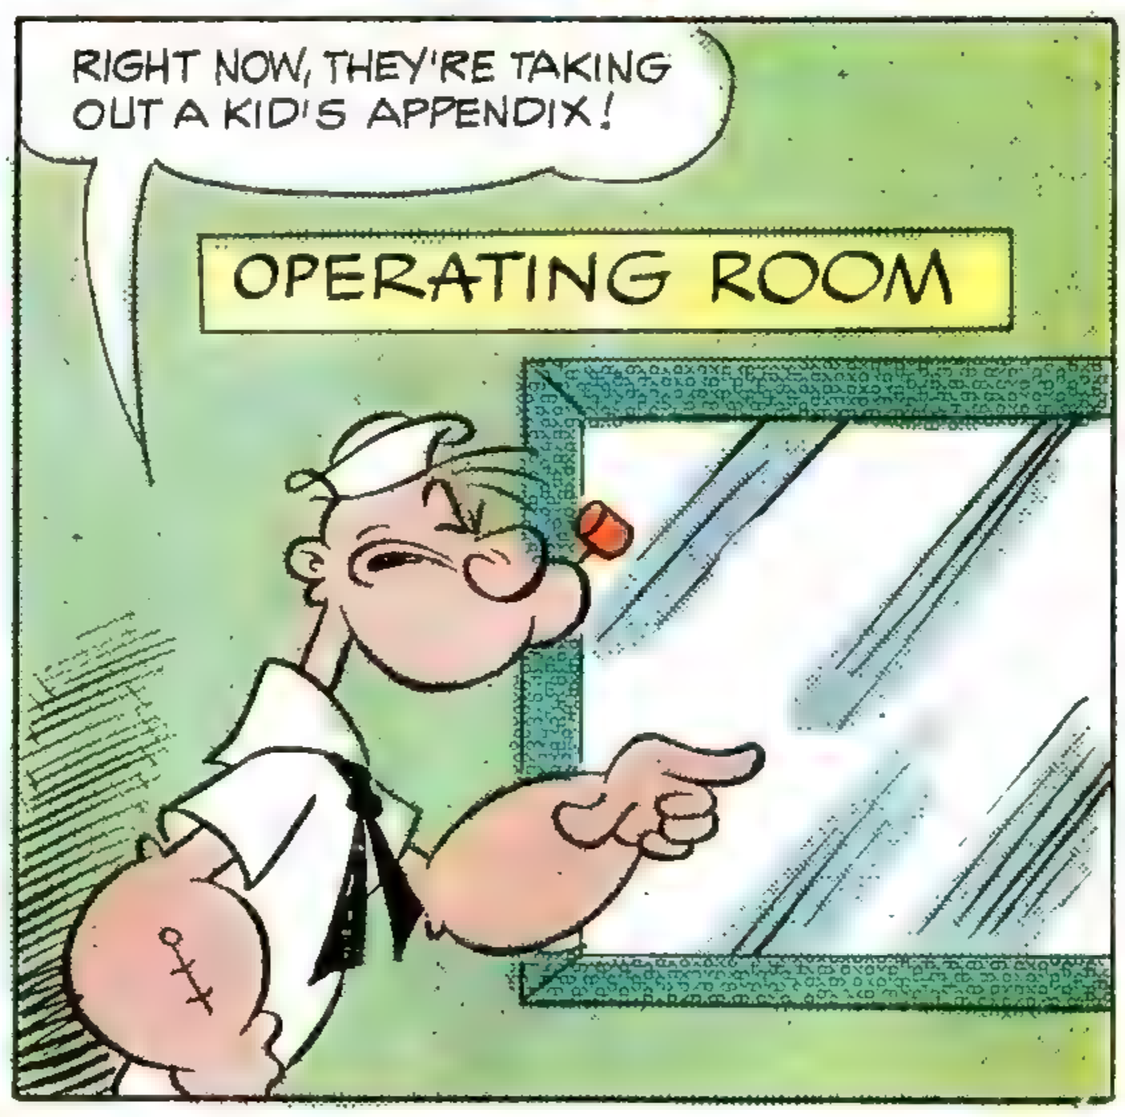
HUNTERS HAVE JOBS IN THE HEALTH FIELD TOO!

EVEN SNAKE HUNTERS!

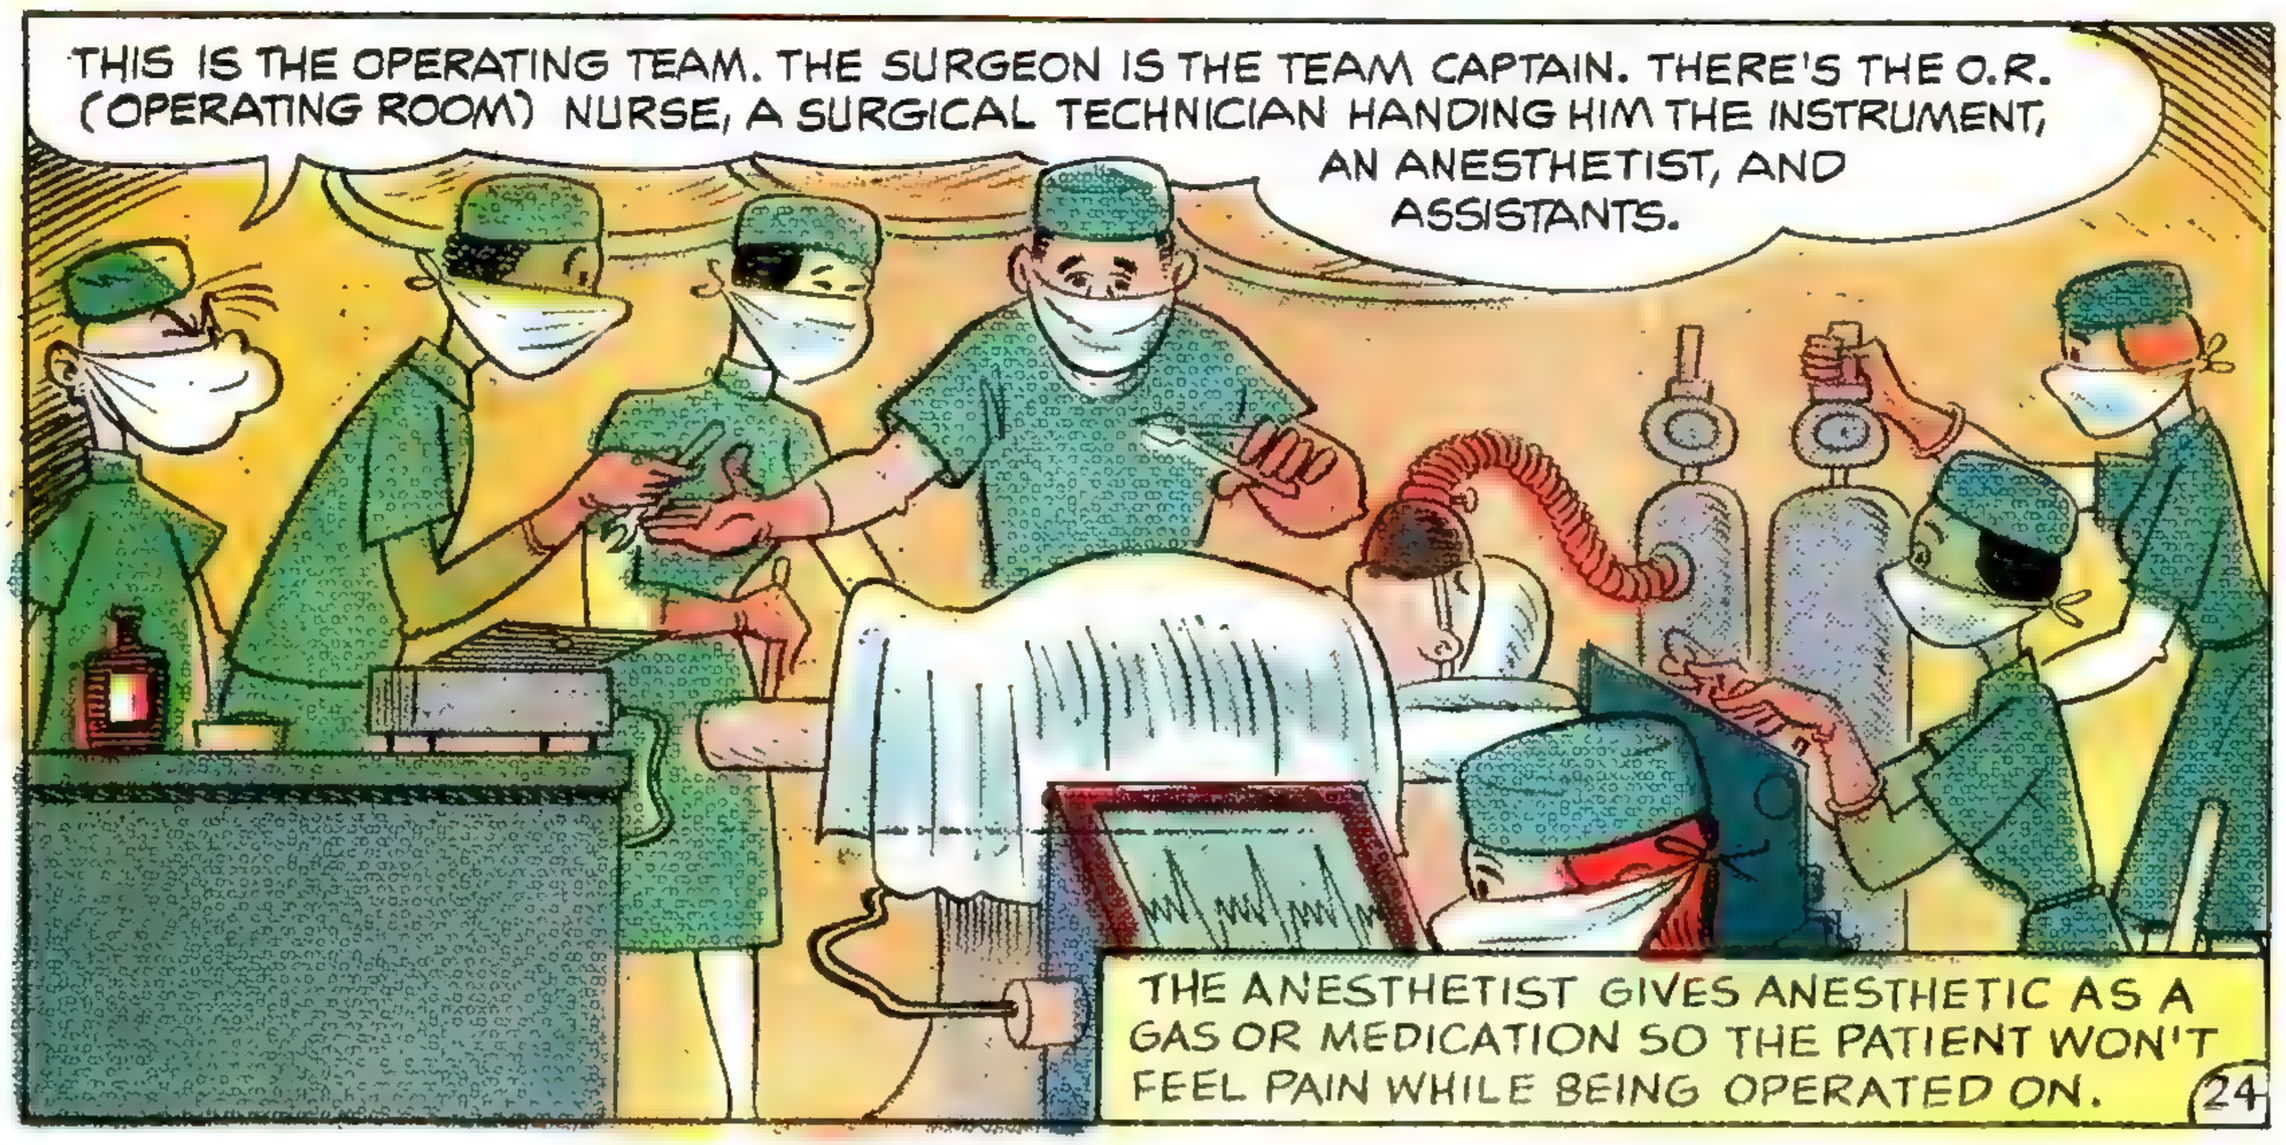
"SNAKE VENOM IS USED IN THE TREATMENT OF SOME DISEASES."

MEDICAL RECORD LIBRARIANS CATALOGUE AND FILE INFORMATION, PURCHASE BOOKS, EXCERPT MATERIAL FOR DOCTORS AND DO OTHER THINGS.

IN THE HEALTH FIELD, THERE ARE DOCTORS, NURSES, TECHNICIANS, ADMINISTRATORS, COOKS, MAIDS, AND LOTS MORE.



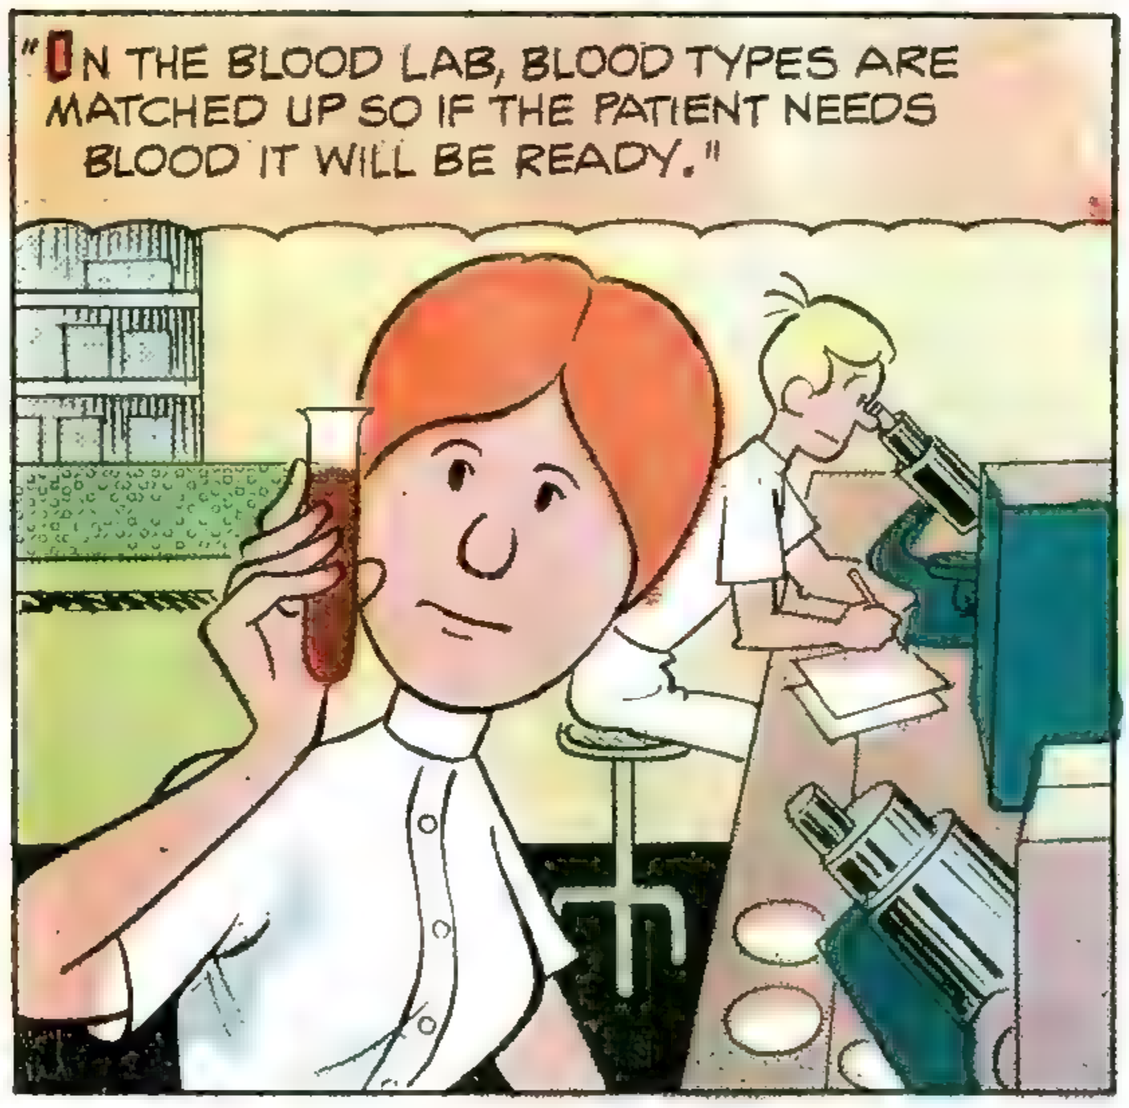
RIGHT NOW, THEY'RE TAKING OUT A KID'S APPENDIX!
OPERATING ROOM



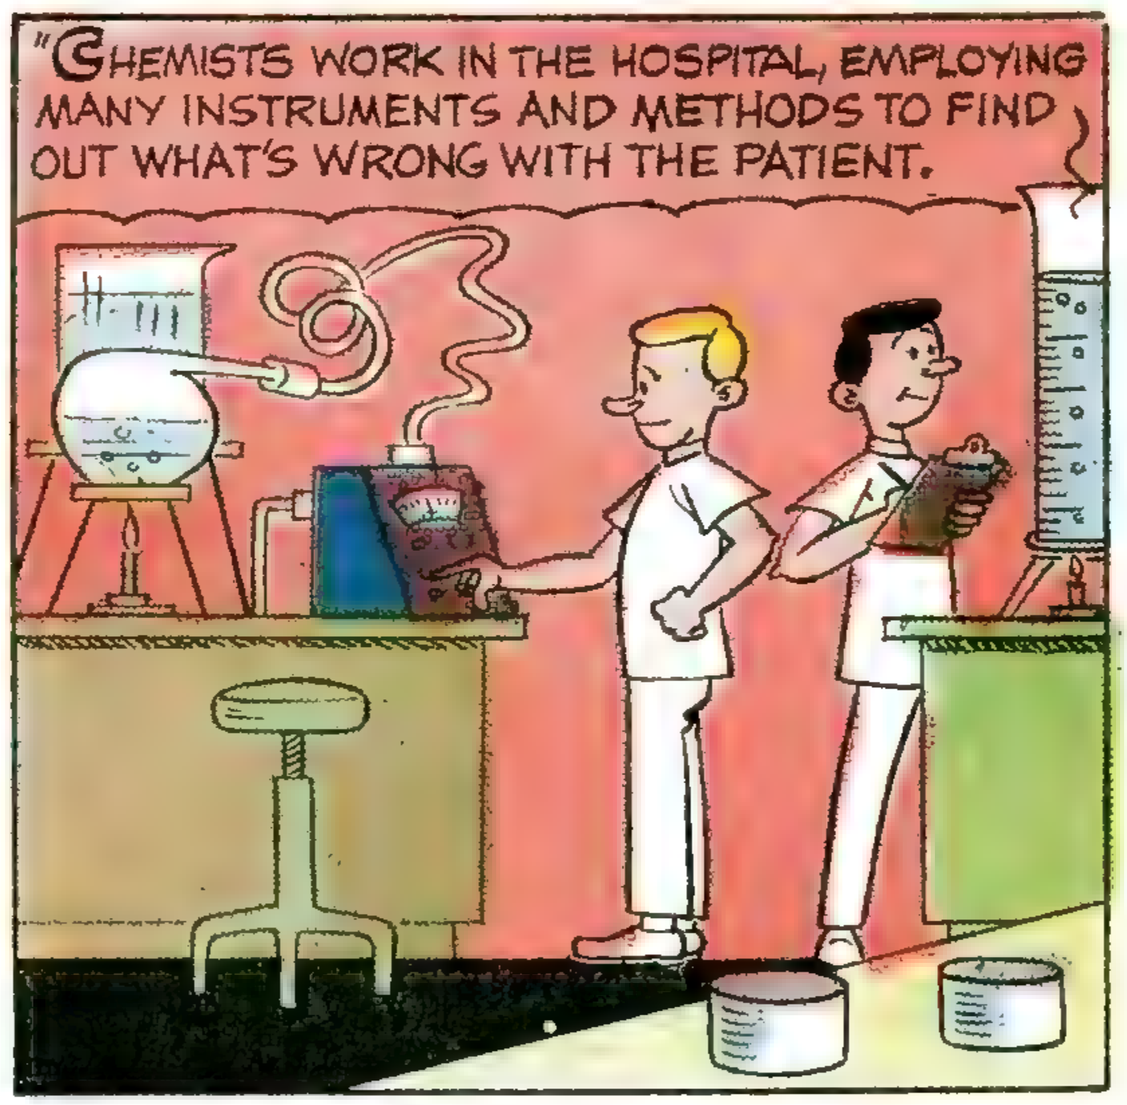
THIS IS THE OPERATING TEAM. THE SURGEON IS THE TEAM CAPTAIN. THERE'S THE O.R. (OPERATING ROOM) NURSE, A SURGICAL TECHNICIAN HANDING HIM THE INSTRUMENT, AN ANESTHETIST, AND ASSISTANTS.
THE ANESTHETIST GIVES ANESTHETIC AS A GAS OR MEDICATION SO THE PATIENT WON'T FEEL PAIN WHILE BEING OPERATED ON.

THERE ARE OTHERS BACKING UP THIS TEAM. A PATHOLOGIST WILL EXAMINE TISSUE TAKEN FROM THE PATIENT.

"THE PATHOLOGIST MAKES SURE THERE ISN'T ANYTHING ELSE WRONG WITH THE PATIENT BY LOOKING AT THE TISSUE UNDER THE MICROSCOPE."

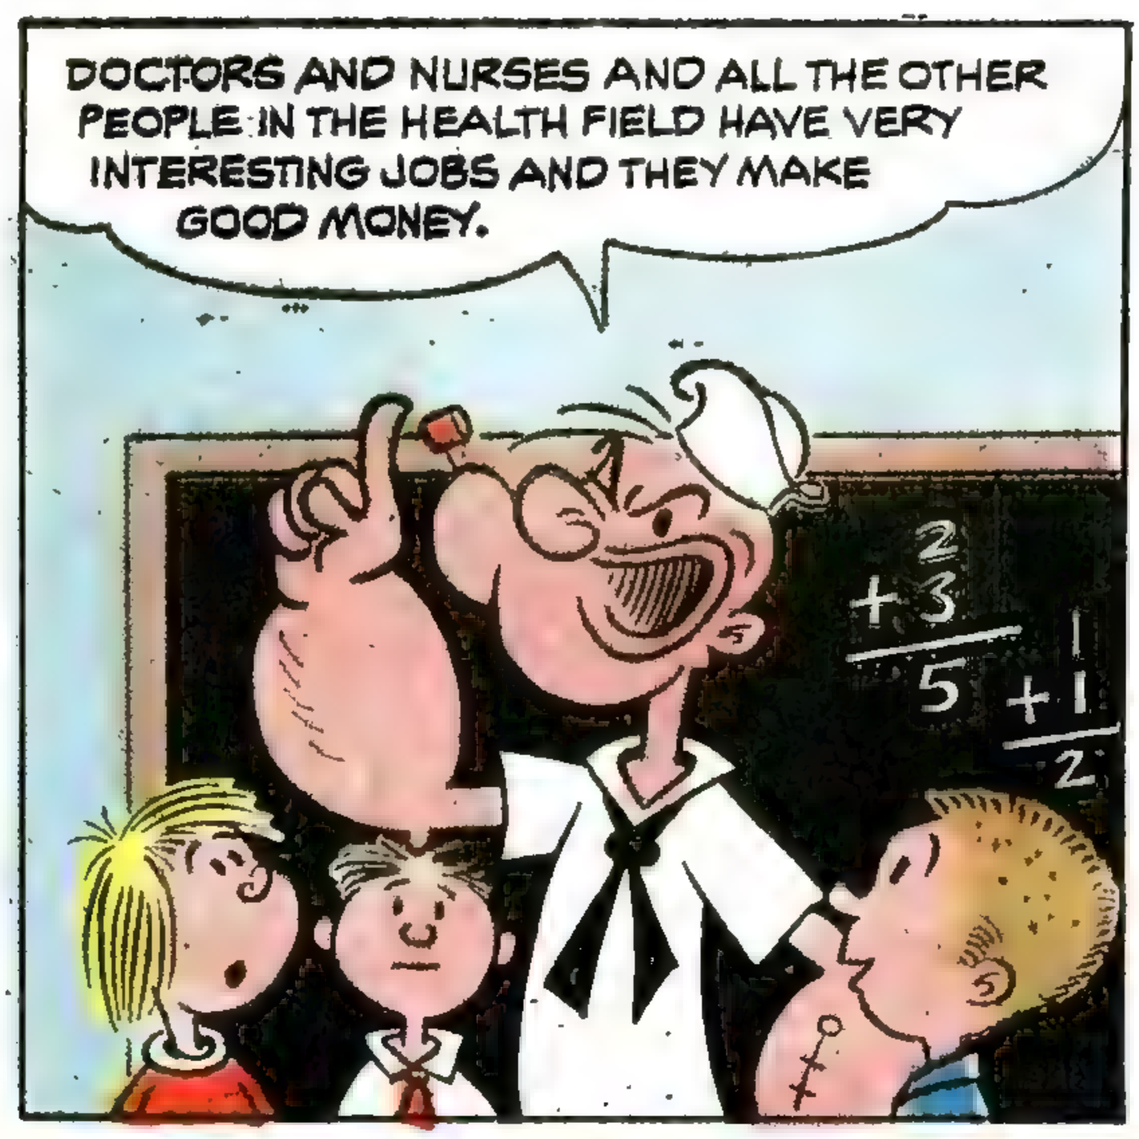


"ON THE BLOOD LAB, BLOOD TYPES ARE MATCHED UP SO IF THE PATIENT NEEDS BLOOD IT WILL BE READY."



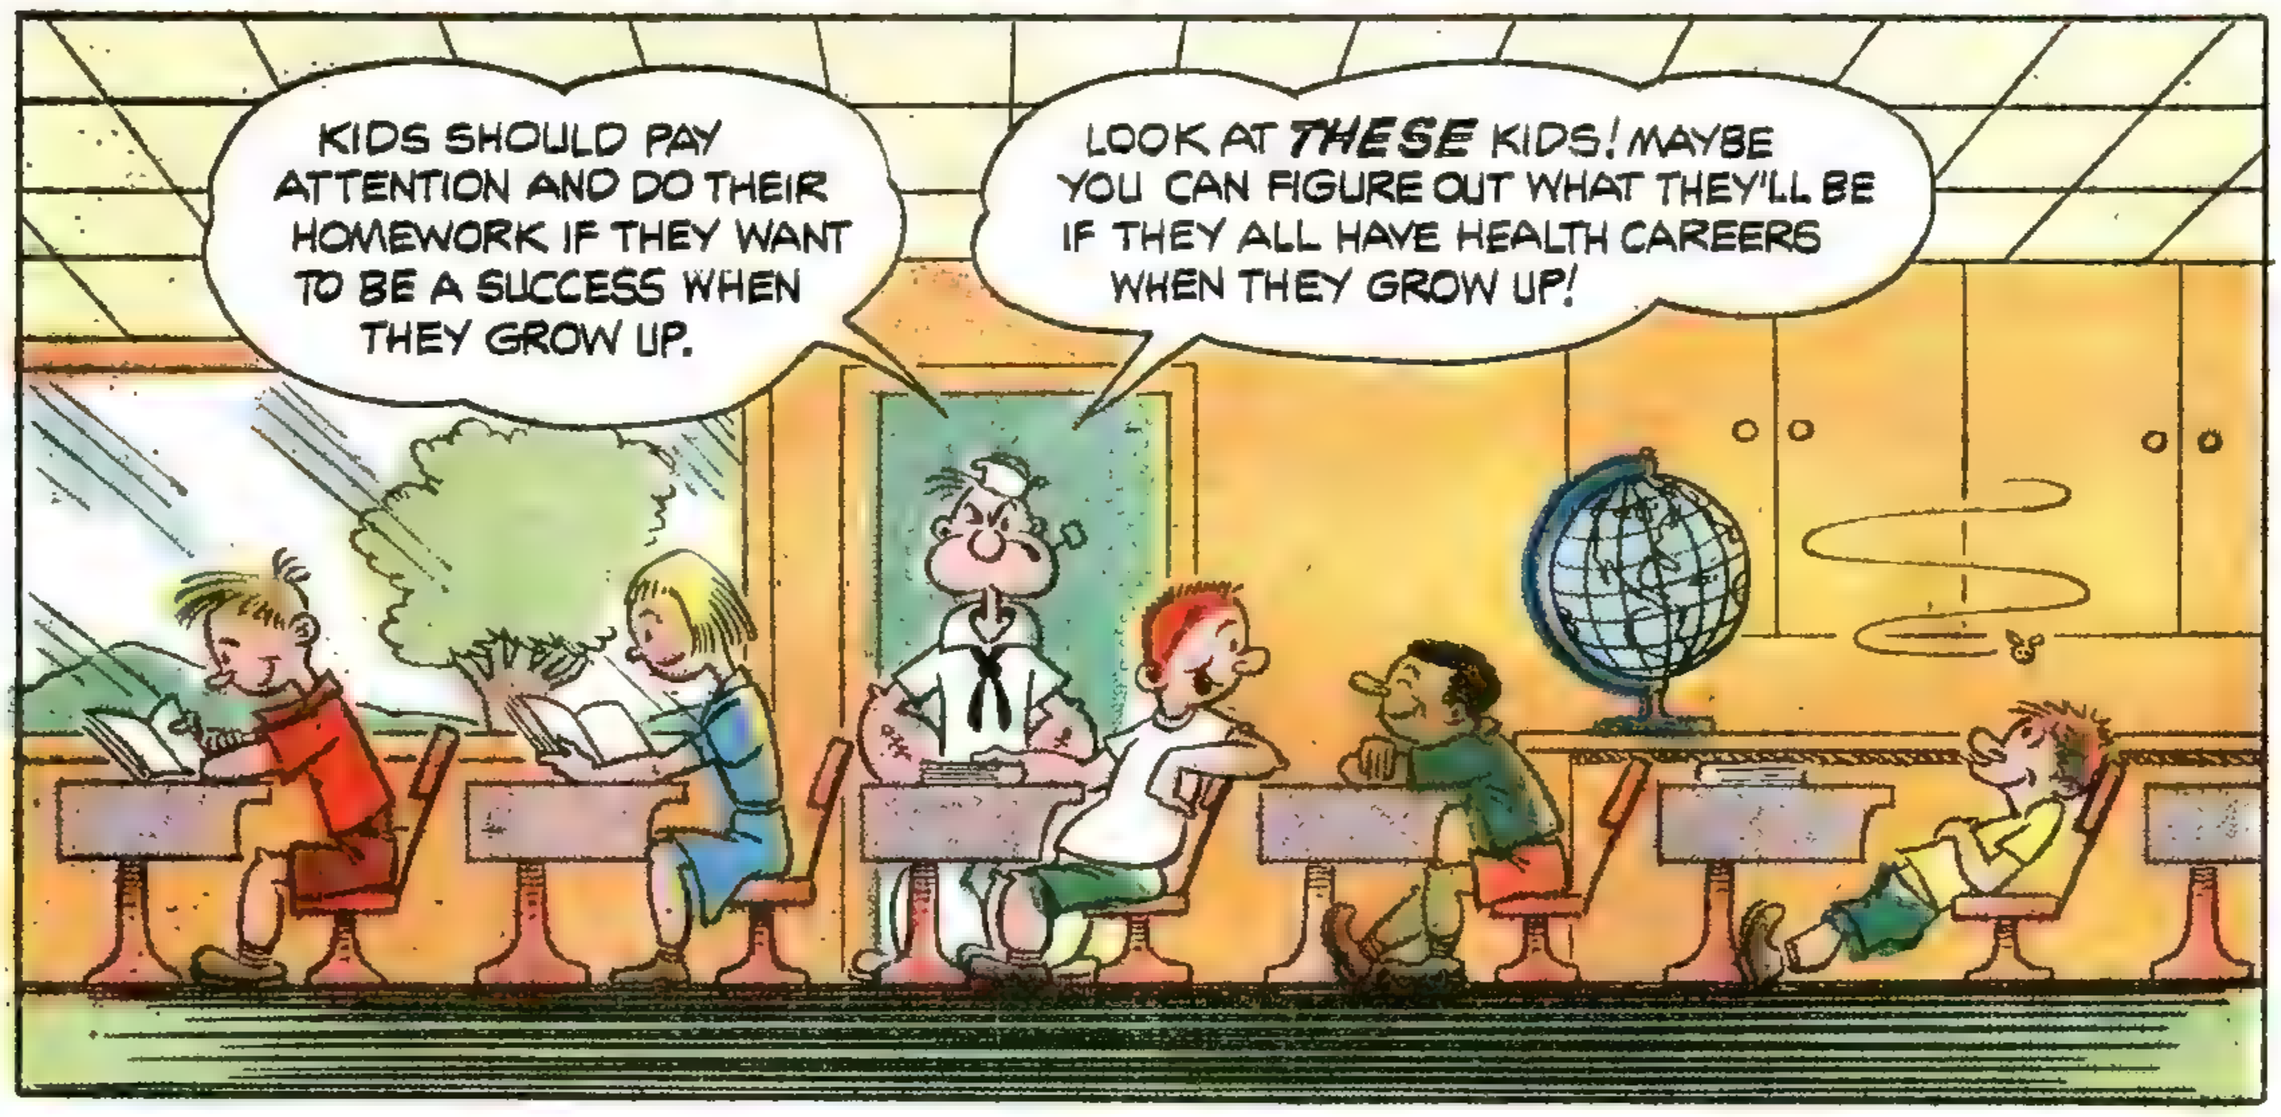
"CHEMISTS WORK IN THE HOSPITAL, EMPLOYING MANY INSTRUMENTS AND METHODS TO FIND OUT WHAT'S WRONG WITH THE PATIENT.

WHILE LITTLE JOHNNY'S HAVING HIS APPENDIX REMOVED, THE WARD CLERK IS TAKING CARE OF THE INFORMATION REQUIRED FOR HIS CARE.

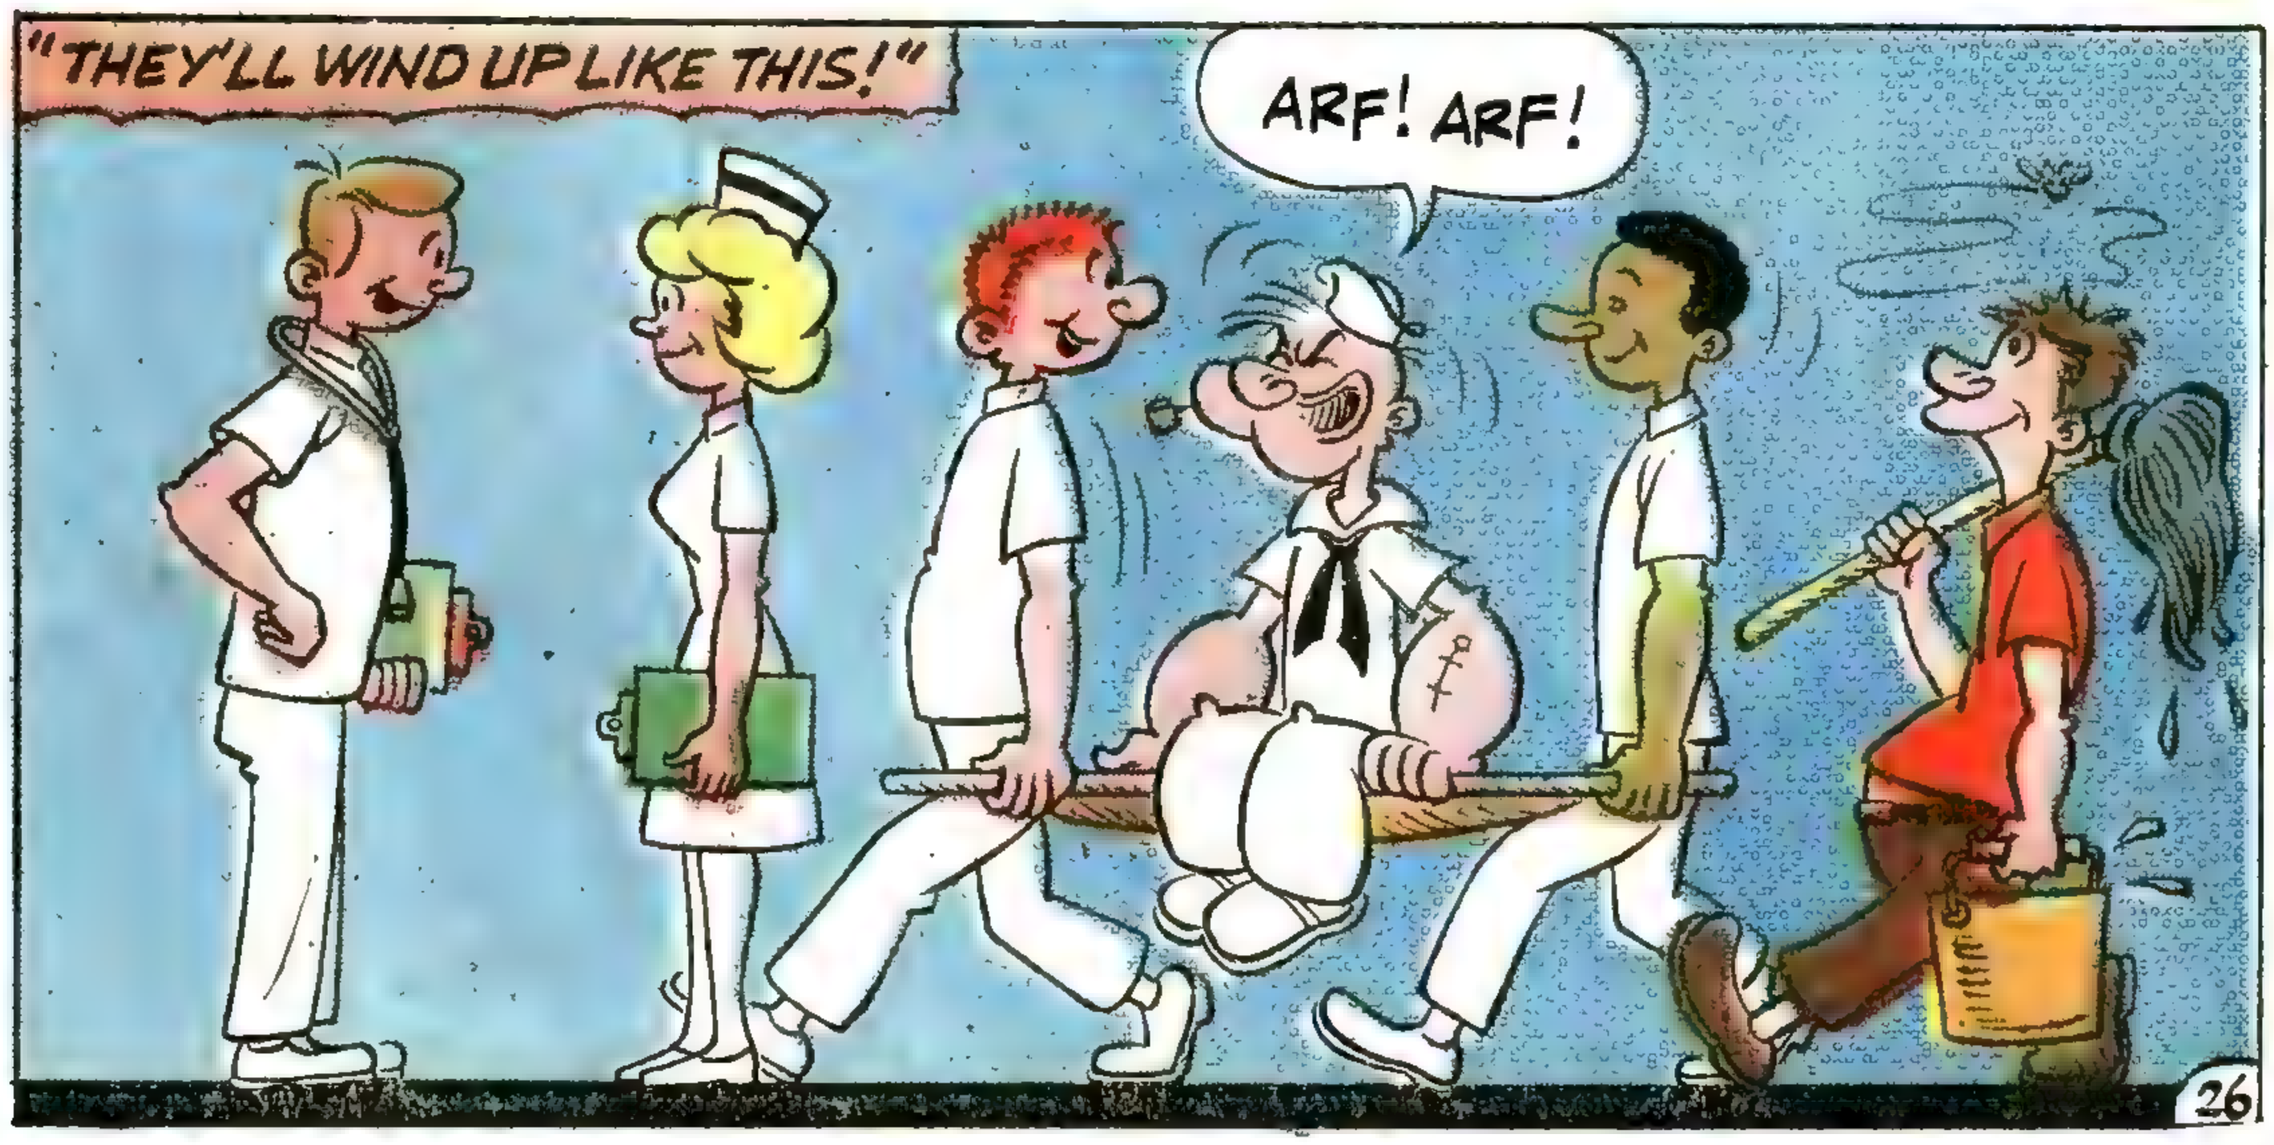


DOCTORS AND NURSES AND ALL THE OTHER PEOPLE IN THE HEALTH FIELD HAVE VERY INTERESTING JOBS AND THEY MAKE GOOD MONEY.

THOSE WHO WORK IN THE HEALTH FIELD FEEL GOOD BECAUSE THEY KNOW THEY'RE HELPING PEOPLE.

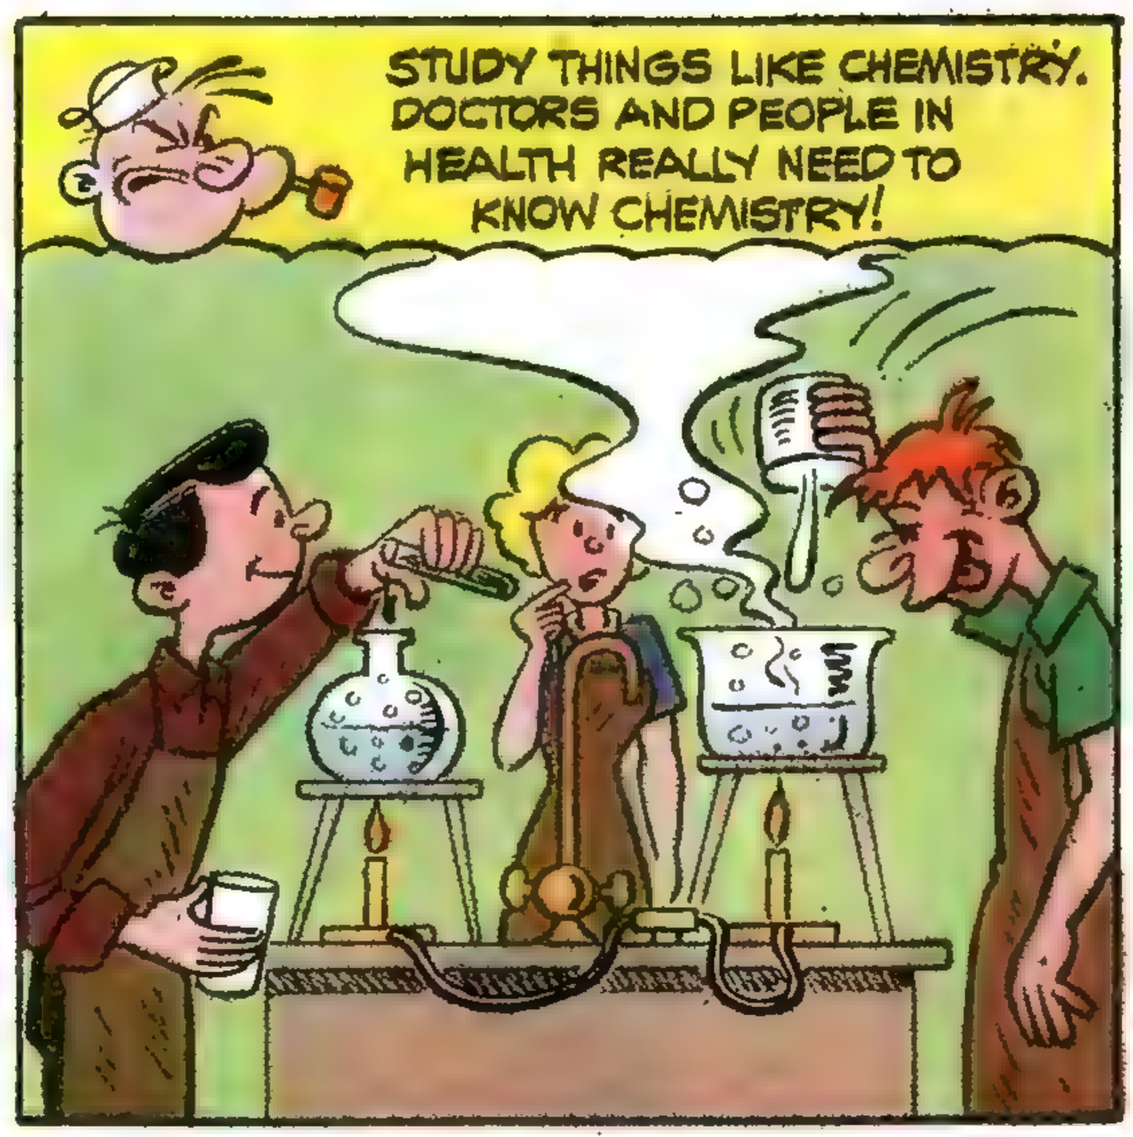


KIDS SHOULD PAY ATTENTION AND DO THEIR HOMEWORK IF THEY WANT TO BE A SUCCESS WHEN THEY GROW UP.
LOOK AT THESE KIDS! MAYBE YOU CAN FIGURE OUT WHAT THEY'LL BE IF THEY ALL HAVE HEALTH CAREERS WHEN THEY GROW UP!

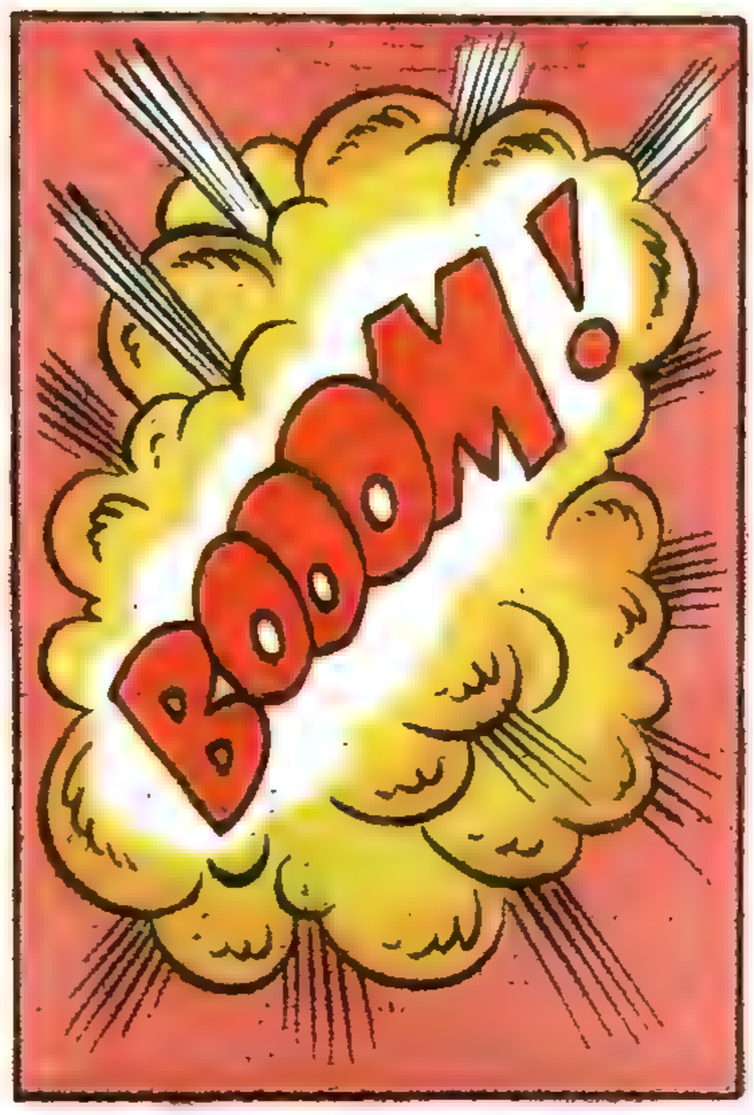


"THEY'LL WIND UP LIKE THIS!"
ARF! ARF!

IF YOU KIDS DECIDE YOU WANT CAREERS IN HEALTH WHEN YOU GROW UP, YOU CAN GET A GOOD START IN HIGH SCHOOL.
HIGH SCHOOL #1

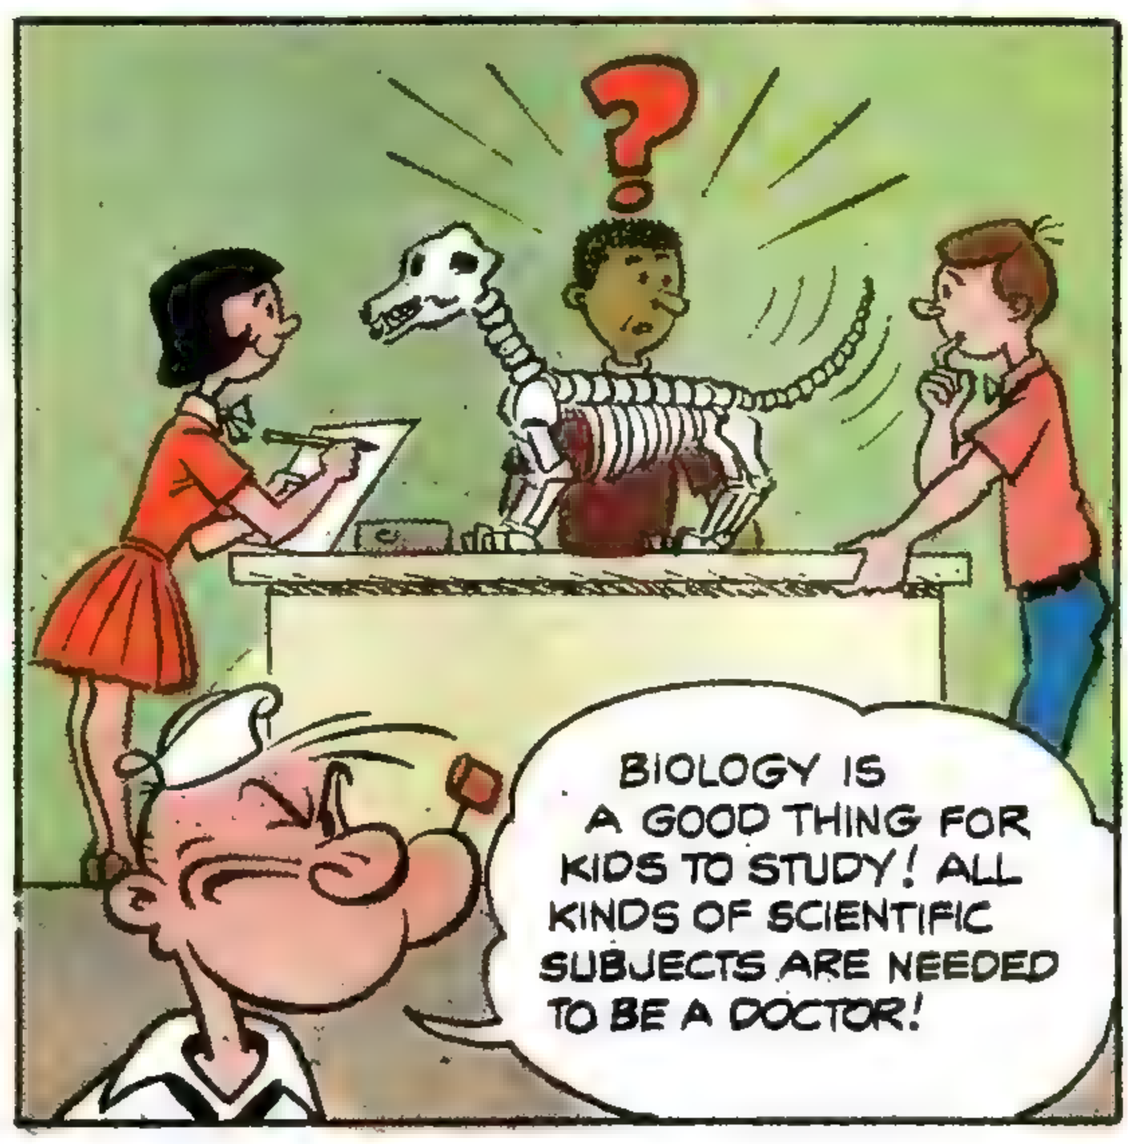


STUDY THINGS LIKE CHEMISTRY. DOCTORS AND PEOPLE IN HEALTH REALLY NEED TO KNOW CHEMISTRY!

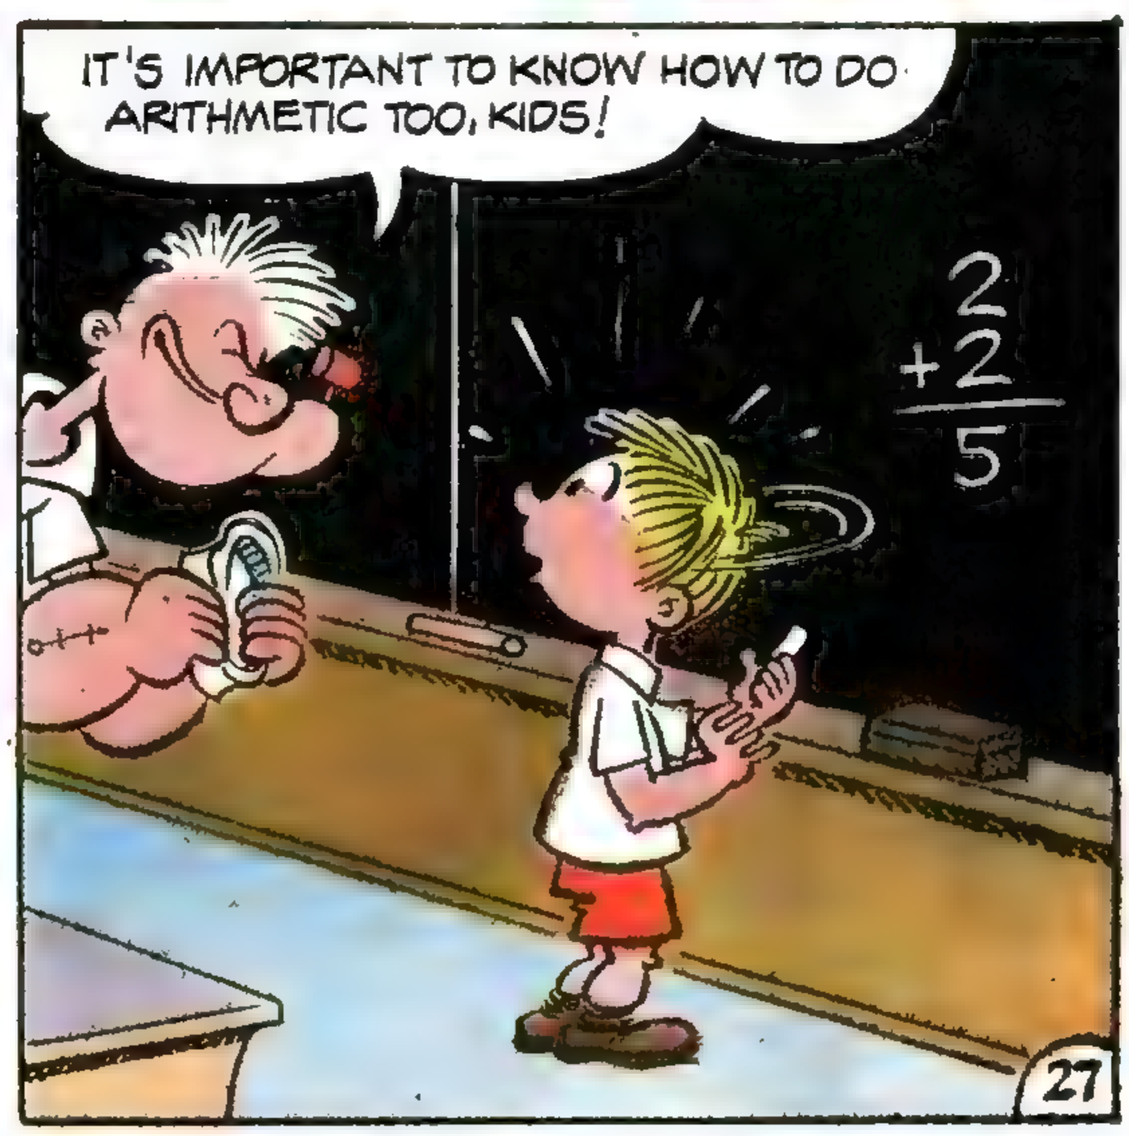


BOOOM!

KIDS NEED TO LEARN WHAT NOT TO DO, TOO! ARF! ARF!



?
BIOLOGY IS A GOOD THING FOR KIDS TO STUDY! ALL KINDS OF SCIENTIFIC SUBJECTS ARE NEEDED TO BE A DOCTOR!



IT'S IMPORTANT TO KNOW HOW TO DO ARITHMETIC TOO, KIDS!

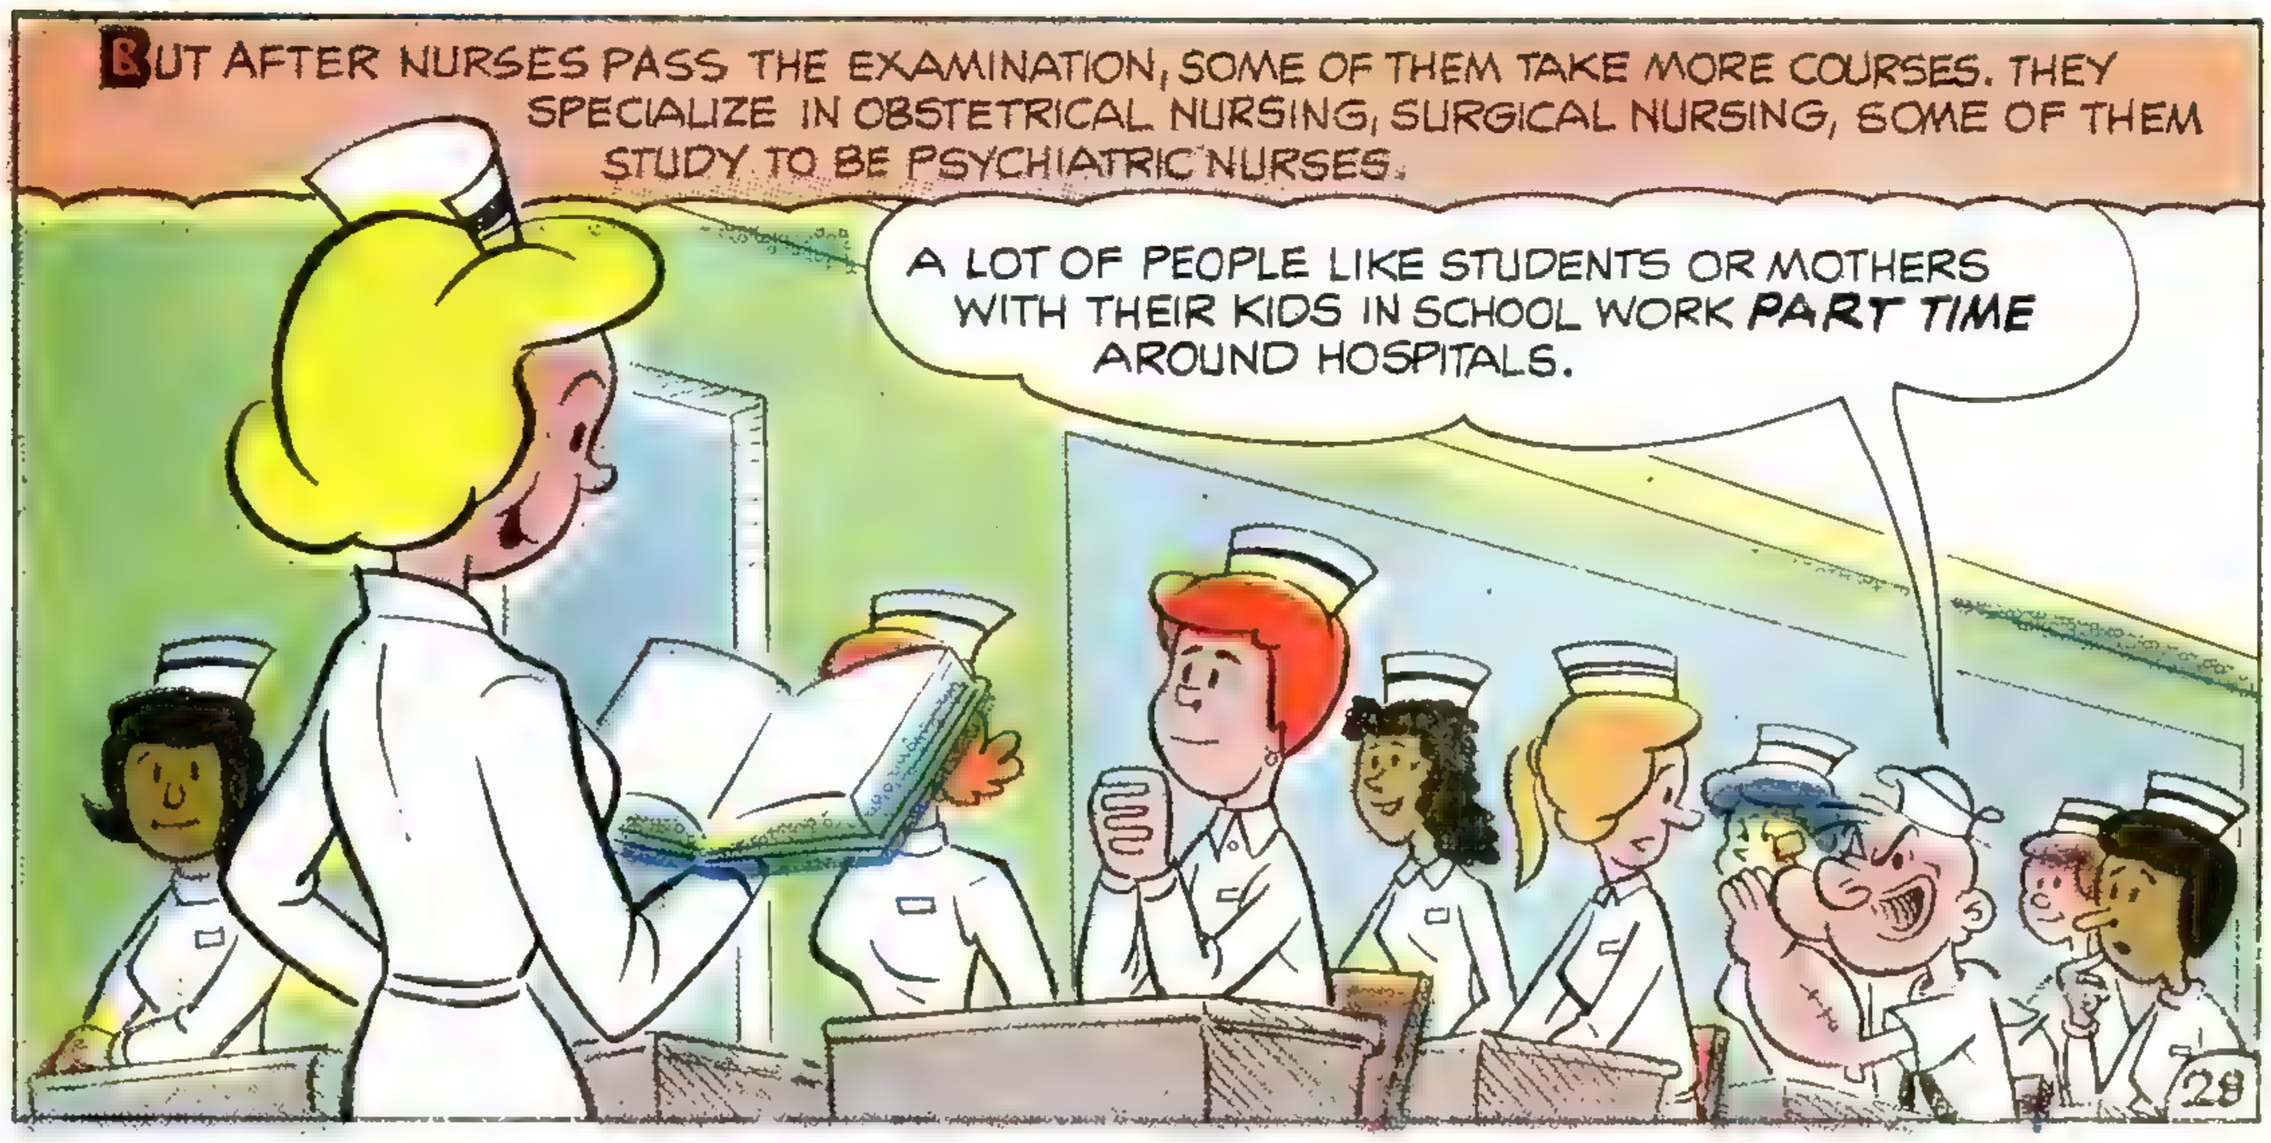
PEOPLE CAN START A HEALTH CAREER EVEN AFTER THEY'RE ALL GROWN UP.

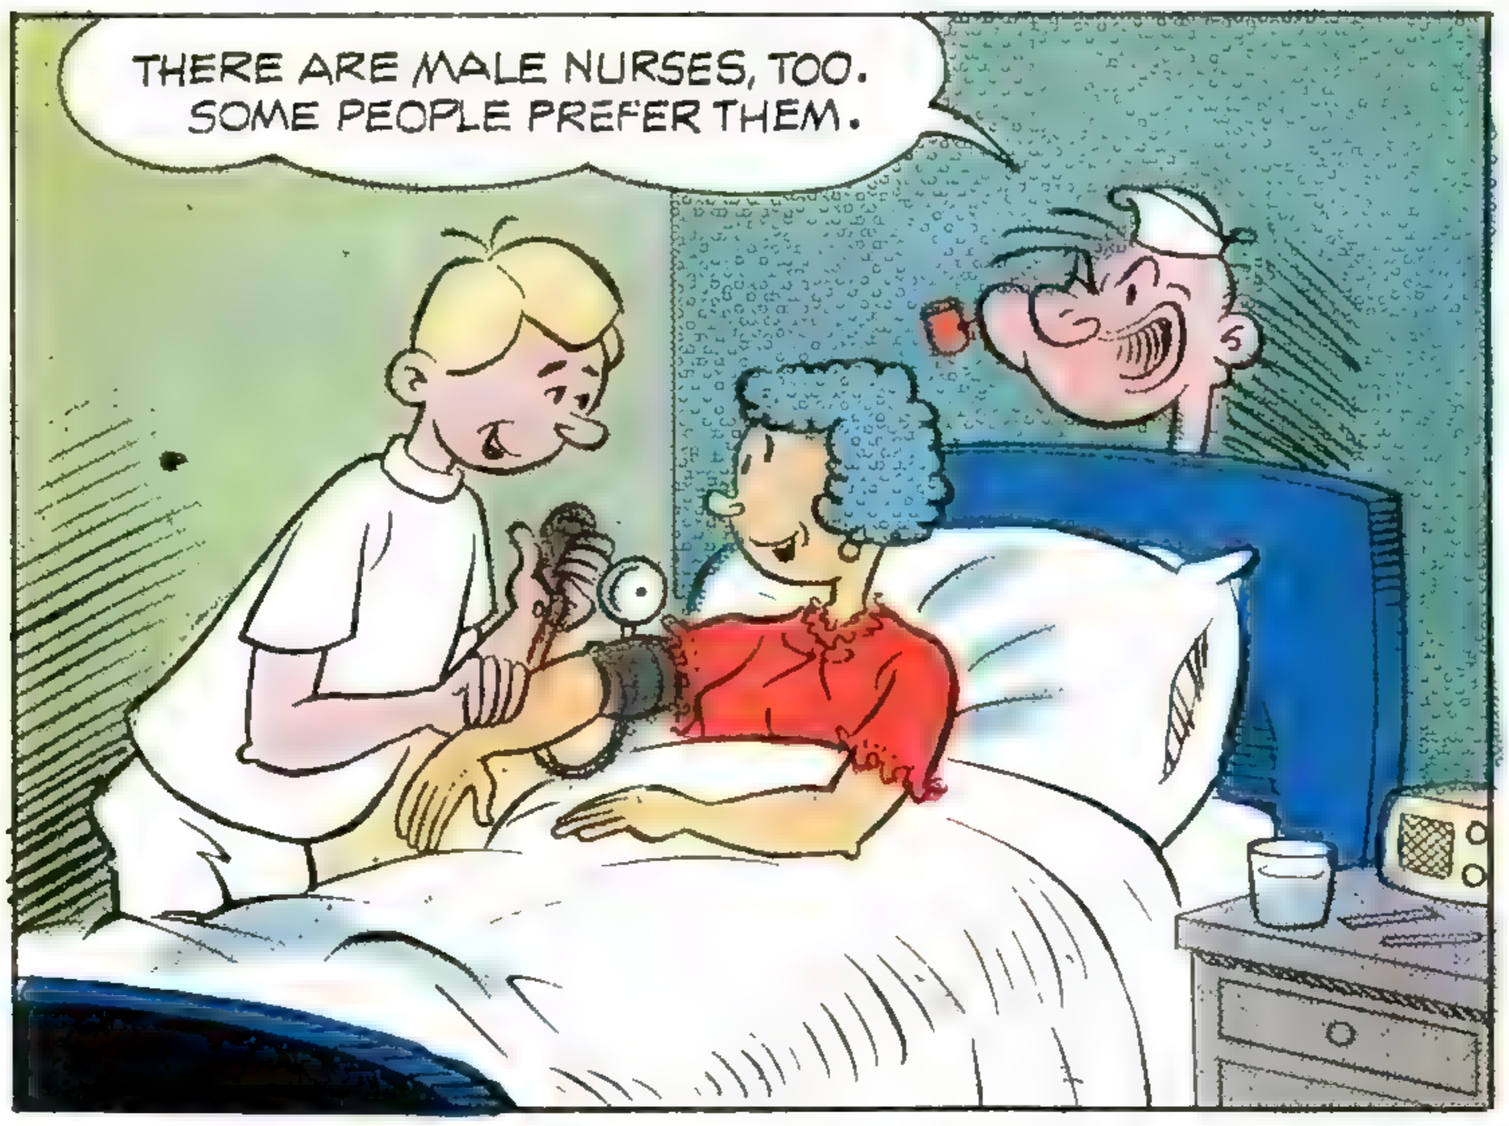
SOMETIMES MOTHERS WHOSE KIDS ARE ALL GROWN UP GO TO NURSING SCHOOL.
SCHOOL OF NURSING

"COMMUNITY COLLEGES OFFER COURSES IN NURSING. GRADUATES GET AN ASSOCIATE DEGREE AND ARE QUALIFIED TO TAKE THE STATE BOARD EXAMINATION."
COMMUNITY COLLEGE

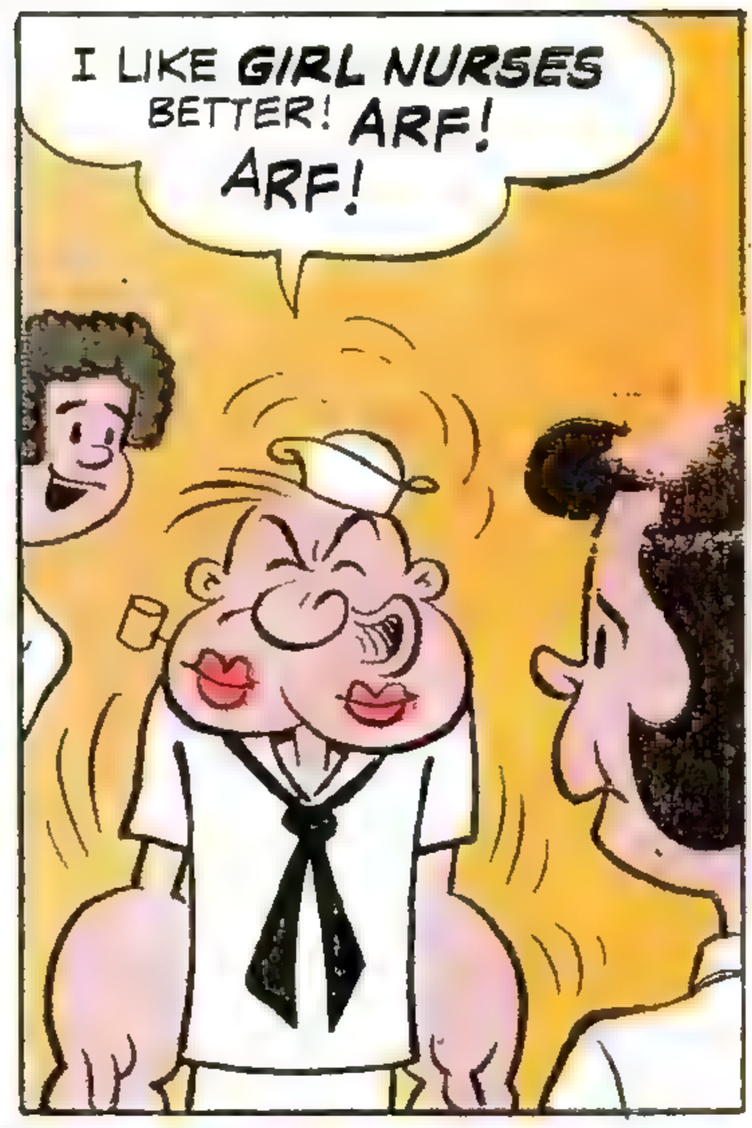
"THERE ARE ALSO FOUR-YEAR COURSES FOR NURSES."
UNIVERSITY



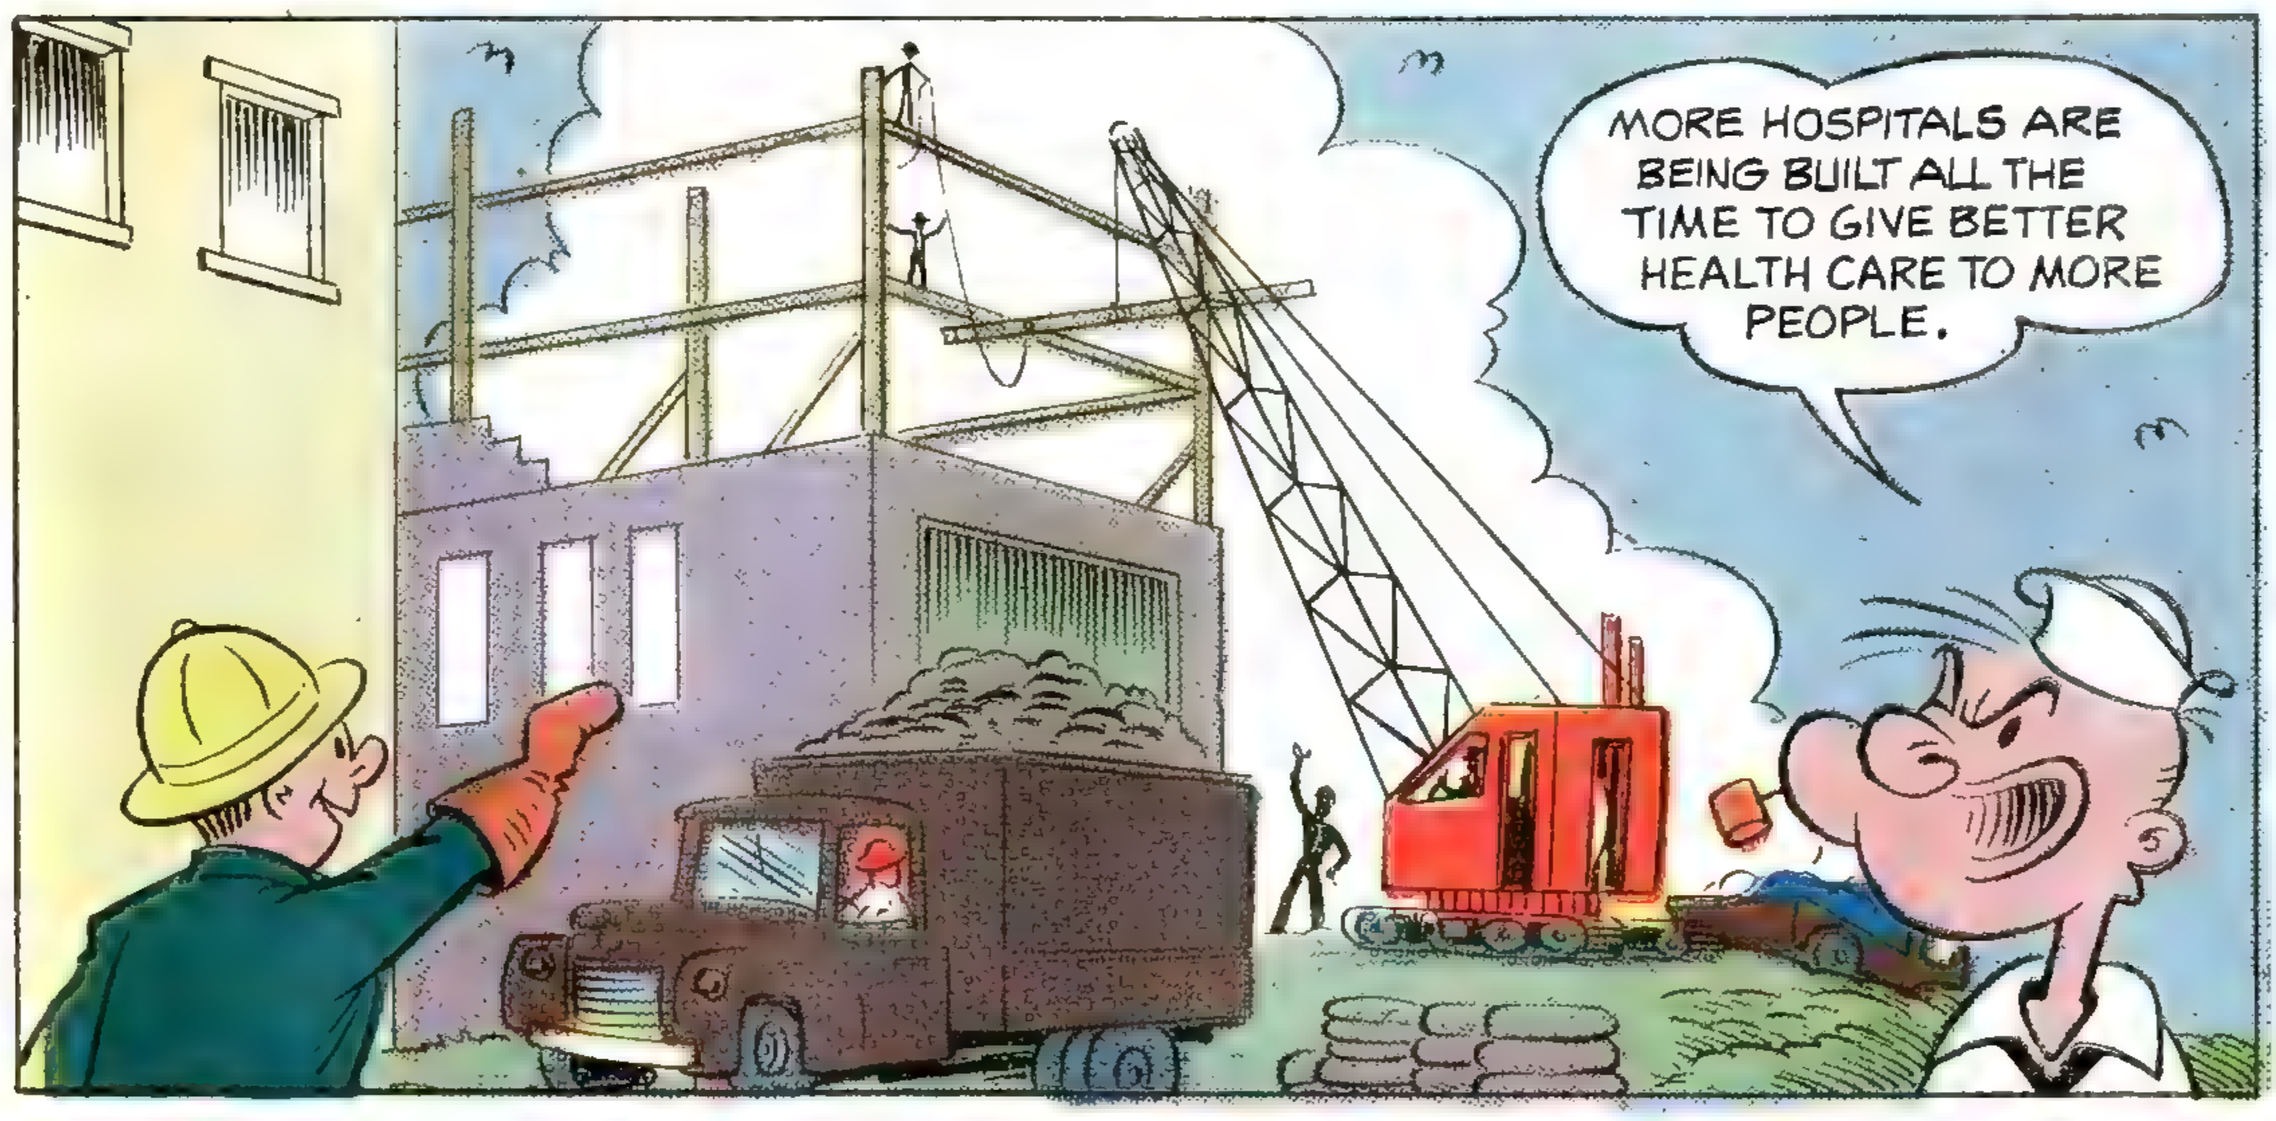
BUT AFTER NURSES PASS THE EXAMINATION, SOME OF THEM TAKE MORE COURSES. THEY SPECIALIZE IN OBSTETRICAL NURSING, SURGICAL NURSING, SOME OF THEM STUDY TO BE PSYCHIATRIC NURSES.
A LOT OF PEOPLE LIKE STUDENTS OR MOTHERS WITH THEIR KIDS IN SCHOOL WORK PART TIME AROUND HOSPITALS.



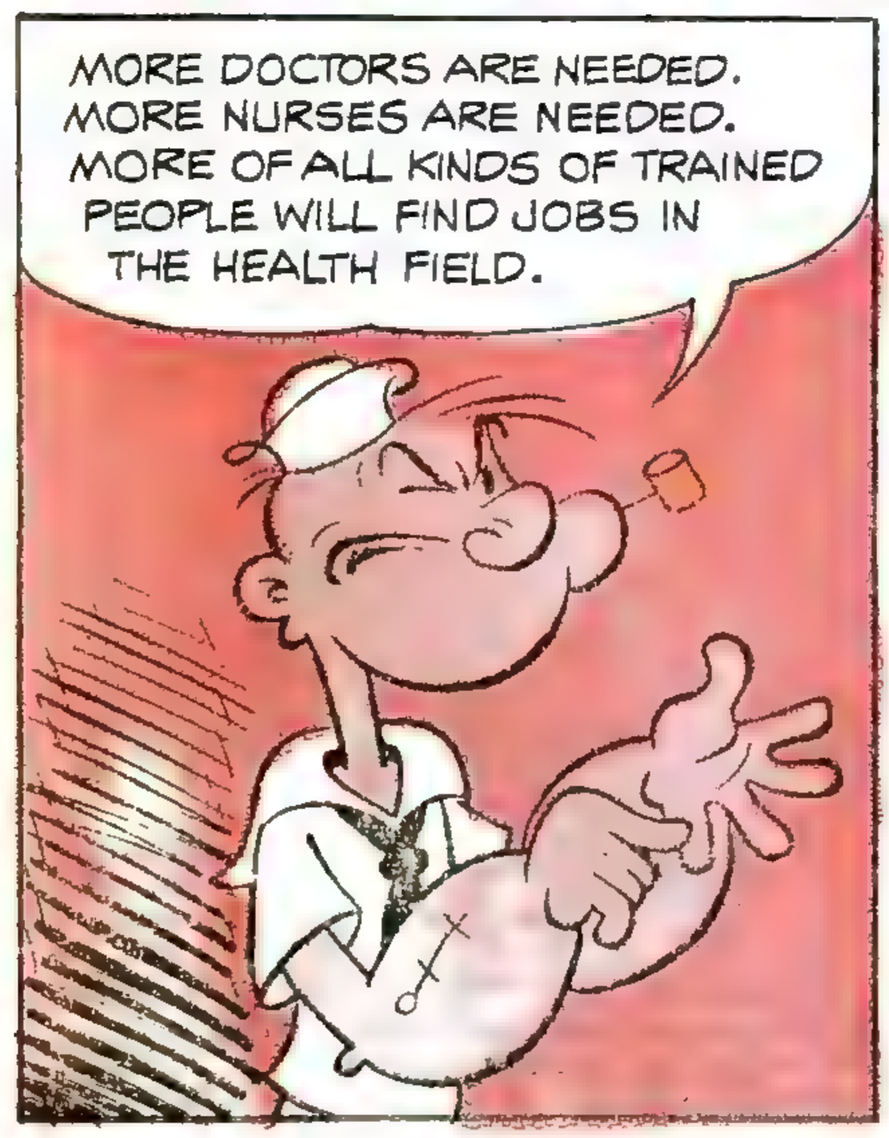
THERE ARE MALE NURSES, TOO. SOME PEOPLE PREFER THEM.



I LIKE GIRL NURSES BETTER! ARF! ARF!



MORE HOSPITALS ARE BEING BUILT ALL THE TIME TO GIVE BETTER HEALTH CARE TO MORE PEOPLE.



MORE DOCTORS ARE NEEDED. MORE NURSES ARE NEEDED. MORE OF ALL KINDS OF TRAINED PEOPLE WILL FIND JOBS IN THE HEALTH FIELD.

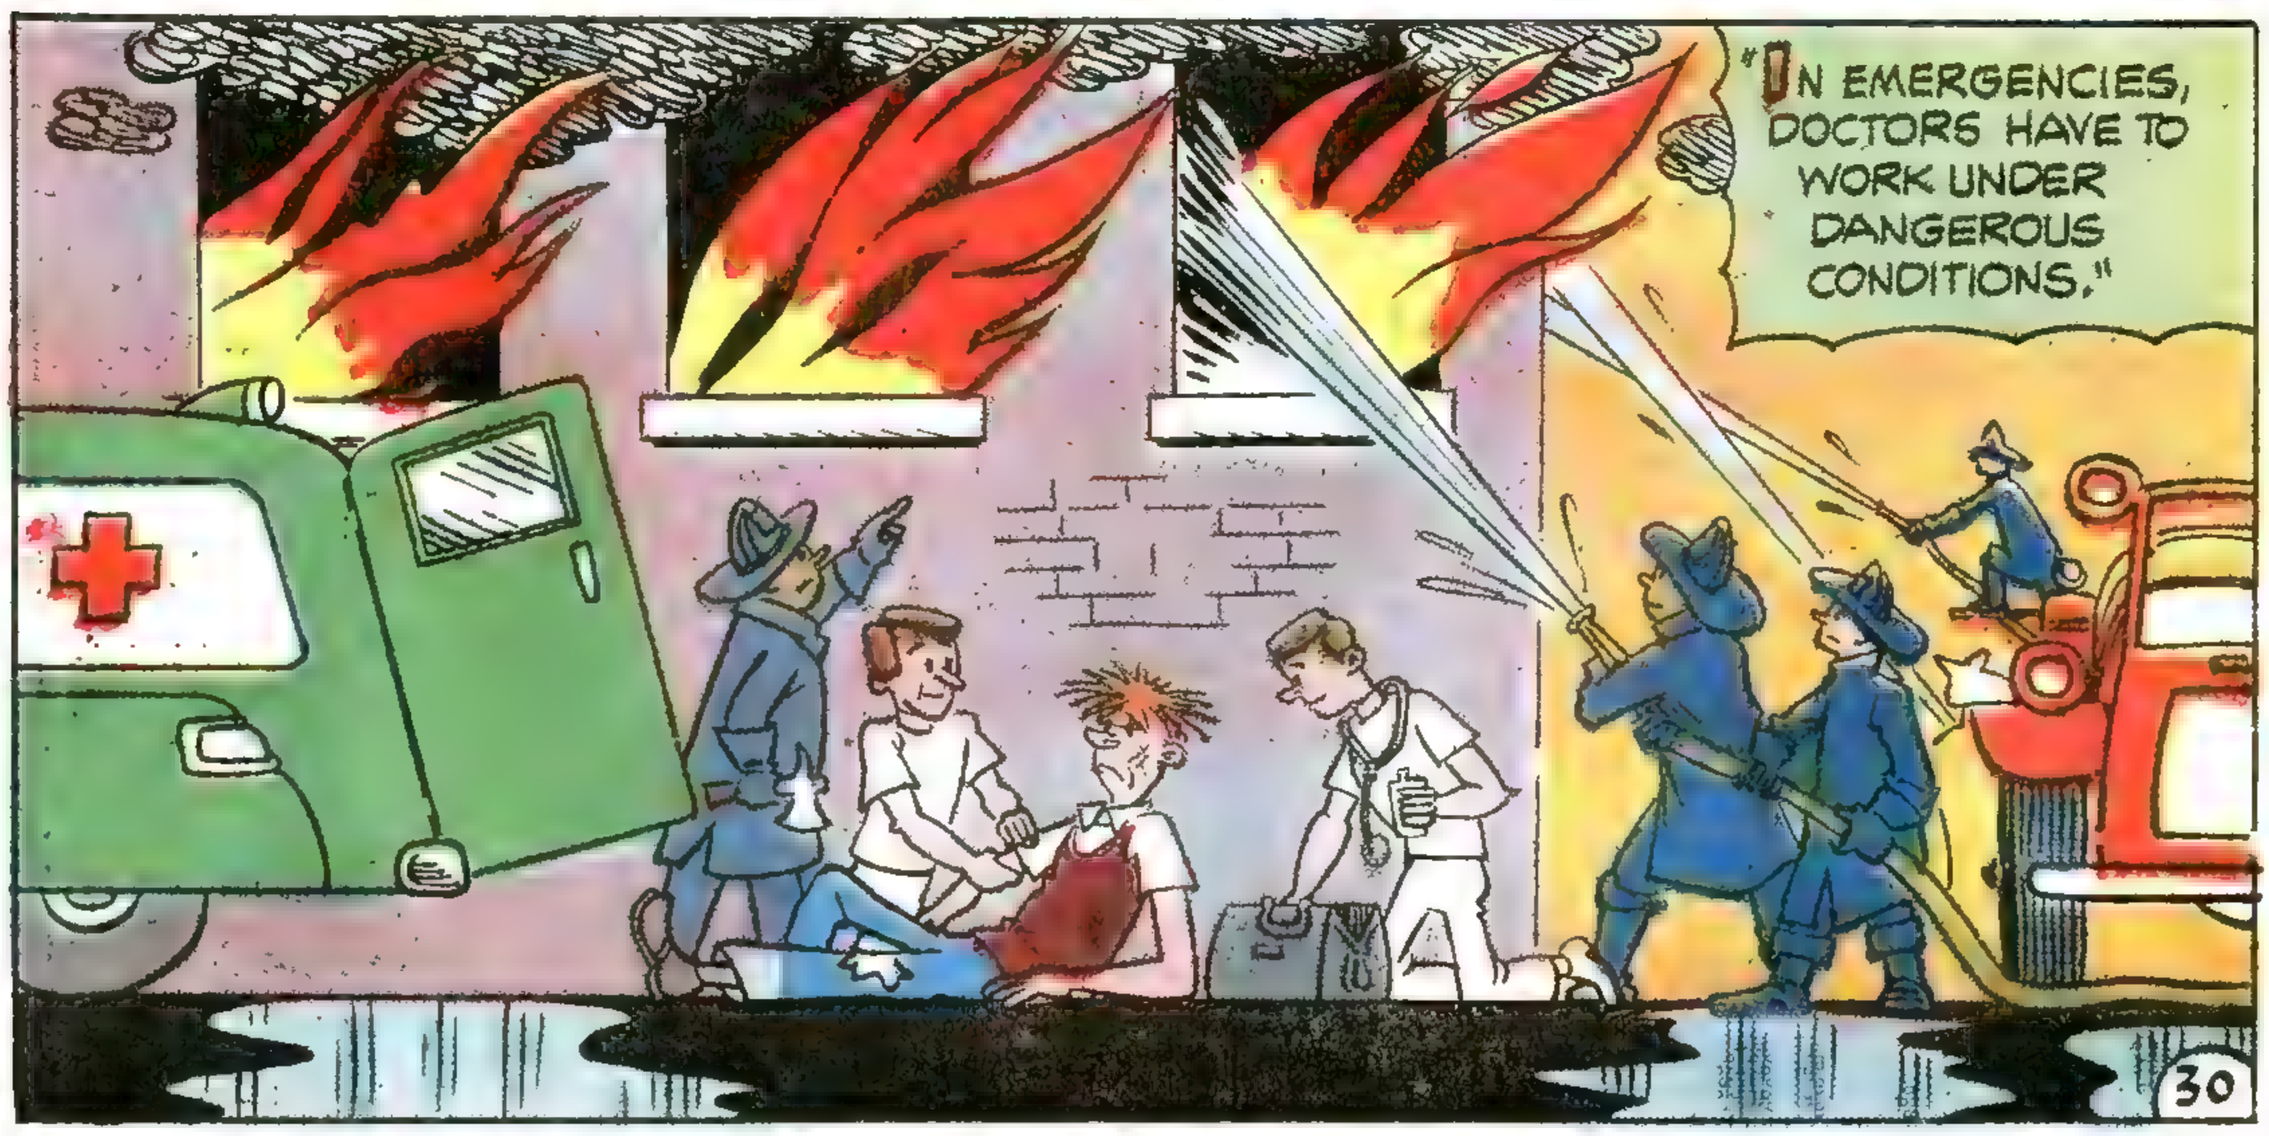
YOU KIDS STUDY HARD SO YOU CAN GET TO THE TOP!

DOCTORS, NURSES, TECHNICIANS, AND OTHERS WHO WORK IN THE HEALTH FIELD ARE ALWAYS NEEDED.

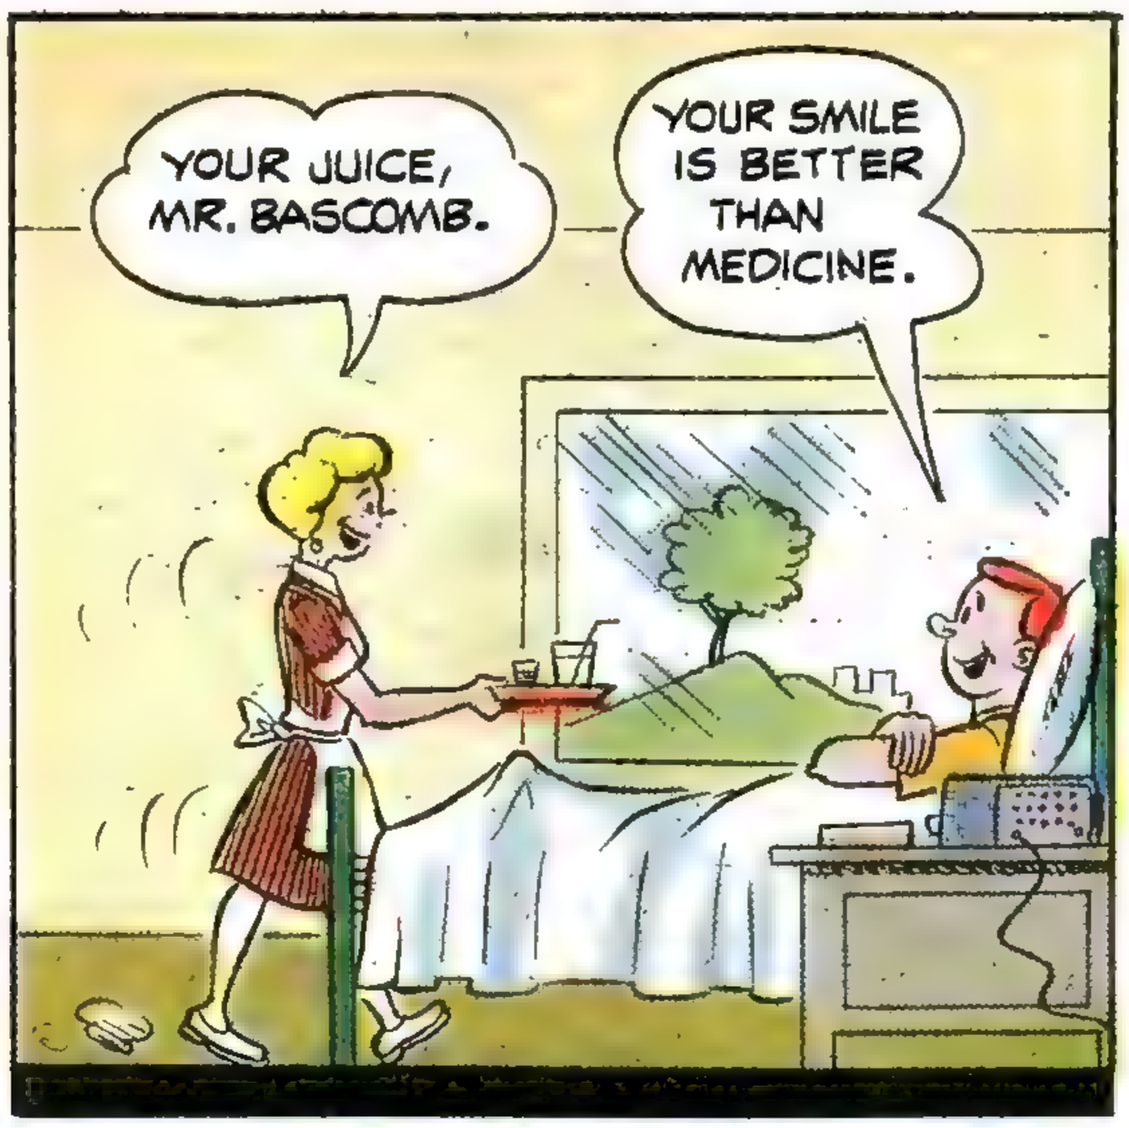
THEY USUALLY HAVE PLEASANT WORKING CONDITIONS, PLEASANT PEOPLE TO WORK WITH, AND...

"...THE SATISFACTION OF KNOWING THEY'RE DOING A LOT OF GOOD!"

"THERE ARE DISADVANTAGES, NATURALLY. PEOPLE DON'T ALWAYS GET SICK AT CONVENIENT TIMES. AMBULANCE DRIVERS AND DOCTORS WORK IRREGULAR HOURS."



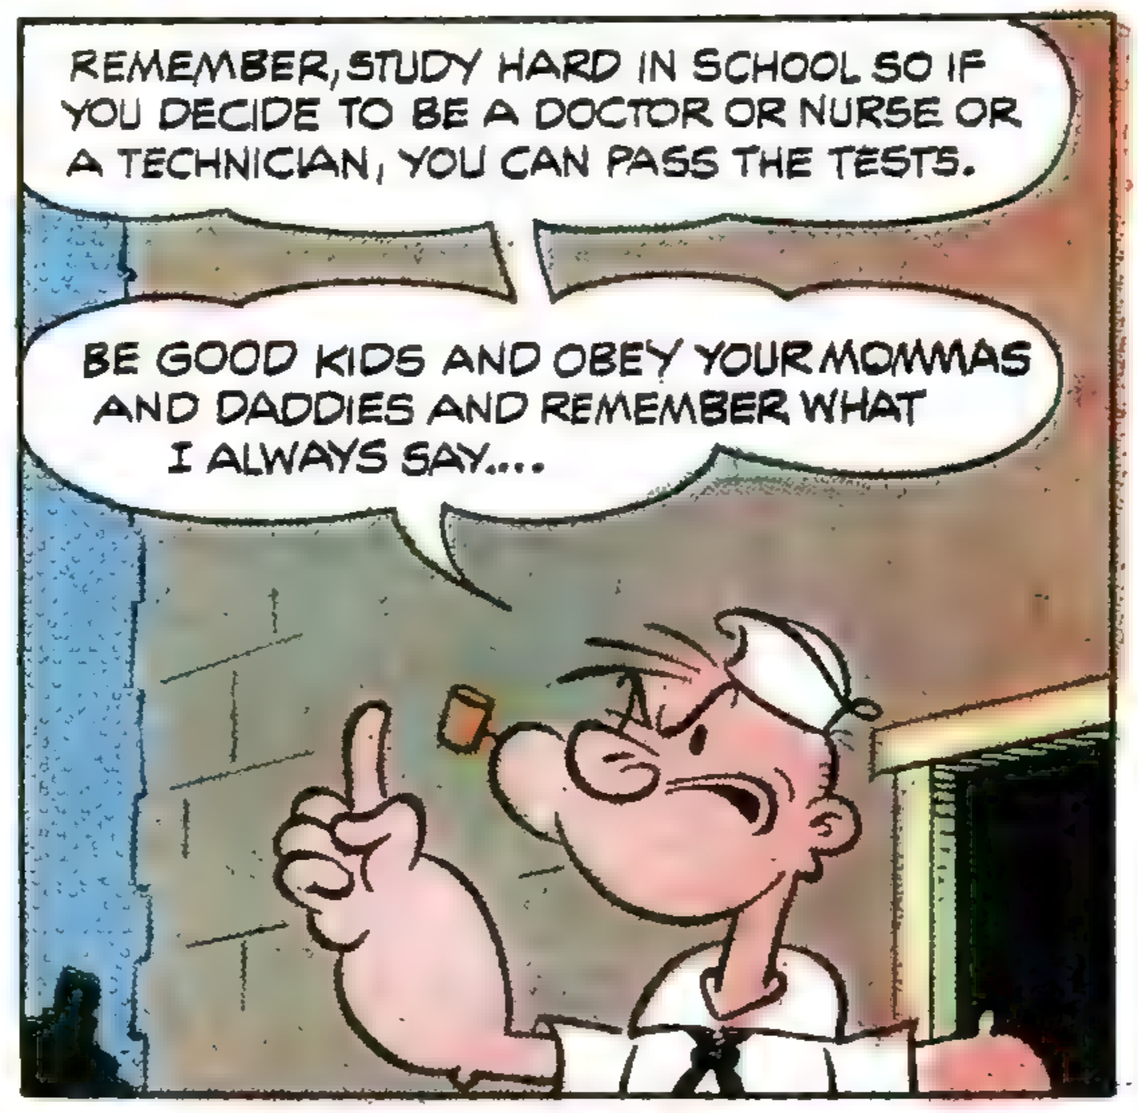
"IN EMERGENCIES, DOCTORS HAVE TO WORK UNDER DANGEROUS CONDITIONS."



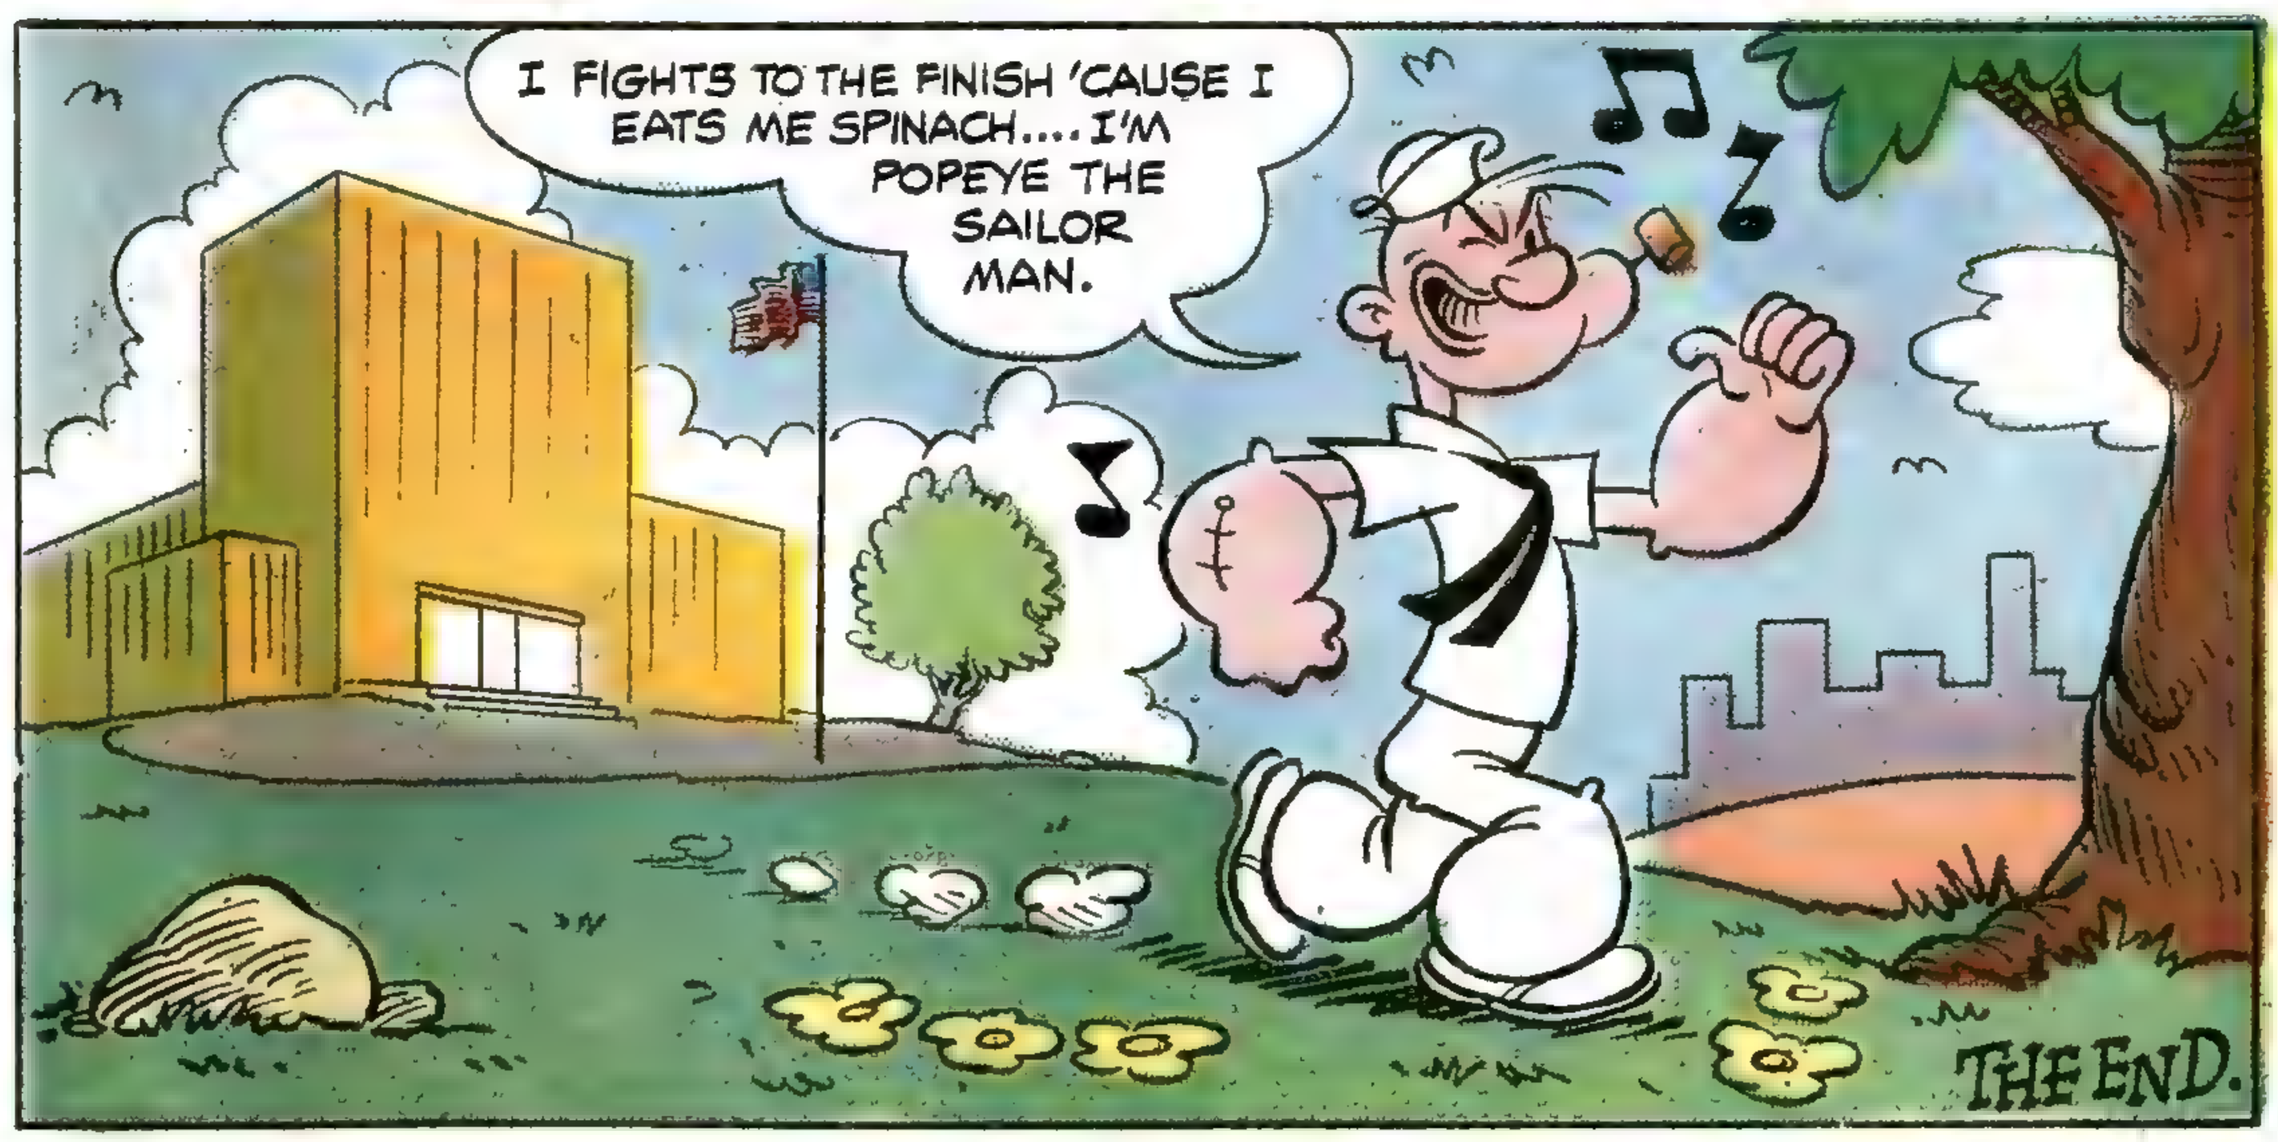
YOUR JUICE, MR. BASCOMB.
YOUR SMILE IS BETTER THAN MEDICINE.

YOUNG LADIES WHO VOLUNTEER TO HELP AROUND THE HOSPITAL ARE CALLED 'CANDY-STRIPERS' BECAUSE THEY WEAR CUTE STRIPED UNIFORMS. BOYS DO VOLUNTEER WORK AROUND HOSPITALS TOO.

IT'S A GREAT WAY FOR YOU KIDS TO FIND OUT IF YOU'D LIKE TO HAVE A CAREER IN THE HEALTH FIELD.
21



REMEMBER, STUDY HARD IN SCHOOL SO IF YOU DECIDE TO BE A DOCTOR OR NURSE OR A TECHNICIAN, YOU CAN PASS THE TESTS.
BE GOOD KIDS AND OBEY YOUR MOMMAS AND DADDIES AND REMEMBER WHAT I ALWAYS SAY....



I FIGHTS TO THE FINISH 'CAUSE I EATS ME SPINACH.... I'M POPEYE THE SAILOR MAN.

HEY, KIDS-

THERE ARE MANY SATISFYING AND REWARDING CAREERS FOR YOU IN THE ***HEALTH*** FIELD. SOME REQUIRE MORE EDUCATION AND TRAINING THAN OTHERS. SOME JOBS MAY BE A STEPPING STONE TO EVEN MORE SATISFYING AND REWARDING HEALTH JOBS, AS YOU GROW OLDER. THESE HIGHER JOBS REQUIRE MORE RESPONSIBILITY, EDUCATION AND TRAINING. FOR EXAMPLE, YOU MIGHT START AS A HOSPITAL ORDERLY, WHICH REQUIRES LITTLE EDUCATION OR TRAINING, AND EVENTUALLY BECOME A MEDICAL TECHNICIAN, DOCTOR OR REGISTERED NURSE.

ALTHOUGH THE SATISFACTION AND FINANCIAL REWARDS OF HELPING SICK OR HURT PEOPLE GET WELL ARE MANY, THERE ARE ALSO DISADVANTAGES IN ***HEALTH*** WORK, SUCH AS THE ONES MENTIONED.

HOWEVER, REGARDLESS OF YOUR RACE, COLOR, RELIGION, BACKGROUND, AGE (IF YOU ARE OLD ENOUGH FOR PART-TIME WORK), PHYSICAL OR MENTAL HANDICAP, OR EVEN ABILITY TO SPEAK ENGLISH PROPERLY, THERE ARE OR MAY BE WORTHWHILE JOBS AND POSSIBLY A CAREER IN ***HEALTH*** WORK FOR ***YOU.***

IF YOU ARE INTERESTED IN ***KNOWING MORE*** ABOUT ANY OF THESE JOB OPPORTUNITIES, SEE YOUR CAREER OR VOCATIONAL GUIDANCE DIRECTOR AT SCHOOL.

Your Pal,
